

ONE HUNDREDTH LEGISLATURE
SECOND SESSION
LEGISLATIVE RESOLUTION 300

Introduced by Janssen, 15.

PURPOSE: In 2004, LB 826 was passed by the Legislature to clarify the law setting the boundaries of Nebraska game refuges in response to a court action. As passed, the authority to determine the boundaries and to make the initial boundary determination was given to the Department of Natural Resources. Since the implementation of the law, concerns remain about the setting of these boundaries, specifically in Garden County.

The purpose of this resolution is to review the action that led to the introduction and passage of LB 826, any actions taken by the Department of Natural Resources after the passage of the bill, the impact of those actions, and the possible need to review and amend the changes made in LB 826.

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE ONE HUNDREDTH LEGISLATURE OF NEBRASKA, SECOND SESSION:

1. That the Natural Resources Committee of the Legislature shall be designated to conduct an interim study to carry out the purposes of this resolution.

2. That the committee shall upon the conclusion of its study make a report of its findings, together with its recommendations, to the Legislative Council or Legislature.
