Under current law, the Nebraska Capitol Commission is comprised of the Governor, the Speaker of the Legislature, the State Court Administrator, the dean of the College of Architecture at the University of Nebraska-Lincoln, the Director of the Nebraska State Historical Society, and three other residents of Nebraska appointed by the Governor. LB752 would provide that in the absence of the Governor, he or she may designate the Lieutenant Governor as his or her representative on the commission with full voting privileges for meetings attended. The bill would also provide that in the absence of the Speaker of the Legislature, he or she may designate the chairperson of the Executive Board of the Legislative Council or the Clerk of the Legislature as his or her representative with full voting privileges for meetings attended. The bill represents no definitive fiscal impact.
