LB 545 provides for an undetermined amount of general funds to be appropriated to the Department of Health and Human Services Finance and Support in 2007-08 and 2008-09 to provide state aid for the Nebraska Prostitution Intervention and Treatment Act. LB 1086, passed by the Legislature in the 2006 Session, established the act. The A bill to fund education and treatment services for persons participating in prostitution-related activities was vetoed by the Governor. The vetoed A bill appropriated \$750,000 of general funds in 2006-07 and 2007-08 for the act.
