\*Does not include any impact on political subdivisions. See narrative for political subdivision estimates.

LB 1101 would have no fiscal impact to state agencies.

LB 1101 would require cities to keep certain information on file regarding redevelopment plans that are financed in whole or in part with the use of tax-increment financing. The information would be updated annually and available for public inspection. It is estimated that the fiscal impact for cities to comply with the provisions of LB 1101 would be very minimal in nature.
