was the source of semen, injury, or other physical evidence;

(ii) Evidence of specific instances of sexual behavior of
the victim with respect to the accused offered by the accused to
prove consent of the victim if it is first established to the court

to the issue of consent; and

(iii) Evidence, the exclusion of which would violate the
constitutional rights of the accused.

(b) In a civil case, evidence offered to prove the sexual
behavior or sexual predisposition of any victim is admissible if it
is otherwise admissible under the Nebraska Evidence Rules and its
probative value substantially outweighs the danger of harm to any
victim and of unfair prejudice to any party. Evidence of a victim’s
reputation is admissible only if it has been placed in controversy
by the victim.

(3)(a) A party intending to offer evidence under
subsection (2) of this section shall:

is accused of an offense of sexual assault, evidence of the
accused’s commission of another offense or offenses of sexual
assault is admissible if there is clear and convincing evidence
otherwise admissible under the Nebraska Evidence Rules that the
accused committed the other offense or offenses. If admissible,
such evidence may be considered for its bearing on any matter to
which it is relevant.

(2) In a case in which the prosecution intends to
offer evidence under this section, the prosecuting attorney shall
disclose the evidence to the accused, including statements of
witnesses or a summary of the substance of any testimony that is
expected to be offered, at least fifteen days before the scheduled
date of trial or at such later time as the court may allow for good  
cause.

(3) Before admitting evidence of the accused’s commission  
of another offense or offenses of sexual assault under this  
section, the court shall conduct a hearing outside the presence of  
any jury. At the hearing, the rules of evidence shall apply and the  
court shall apply a section 27-403 balancing and admit the evidence  
unless the risk of prejudice substantially outweighs the probative  
value of the evidence. In assessing the balancing, the court may  
consider any relevant factor such as (a) the probability that the  
other offense occurred, (b) the proximity in time and intervening  
circumstances of the other offenses, and (c) the similarity of the  
other acts to the crime charged.

(4) This section shall not be construed to limit the  
admission or consideration of evidence under any other section of  
the Nebraska Evidence Rules.

assault is admissible if there is clear and convincing evidence  
otherwise admissible under the Nebraska Evidence Rules that the  
party committed the other offense or offenses. If admissible, such  
evidence may be considered for its bearing on any matter to which  
it is relevant.
(2) A party who intends to offer evidence under this section shall disclose the evidence to the party against whom it will be offered, including statements of witnesses or a summary of the substance of any testimony that is expected to be offered, at least fifteen days before the scheduled date of trial or at such later time as the court may allow for good cause.

(3) Before admitting evidence of a party's commission of another offense or offenses of sexual assault under this section, the court shall conduct a hearing outside the presence of any jury. At the hearing, the rules of evidence shall apply and the court shall apply a section 27-403 balancing and admit the evidence unless the risk of prejudice substantially outweighs the probative value of the evidence. In assessing the balancing, the court may consider any relevant factor such as (a) the probability that the other offense occurred, (b) the proximity in time and intervening circumstances of the other offenses, and (c) the similarity of the other acts to the crime charged.

(4) This section shall not be construed to limit the admission or consideration of evidence under any other section of the Nebraska Evidence Rules.

29-4008 No person subject to the Sex Offender Registration Act shall knowingly and willfully furnish any false or misleading information in the registration or fail to provide or timely update law enforcement of any of the information required to be provided by the act.

Sec. 29. Section 83-4,143, Reissue Revised Statutes of Nebraska, is amended to read:

83-4,143 (1) It is the intent of the Legislature that the court target the felony offender (a) who is eligible and
by virtue of his or her criminogenic needs is suitable to be
sentenced to intensive supervision probation with placement at the
incarceration work camp, (b) for whom the court finds that other
conditions of a sentence of intensive supervision probation, in
and of themselves, are not suitable, and (c) who, without the
existence of an incarceration work camp, would, in all likelihood,
be sentenced to prison.

(2) When the court is of the opinion that imprisonment is
appropriate, but that a brief and intensive period of regimented,
structured, and disciplined programming within a secure facility
may better serve the interests of society, the court may place an
offender in an incarceration work camp for a period not to exceed
one hundred eighty days as a condition of a sentence of intensive
supervision probation. The court may consider such placement if the
offender (a) is a male or female offender convicted of a felony
offense in a district court, (b) is medically and mentally fit
to participate, with allowances given for reasonable accommodation
as determined by medical and mental health professionals, and (c)
has not previously been incarcerated for a violent felony crime.
Offenders convicted of a crime under sections 28-319 to 28-321
28-322.04 or of any capital crime are not eligible to be placed in
an incarceration work camp.

(3) It is also the intent of the Legislature that the
Board of Parole may recommend placement of felony offenders at
the incarceration work camp. The offenders recommended by the
board shall be offenders currently housed at other Department
of Correctional Services adult correctional facilities and shall
complete the incarceration work camp programming prior to release
on parole.

(4) When the Board of Parole is of the opinion that
a felony offender currently incarcerated in a Department of
Correctional Services adult correctional facility may benefit
from a brief and intensive period of regimented, structured, and
disciplined programming immediately prior to release on parole, the
board may direct placement of such an offender in an incarceration
work camp for a period not to exceed one hundred eighty days as
a condition of release on parole. The board may consider such
placement if the felony offender (a) is medically and mentally fit
to participate, with allowances given for reasonable accommodation
as determined by medical and mental health professionals, and (b)
has not previously been incarcerated for a violent felony crime.
Offenders convicted of a crime under sections 28-319 to 28-321
28-322.04 or of any capital crime are not eligible to be placed in
an incarceration work camp.

Sec. 30. (1) No individual who has been convicted of a
felony or of any crime involving moral turpitude, or who has been
charged with or indicted for a felony or crime involving moral
turpitude and there has been no final resolution of the prosecution
of the crime, shall provide transportation services under contract
with the Department of Health and Human Services, whether as an
employee or as a volunteer, for vulnerable adults as defined in
section 28-371 or for persons under nineteen years of age.

(2) In order to assure compliance with subsection (1)
of this section, any individual who will be providing such
transportation services to such vulnerable adults or persons under
nineteen years of age and any individual who is providing such
services on the operative date of this section shall be subject
to a national criminal history record information check by the
Department of Health and Human Services through the Nebraska State
Patrol.

(3) In addition to the national criminal history record
information check required in subsection (2) of this section,
all individuals employed to provide transportation services under
contract with the Department of Health and Human Services to
vulnerable adults or persons under nineteen years of age shall
submit to a national criminal history record information check
every two years during the period of such employment.

(4) Individuals shall submit two full sets of
fingerprints to the Nebraska State Patrol to be submitted to
the Federal Bureau of Investigation for the national criminal
history record information check required under this section. The
individual shall pay the actual cost of fingerprinting and the
national criminal history record information check.

(5)(a) Individuals shall authorize release of the results
and contents of a national criminal history record information
check under this section to the employer and the Department of
Health and Human Services as provided in this section.

(b) The Nebraska State Patrol shall not release the
contents of a national criminal history record information check
under this section to the employer or the individual but shall only
indicate in writing to the employer and the individual whether the
individual has a criminal record.

(c) The Nebraska State Patrol shall release the results
and the contents of a national criminal history record information
check under this section in writing to the department in accordance
with applicable federal law.

(6) The Department of Health and Human Services may
develop and implement policies that provide for administrative
exceptions to the prohibition in subsection (1) of this section,
including, but not limited to, situations in which relatives of
the vulnerable adult or person under nineteen years of age provide
transportation services for such vulnerable adult or person under
nineteen years of age or situations in which the circumstances
of the crime or the elapsed time since the commission of the
crime do not warrant the prohibition. Any decision made by the
department regarding an administrative exception under this section
is discretionary and is not appealable.

(7) An individual who does not comply with this section
is guilty of a Class V misdemeanor.

Sec. 31. The Revisor of Statutes shall assign sections 3
to 6 of this act to Chapter 27, article 4, of the Nebraska Evidence Rules.

Sec. 32. Sections 3, 4, 5, 6, 7, 8, 11, 29, 31, 34, and 36 of this act become operative on January 1, 2010. Section 30 of this act becomes operative three calendar months after the adjournment of this legislative session. The other sections of this act become operative on their effective date.

Sec. 33. If any section in this act or any part of any section is declared invalid or unconstitutional, the declaration shall not affect the validity or constitutionality of the remaining portions.

Sec. 34. Original sections 27-404, 27-1103, 28-318, and 83-4,143, Reissue Revised Statutes of Nebraska, are repealed.

Sec. 35. Original sections 21-20,177, 21-20,179, 28-101, 28-311, 28-319.01, 28-320.02, 28-813.01, 28-1010, 28-1463.02, 28-1463.03, 28-1463.04, 28-1463.05, 29-110, 29-4001, 29-4003, 29-4006, 29-4007, and 29-4008, Reissue Revised Statutes of Nebraska, are repealed.

Sec. 36. The following section is outright repealed: Section 28-321, Reissue Revised Statutes of Nebraska.

Sec. 37. Since an emergency exists, this act takes effect when passed and approved according to law.
