

Hundredth Legislature - Second Session - 2008
Introducer's Statement of Intent
LB 979

Chairperson: Ray Janssen
Committee: Revenue
Date of Hearing: January 25, 2008

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

Legislative Bill 979 will change the period of years, from ten to twenty, for which a tax can be levied for purposes of designated county building projects. Due to an increase in construction costs, the ten year period provided under §23-120 is not adequate to fund these essential county building undertakings. This increase would allow counties more flexibility without increasing property taxes.
