

Hundredth Legislature - Second Session - 2008
Introducer's Statement of Intent
LB 805

Chairperson: LeRoy Louden
Committee: Natural Resources
Date of Hearing: January 30, 2008

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB 805 would allow the Governor to appoint a non-resident of Nebraska to fill the propane equipment manufacturer and distributor member category on the Nebraska Propane Education and Research Council. Due to shifts in the industry, very few propane equipment manufacturer and distributors reside in Nebraska. This proposal opens up this membership category to out-of-state representatives.

Principal Introducer:

Senator Norman Wallman
