

ONE HUNDREDTH LEGISLATURE

SECOND SESSION

LEGISLATIVE RESOLUTION 304

Introduced by Pahls, 31.

PURPOSE: The purpose of this resolution is to direct the Education Committee of the Legislature to conduct a study on the following issues:

(1) Determination of the number of public school teachers who retire early;

(2) Determination of the options for a public school teacher who opts to retire early to obtain affordable health insurance upon retiring;

(3) Determination of the level of responsibility or the role of public school districts to provide health insurance to their retirees until the retirees are eligible for other health care coverage;

(4) Determination of the cost of premiums to the retired teachers and the districts that would offer such coverage; and

(5) Determination of the reasons teachers who retire early are dropped from health care insurance coverage by a public school district.

The committee may study any other issue related to such issues.

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE ONE HUNDREDTH LEGISLATURE OF NEBRASKA, SECOND SESSION:

1. That the Education Committee of the Legislature shall be designated to conduct an interim study to carry out the purposes of this resolution.

2. That the committee shall upon the conclusion of its study make a report of its findings, together with its recommendations, to the Legislative Council or Legislature.
