Introducer's Statement of Intent
LB 993

Chairperson: Vickie McDonald
Committee: General Affairs
Date of Hearing: February 25, 2008

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB 993 proposes an expansion of the uses for the Nebraska Liquor Control Commission Rule and Regulation Cash Fund. In its annual liquor law recommendations letter to the Governor and the General Affairs Committee, the Nebraska Liquor Control Commission suggested that it be authorized to use the fund for additional enforcement and training purposes. Currently, the Nebraska Liquor Control Commission Rule and Regulation Cash Fund is used solely for the printing of liquor law and other educational materials.

Details

Section 1 amends §53-117.06, by adding that the Nebraska Liquor Control Commission Rule and Regulation Cash Fund may be used to help pay for electronic regulatory transactions, industry education events, enforcement training, and equipment for regulatory work.

Section 2 repeals the original section.
