This bill will increase the salaries of Supreme Court judges. The bill has the emergency clause, and is operative on July 1, 2007.

The bill does not specify a dollar amount of the increase so there will be no fiscal impact until an amount is specified. The increase, when specified, will impact all court judges.

The following table includes the current salaries and other information:

Court	No. of Judges	Current Salary	Percent to Supreme Court Judges Salary
Supreme	7	\$ 126,846	100.0%
