This bill would adopt the Uniform Foreign-Country Money Judgments Recognition Act.

The Department of Health and Human Services (HHS) estimates no fiscal impact.

The Nebraska Supreme Court (Court) estimates 75 hours of transcription services for the translation of foreign judgment documents into English for the Court, plus an additional 50 hours for certified interpreter services. These two items are estimated to cost \$6,250 per year. The Court also notes it could incur additional costs for research associated with obtaining information necessary for decision-making under Section 4 of the bill.
