LB 5 expands the number of employees eligible to participate in the employee suggestion system and increases the amount of the award from the greater of \$25 or 10% of the amount saved to the greater of \$100 or 10% of the amount saved. LB 5 also increases the maximum award from \$5,000 to \$6,000.

Currently, the state agency with the employee who receives the award pays the award. LB 5 will increase costs to state agencies associated with the suggestion system program. State agencies should however realize a savings as a result of the suggestion system so, there should be no net increase in costs.
