This bill would authorize possession of firearms as prescribed.

The State Patrol and Department of Administrative Services both estimate no fiscal impact from this bill.

The University of Nebraska states that the bill would have safety/security implications, but no clearly defined fiscal impact.

Estimate of Fiscal Impact – State Agencies

General Funds

Other Funds				
Total Funds	0	0	0	0

Explanation of Estimate: The proposed bill relates to the allowance of fire arms in vehicles. This would principally affect State Building Division (SBD) if such firearms were contained in vehicles parked in public parking owned and operated by Administrative Services. Currently, there is no firearm prohibition for vehicles parked in SBD owned and operated parking garages/lots.

Therefore, the bill would require no change in current policy and have no fiscal impact.
