22 who is a representative of an approved training agency, one member
23 who is a physician assistant with at least five years of experience
24 and active in out-of-hospital emergency medical care education,
25 one member who is a registered nurse with at least five years

1 of experience and active in out-of-hospital emergency medical care
2 education, and two public members who meet the requirements of
3 section 38-165 and who have an expressed interest in the provision
4 of out-of-hospital emergency medical care.

5 (d) The remaining two members shall have any of the
6 qualifications listed in subdivision (a), (b), or (c) of this
7 subsection.

8 (e) In addition to any other criteria for appointment,
9 among the members of the board there shall be at least one member
10 who is a volunteer emergency medical care provider, at least one
11 member who is a paid emergency medical care provider, at least
12 one member who is a firefighter, at least one member who is a
13 law enforcement officer, and at least one member who is active
14 in the Critical Incident Stress Management Program. If a person
15 appointed to the board is qualified to serve as a member in more
16 than one capacity, all qualifications of such person shall be taken
17 into consideration to determine whether or not the diversity in
18 qualifications required in this subsection has been met.

19 (f) At least five members of the board shall be appointed
20 from each congressional district, and at least one of such members
21 shall be a physician member described in subdivision (b) of this
22 subsection.

23 (3) Members shall serve five-year terms beginning on
24 December 1 and may serve for any number of such terms. The terms of
25 the members of the board appointed prior to December 1, 2008, shall

1 be extended by two years and until December 1 of such year. Each
2 member shall hold office until the expiration of his or her term.
3 Any vacancy in membership, other than by expiration of a term,
4 shall be filled within ninety days by the Governor by appointment
5 as provided in subsection (2) of this section.

6 (4) Special meetings of the board may be called by the
7 department or upon the written request of any six members of the
8 board explaining the reason for such meeting. The place of the
9 meetings shall be set by the department.

10 (5) The Governor upon recommendation of the department
11 shall have power to remove from office at any time any member
12 of the board for physical or mental incapacity to carry out the
13 duties of a board member, for continued neglect of duty, for
14 incompetency, for acting beyond the individual member's scope of
15 authority, for malfeasance in office, for any cause for which a
16 professional credential may be suspended or revoked pursuant to the
17 Uniform Credentialing Act, or for a lack of license required by the
18 Emergency Medical Services Practice Act.

19 (6) Except as provided in subsection (5) of this section
20 and notwithstanding subsection (2) of this section, a member of
21 the board who changes his or her licensure classification after
22 appointment when such licensure classification was a qualification
23 for appointment shall be permitted to continue to serve as a member
24 of the board until the expiration of his or her term.

25 Sec. 2. Section 38-1217, Revised Statutes Supplement,

1 2007, is amended to read:

2 38-1217 The board shall adopt rules and regulations
3 necessary to:

4 (1) Create the following licensure classifications of
5 out-of-hospital emergency care providers: (a) ~~First~~ Emergency
6 medical responder; (b) emergency medical technician; (c) advanced
7 emergency medical ~~technician-intermediate~~; technician; and (d)
8 ~~emergency medical technician-paramedic~~. paramedic. The rules
9 and regulations creating the classifications shall include the
10 practices and procedures authorized for each classification,
11 training and testing requirements, renewal and reinstatement
12 requirements, and other criteria and qualifications for each
13 classification determined to be necessary for protection of public
14 health and safety;

15 (2) Set standards for the licensure of basic life
16 support services and advanced life support services. The rules and
17 regulations providing for licensure shall include standards and
18 requirements for: Vehicles, equipment, maintenance, sanitation,
19 inspections, personnel, training, medical direction, records
20 maintenance, practices and procedures to be provided by employees
21 or members of each classification of service, and other criteria
22 for licensure established by the board;

23 (3) Authorize emergency medical services to provide
24 differing practices and procedures depending upon the
25 qualifications of out-of-hospital emergency care providers

1 available at the time of service delivery. No emergency medical
2 service shall be licensed to provide practices or procedures
3 without the use of personnel licensed to provide the practices or
4 procedures;

5 (4) Authorize out-of-hospital emergency care providers to
6 perform any practice or procedure which they are authorized to
7 perform with an emergency medical service other than the service
8 with which they are affiliated when requested by the other service
9 and when the patient for whom they are to render services is in
10 danger of loss of life;

11 (5) Provide for the approval of training agencies and
12 establish minimum standards for services provided by training
13 agencies;

14 (6) Provide for the minimum qualifications of a physician
15 medical director in addition to the licensure required by section
16 38-1212;

17 (7) Provide for the use of physician medical directors,
18 qualified physician surrogates, model protocols, standing orders,
19 operating procedures, and guidelines which may be necessary or
20 appropriate to carry out the purposes of the Emergency Medical
21 Services Practice Act. The model protocols, standing orders,
22 operating procedures, and guidelines may be modified by the
23 physician medical director for use by any out-of-hospital emergency
24 care provider or emergency medical service before or after
25 adoption;

1 (8) Establish criteria for approval of organizations
2 issuing cardiopulmonary resuscitation certification which shall
3 include criteria for instructors, establishment of certification
4 periods and minimum curricula, and other aspects of training and
5 certification;

6 (9) Establish renewal and reinstatement requirements
7 for out-of-hospital emergency care providers and emergency
8 medical services and establish continuing competency requirements.
9 Continuing education is sufficient to meet continuing competency
10 requirements. The requirements may also include, but not be
11 limited to, one or more of the continuing competency activities
12 listed in section 38-145 which a licensed person may select
13 as an alternative to continuing education. The reinstatement
14 requirements for out-of-hospital emergency care providers shall
15 allow reinstatement at the same or any lower level of licensure
16 for which the out-of-hospital emergency care provider is determined
17 to be qualified;

18 (10) Establish criteria for deployment and use of
19 automated external defibrillators as necessary for the protection
20 of the public health and safety;

21 (11) Create licensure, renewal, and reinstatement
22 requirements for emergency medical service instructors. The rules
23 and regulations shall include the practices and procedures for
24 licensure, renewal, and reinstatement; and

25 (12) Establish criteria for advanced emergency medical

1 ~~technicians-intermediate~~ technicians and ~~emergency medical~~
2 ~~technicians-paramedic~~ paramedics performing activities within
3 their scope of practice at a hospital or health clinic under
4 subsection (3) of section 38-1224. Such criteria shall include,
5 but not be limited to: (a) Requirements for the orientation of
6 registered nurses, physician assistants, and physicians involved
7 in the supervision of such personnel; (b) supervisory and training
8 requirements for the physician medical director or other person
9 in charge of the medical staff at such hospital or health clinic;
10 and (c) a requirement that such activities shall only be performed
11 at the discretion of, and with the approval of, the governing
12 authority of such hospital or health clinic. For purposes of this
13 subdivision, health clinic has the definition found in section
14 71-416 and hospital has the definition found in section 71-419.

15 Sec. 3. Section 38-1218, Revised Statutes Supplement,
16 2007, is amended to read:

17 38-1218 (1) The Legislature adopts all parts of the
18 United States Department of Transportation curricula, including
19 appendices, and skills as the training requirements and permitted
20 practices and procedures board shall annually review and adopt
21 an approved curricula for the licensure classifications listed in
22 subdivision (1) of section 38-1217 ~~until modified~~ by rule and
23 regulation.

24 (2) The department and the board shall consider the
25 following factors, in addition to other factors required or

1 permitted by the Emergency Medical Services Practice Act, when
2 adopting rules and regulations for a licensure classification:

3 (a) Whether the initial training required for licensure
4 in the classification is sufficient to enable the out-of-hospital
5 emergency care provider to perform the practices and procedures
6 authorized for the classification in a manner which is beneficial
7 to the patient and protects public health and safety;

8 (b) Whether the practices and procedures to be authorized
9 are necessary to the efficient and effective delivery of
10 out-of-hospital emergency medical care;

11 (c) Whether morbidity can be reduced or recovery enhanced
12 by the use of the practices and procedures to be authorized for the
13 classification; and

14 (d) Whether continuing competency requirements
15 are sufficient to maintain the skills authorized for the
16 classification.

17 (3) The board shall establish a skills competency test
18 for licensure of emergency medical responders and emergency medical
19 technicians. For purposes of this section, skills competency test
20 means a hands-on or oral test of the abilities to perform skills
21 and develop a treatment plan within the practices and procedures
22 for the classification being tested for an individual seeking
23 licensure as an emergency medical responder or emergency medical
24 technician.

25 Sec. 4. Section 38-1224, Revised Statutes Supplement,

1 2007, is amended to read:
