

*State Boards and Commissions
in Nebraska, 2008*

Prepared by

Kate Gaul, Research Analyst

Research Report 2008-2

November 2008

Introduction

Nebraska has some 231 statutorily created boards, commissions, and other similar entities (hereinafter, collectively referred to as boards). Among the many tasks assigned to them, boards provide oversight of governmental programs, regulate licensed professionals, carry out studies, oversee implementation of new programs, advocate for certain constituencies, and advise state agencies.

In 1997, the Executive Board of the Legislative Council requested that the Legislative Research Office compile and annually update a list of statutorily created boards. This publication contains that list. The list does not purposefully include (1) boards created by executive order, by agency rule or regulation, or pursuant to federal mandates, unless enacted via state statute; (2) commissions or councils created pursuant to interstate compacts; or (3) boards created via state statute but which serve local governments.

Legislative Action Affecting Boards and Commissions

In 2008, the Legislature created four new boards and neatly eliminated four.

New Boards

Stem Cell Research Advisory Committee (LB 606). Supporters and opponents of using embryonic stem cells for research purposes came to a compromise with the enactment of LB 606, which creates the Stem Cell Research Advisory Committee to oversee the awarding of grants intended to fund Nebraska institutions and researchers who do nonembryonic stem cell research. The six-member committee includes the deans of both the University of Nebraska Medical Center and Creighton University Medical Center, as well as four scientists from outside Nebraska who are conducting human stem cell research with funding from the National Institutes of Health.

Pharmaceutical and Therapeutics Committee (LB 830). In an effort to help the state contain soaring Medicaid costs, LB 830 instituted a preferred drug list and other measures intended to reduce the cost of prescription medicine for low-income recipients. The bill creates a Pharmaceutical and Therapeutics Committee to advise the Department of Health and Human Services on all matters relating to the establishment and maintenance of this list. The committee can have from 15 to 20 members, but must include at least, (1) eight physicians, (2) four pharmacists, (3) a university professor of pharmacy or a person with a doctoral degree in phar-

macology, and (4) two public members in its membership. No more than 25 percent of the committee can be composed of state employees.

Legal Education for Public Service Loan Repayment Board (LB 1014). New graduates of law school often start their careers with significant debt, a deterrent to accepting public legal service work. To encourage more young attorneys to work for nonprofits serving indigent defendants, LB 1014 creates an educational loan forgiveness program. The program is overseen by the Commission on Public Advocacy. To assist the commission, LB 1014 creates the Legal Education for Public Service Loan Repayment Board to develop and recommend rules and regulations that will govern the loan repayment program. The board's membership consists of the director of Legal Aid of Nebraska, the deans of the Creighton School of Law and the University of Nebraska College of Law, a student from each law school selected by the dean of the law school, a member of the Nebraska State Bar Association, and the chief counsel of the Commission on Public Advocacy.

Technical Advisory Committee to Review the Statewide Education Assessment Plan (LB 1157). In 2007, the Legislature adopted a plan to assess how well Nebraska's public schools were performing in terms of student achievement. LB 1157 makes some changes to the assessment plan, including requiring the State Board of Education to annually select the assessment instruments to be used by school districts and the grade levels to be assessed. The technical advisory committee, appointed by the Governor and confirmed by the Legislature, was created to review the assessment plan and selected instruments. The committee consists of three nationally recognized experts in educational assessment and measurement, one Nebraska school district administrator, and one Nebraska school teacher.

Repealed Boards

- ***Nebraska State Quarter Design Committee (LB 195)***
- ***Nebraska Health Care Council (LB 480)***
- ***Governor's Roundtable (LB 797)***
- ***Hepatitis C Education and Prevention Task Force (LB 928)***

Actions Affecting Existing Boards

This annual publication does not track every change made to existing boards. However, significant changes are briefly noted below.

Nebraska State Workforce Investment Board (LB 210). The changes in LB 210 are intended to make the 47-member board

more effective by reducing its size through the elimination of non-federally mandated statutory members. The two legislative members of the board are also made nonvoting, ex officio members.

Nebraska Capitol Commission (LB 752). The bill allows the Governor to designate the Lieutenant Governor as his or her representative on the commission when the Governor is absent and allows the Speaker of the Legislature to designate the chairperson of the Executive Board or the Clerk of the Legislature as his or her representative on the commission when absent. Both designees are given full voting privileges for the meeting they attend.

Geographic Information Systems Steering Committee (LB 823). This committee is renamed the Geographic Information Systems Council.

Behavioral Health Oversight Commission of the Legislature (LB 928). This commission is renamed the Behavioral Health Oversight Commission. Additionally, the newly named commission is reduced from 25 members to 12, who are appointed by the Governor and representative of certain constituencies. Members also must possess “a demonstrated interest and commitment and specialized knowledge, experience, or expertise” relating to behavioral health. The commission is given a new sunset date of June 30, 2009.

Children’s Behavioral Health Task Force (LB 928). The bill makes changes to the task force’s membership, including eliminating the chair of the Behavioral Health Oversight Commission of the Legislature as a member. It also allows the chairpersons of the Legislature’s Health and Human Services Committee and Appropriations Committee, who are ex officio members, to designate another member of their respective committees as task force members to serve in their stead.

Game and Parks Commission (LB 1049). Several changes are made to the commission, chief among them is that the term of service is reduced from five years to four and commissioners are limited to serving two consecutive terms. The commission is also increased in size from eight to nine members. Finally, to meet the political-party qualification for membership, a nominee’s party affiliation is determined by how he or she was registered to vote at the last general election.

State Advisory Committee on Problem Gambling and Addiction Services (LB 1058). This committee is renamed the State Committee on Problem Gambling and given additional duties.

State Fair Board (LB 1116). In concert with moving the Nebraska State Fair from Lincoln to Grand Island, the board's nonvoting, ex officio members are changed from the chancellor of the University of Nebraska-Lincoln and the chairperson of the Nebraska Arts Council to the 4-H program administrator of the Cooperative Extension Service of the University of Nebraska and the executive director of the Nebraska FFA. LB 1116 also changes the qualifications for four members who are appointed by the Governor.

Nebraska Boards and Commissions Tables

The following tables list statutorily created boards and commissions. The first table lists those boards created during the 2007 legislative session and the second table provides, it is hoped, a comprehensive list of all of Nebraska's boards as charted by this report. For reference, termination dates refer to the termination date listed in statute for that particular board; however, terminated boards and commissions continue to be listed until they are actually removed from statute.

Table 1

Nebraska Boards and Commissions Created by the Legislature in 2008

Board/Commission	Bill Number	Statute	Legislative Confirmation Required	Termination Date	Expenses	Per Diem
1. Stem Cell Research Advisory Committee	LB 606	71-8803	Yes		Y	Y
2. Pharmaceutical and Therapeutics Committee	LB 830	68-953			Y	N
3. Legal Education for Public Service Loan Repayment Board	LB 1014	7-204			Y	N
4. Technical Advisory Committee to Review Statewide Assessment and Reporting Plan	LB 1157	79-760.03	Yes		Y	N

Endnotes

¹ A “Y” in this column indicates that a provision authorizing expenses exists in the statute creating the board or commission; an “N” indicates the enacting statute makes no mention of allowing expenses. However, Neb. Rev. Stat. sec. 81-1178 provides that “Any member of any state commission, council, committee, or board which has been created by statute shall be entitled to be reimbursed for expenses in the same manner as provided in sections 81-1174 to 81-1177 for state employees whether or not specific reference is made to such sections.”

² Unless otherwise noted, per diems listed are the maximum allowable in statute for that particular board. Since some statutes indicate that the permissible per diem is “at least” or “up to”, the actual per diem paid to a given board member could be less than that listed. As per Neb. Rev. Stat. sec. 71-112, the professional boards in the various health-related fields receive expenses as well as a per diem not to exceed \$30. Additionally, the per diem and expenses cannot be greater than “is received in fees from the applicants taking the examination in any particular profession.” Each individual board sets its own per diem within those parameters. Additionally, these boards may set per diems and pay the expenses up to this rate for any subcommittees they create.

³ The State Advisory Council members are paid a fee, set by the Commissioner of Labor, for each day of active service.

⁴ The Nebraska State Airline Authority members “shall receive a per diem as the Governor shall determine.” However, this authority disbanded after overseeing an intra-state air service study issued in 1990 and has not been re-appointed.

⁵ Compensation for the Task Force for Building Renewal members is “established by the Governor on a per diem basis. . . .”

⁶ Legislative confirmation is required for the seven members who are gubernatorial appointees.

⁷ The advisory committee is an ad hoc, informal entity comprised of representatives from the University of Nebraska, the Department of Economic Development, the Department of Agriculture, and the State Energy Office that provides counsel to the Ethanol Board on an as needed basis, according to Todd Sneller, executive director of the Ethanol Board.

⁸ LB 1161 states, “Each member of the board shall receive as compensation the same per diem and travel expenses as other state employees for each day actually spent in traveling to and from and while attending sessions of the board and its committees or authorized meetings of the National Association of State Boards of Geology, or their subdivisions or committees, and all necessary expenses incident to the performance of his or her duties under the Geologists Regulation Act as provided in sections 81-1174 to 81-1177.”

⁹ “The board, when appointed and convened, shall continue in existence only until it has resolved a dispute referred to it pursuant [to statute].” Neb.

Rev. Stat. sec. 46-719(1a).

¹⁰ There are actually 33 commissions of nine members each representing the various judicial districts and courts within the state.

¹¹ The Livestock Auction Market Board is a three-person board with one appointed member, who receives expenses.

¹² The Legislature confirms the three gubernatorial appointees to the 16-member commission.

¹³ The three lay members of the board are the only members to receive a per diem, which is set at the same rate as that paid to the members of the State Highway Commission.

¹⁴ All members of the Real Estate Commission receive a per diem except the chairman, who is an ex officio member and the Nebraska Secretary of State.

¹⁵ Four of the 11 voting members are appointed by the Governor and confirmed by the Legislature.

¹⁶ Committee members who are not employed by Nebraska medical schools receive a stipend per meeting. The amount is determined by the Division of Public Health of the Department of Health and Human Services based on standard consultation fees.

¹⁷ The committee is no longer awarding grants and exists only statutorily while the Coordinating Commission for Postsecondary Education Commission continues to administer the remaining multiple-year grants. See, Laws 2003, LB 574.

¹⁸ Membership is comprised of the State Board of Education.
