LB737 exempts from the State Personnel System the directors of nursing by the Department of Correctional Services and the Department of Health and Human Services. Exempting positions from the State Personnel System allows departments to pay that position more than the State's Classified Pay Plan. If this occurs, costs would increase. The amount of the increase cannot be estimated. The Department of Correctional Services indicates that this bill would have no direct fiscal impact since that position is currently filled.

DEPARTMENT OF ADMINISTRATIVE SERVICES
