## Introduction

---

Nebraska has some 228 statutorily created boards, commissions, and other similar entities (hereinafter, collectively referred to as boards). Among the many tasks assigned to them, boards provide oversight of governmental programs, regulate licensed professionals, carry out studies, oversee implementation of new programs, advocate for certain constituencies, and advise state agencies.

In 1997, the Executive Board of the Legislative Council requested that the Legislative Research Division compile and annually update a list of statutorily created boards. This publication contains that list. The list does not purposefully include (1) boards created by executive order, by agency rule or regulation, or pursuant to federal mandates, unless enacted via state statute; (2) commissions or councils created pursuant to interstate compacts; or (3) boards created via state statute but which serve local governments.

## Legislative Action Affecting Boards and Commissions

---

In 2006, the Legislature created seven new boards, eliminated four, and renamed two. The new boards were a reflection of some of the prominent issues in the 2006 legislative session: tax and Medicaid reform, education, and sex offenders; and the national insecurity: protecting the homeland.

### New Boards

***Conveyance Advisory Committee (LB 489).*** This committee was created to advise the Commissioner of Labor on issues relevant to elevators and similar conveyances such as escalators and dumbwaiters. The State Fire Marshal or designee and the state elevator inspector are designated permanent members. The other members, who are appointed by the Governor, must include representatives from an elevator manufacturing company, an elevator servicing company, and counties with a population greater than 100,000; a building manager; and an elevator mechanic.

***Tax Policy Reform Commission (LB 542).*** This commission was created to look at all things tax-related and issue a report with recommendations for legislation to reform Nebraska's tax policy. Specific charges include evaluating how Nebraska's current tax policies relate to generally recognized tax policies of adequacy, equity, economic competitiveness, simplicity, and accountability. The 16-member commission includes the Director of Economic Development and the Tax Commissioner; eight state senators, one representative of the labor sector, and one representative of the

low-income sector, all appointed by the Executive Board of the Legislative Council; and an economist, a representative of production agriculture, a representative of industry and manufacturing, and a representative of the telecommunications sector, all appointed by the Governor. The commission's final report is due by November 15, 2007. The commission terminates on December 31, 2007.

***Homeland Security Policy Group (LB 940).*** The policy group was created to prepare the state for a terrorist attack. One of the group's specific charges is to annually report to the Executive Board of the Legislative Council how Nebraska has used its federal funds appropriated for homeland security. The policy group is not subject to the Open Meetings Act. The Director of Homeland Security, created via LB 940, serves as chairperson of the group. The Executive Board must select one member each from the Government, Military and Veterans Affairs and the Appropriations committees of the Legislature to serve as ex officio nonvoting members. The Governor appoints the other members, who serve at the will of the Governor. The bill does not specify the number of members.

***Working Group to Study Sex Offender Treatment and Management Services (LB 1199).*** This working group was created to study sex offender treatment and management services and recommend improvements. The group's membership includes one senator appointed by the Executive Board of the Legislative Council and the following gubernatorially appointed members: one representative each from the Nebraska Health and Human Services System, the courts, the Department of Correctional Services, probation, Board of Parole, law enforcement, private providers of sex offender treatment, and victim advocates; a licensed psychologist; a licensed alcohol and drug counselor; and a registered sex offender who is participating in a sex offender treatment program. Other interested persons may be appointed in a nonvoting capacity as needed. The working group is to assist the Director of Health and Human Services Regulation and Licensure in preparing a report to be presented to the Legislature and the Governor, which is due by December 1, 2006. The group terminates on that date also.

***Distance Education Council (LB 1208).*** This council was created to coordinate distance education in Nebraska. The council's membership consists of one administrator, or his or her designee, from each educational service unit. The council must hire an administrator and personnel as necessary to carry out its statutory functions. Funding is provided via legislative appropriations and fees established for services provided to educational entities.

***Medicaid Reform Council (LB 1248)***. This council was created to oversee the implementation of Medicaid reform in Nebraska. The membership of the council consists of 10 persons appointed by the Chairperson of the Legislature's Health and Human Services Committee. The members must include representatives from provider groups, recipients of medical assistance and their advocates, business persons, insurers, and elected officials. The council terminates on June 30, 2010.

***Early Childhood Education Endowment Board of Trustees (LB 1256)***. This board was created to administer the Early Childhood Education Grant Program. It is composed of the Commissioner of Education and the Director of Health and Human Services, or their designees; and four persons appointed by the Governor: an early childhood professional representing an urban at-risk area; an early childhood professional representing a rural at-risk area; and two persons nominated by the private endowment provider selected to run the Early Childhood Education Endowment by the State Department of Education. For administrative support and budgetary purposes only, the board is housed within the education department.

### **Repealed Boards**

- ***State Behavioral Health Council (LB 994)***.
- ***Excellence in Education Council (LB 1208)***.
- ***Distance Education Enhancement Task Force (LB 1208)***.
- ***Medicaid Reform Advisory Council (LB 1248)***.

### **Actions Affecting Existing Boards**

This annual publication does not track every change made to existing boards. However, significant changes (for example, changes affecting a board's structure, function, funding, or termination date) are briefly noted below.

***Interpreter Review Board (LB 87)***. Effective June 30, 2007, the board membership must include: the Director of Health and Human Services (HHS) and the Executive Director of the Commission for the Deaf and Hard of Hearing, or their designees; one qualified interpreter; two representatives of local government; and one deaf or hard of hearing person. Members, except for the Director of HHS and the Executive Director of the commission, whose terms do not expire, are prohibited from serving more than two consecutive three-year terms.

***Accountability and Disclosure Commission (LB 188).*** The commission gains the power to subpoena for purposes of conducting preliminary investigations under either the Campaign Finance Limitation Act or the Nebraska Political Accountability and Disclosure Act. The district court has jurisdiction to enforce the commission's subpoenas.

***Real Estate Appraiser Board (LB 778).*** The board is renamed the Real Property Appraiser Board.

***State Real Estate Commission (LB 819).*** The commission's membership requirement is updated to reflect the fact that the state now has three congressional districts, not four as was the case when the commission was created in 1973. The Governor must select one member to serve from each of the state's congressional districts. Further, one of the three at-large gubernatorial appointees must be an active and licensed real estate broker who has engaged in the real estate business as a broker or associate broker for at least five years.

***State Racing Commission (LB 1111).*** The commission's members, who are appointed by the Governor, now must be confirmed by the Legislature.

***State Disbursement and Child Support Advisory Commission (LB 1113).*** The commission's name is changed to the Child Support Advisory Commission. Further, the Supreme Court is given the task of appointing the two commission members who are drawn from the ranks of district court judges whose jurisdiction includes domestic relations. The two commission members from the Legislature now must be the chairpersons of the Judiciary Committee and the Health and Human Services Committee. Finally, the State Treasurer, the State Court Administrator, and the Director of the Title IV-D Division are given regular membership. Previously, they were ex officio members.

## **Nebraska Boards and Commissions Tables**

The following tables list statutorily created boards and commissions. The first table lists those boards created during the 2006 legislative session and the second table provides, it is hoped, a comprehensive list of all of Nebraska's boards, with the exception of those entities as noted in the introduction. Additionally, termination dates refer to the termination date listed in statute for that particular board; however, terminated boards and commissions continue to be listed until they are actually removed from statute.

## Endnotes

<sup>1</sup> A “Y” in this column indicates that a provision authorizing expenses exists in the statute creating the board or commission; an “N” indicates the enacting statute makes no mention of allowing expenses. However, Neb. Rev. Stat. sec. 81-1178 provides that “Any member of any state commission, council, committee, or board which has been created by statute shall be entitled to be reimbursed for expenses in the same manner as provided in sections 81-1174 to 81-1177 for state employees whether or not specific reference is made to such sections.”

<sup>2</sup> Unless otherwise noted, per diems listed are the maximum allowable in statute for that particular board. Since some statutes indicate that the permissible per diem is “at least” or “up to”, the actual per diem paid to a given board member could be less than that listed. As per Neb. Rev. Stat. sec. 71-112, the professional boards in the various health-related fields receive expenses as well as a per diem not to exceed \$30. Additionally, the per diem and expenses cannot be greater than “is received in fees from the applicants taking the examination in any particular profession.” Each individual board sets its own per diem within those parameters. Additionally, these boards may set per diems and pay the expenses up to this rate for any subcommittees they create.

<sup>3</sup> The State Advisory Council members are paid a fee, set by the Commissioner of Labor, for each day of active service .

<sup>4</sup> The Nebraska State Airline Authority members “shall receive a per diem as the Governor shall determine.” However, there is no record that this authority, which was created in 1990, has ever been appointed.

<sup>5</sup> Confirmation is required by a majority of the Legislature’s Health and Human Services Committee members.

<sup>6</sup> Compensation for the Task Force for Building Renewal members is “established by the Governor on a per diem basis. . . .”

<sup>7</sup> Legislative confirmation is required for the seven members who are gubernatorial appointees.

<sup>8</sup> The advisory committee is an ad hoc, informal entity comprised of representatives from the University of Nebraska, the Department of Economic Development, the Department of Agriculture, and the State Energy Office that provides counsel to the Ethanol Board on an as needed basis, according to Todd Sneller, executive director of the Ethanol Board.

<sup>9</sup> LB 1161 states, “Each member of the board shall receive as compensation the same per diem and travel expenses as other state employees for each day actually spent in traveling to and from and while attending sessions of the board and its committees or authorized meetings of the National Association of State Boards of Geology, or their subdivisions or committees, and all necessary expenses incident to the performance of his or her duties under the Geologists Regulation Act as provided in sections 81-1174 to 81-1177.”

<sup>10</sup> “The board, when appointed and convened, shall continue in existence only until it has resolved a dispute referred to it pursuant [to statute].” Neb. Rev. Stat. sec. 46-719(1a).

<sup>11</sup> There are actually 33 commissions of nine members each representing the various judicial districts and courts within the state.

<sup>12</sup> The Livestock Auction Market Board is a three-person board with one appointed member, who receives expenses.

<sup>13</sup> The Legislature confirms the three gubernatorial appointees to the 16-member commission.

<sup>14</sup> The three lay members of the board are the only members to receive a per diem, which is set at the same rate as that paid to the members of the State Highway Commission.

<sup>15</sup> The chairman of the Real Estate Commission is the Secretary of State, who does not receive a per diem.

<sup>16</sup> Four of the 11 members are appointed by the Governor and confirmed by the Legislature.

<sup>17</sup> The committee is no longer awarding grants and exists only statutorily while the Coordinating Commission for Postsecondary Education Commission continues to administer the remaining multiple-year grants. See, Laws 2003, LB 574.

<sup>18</sup> Membership is comprised of the State Board of Education.
