

One Hundred First Legislature - First Session - 2009
Introducer's Statement of Intent
LB 96

Chairperson: Lavon Heidemann
Committee: Appropriations
Date of Hearing: March 9, 2009

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB 96 is an outright repeal of §81-1623 of the Nebraska Revised Statutes. This section of statute creates the State Energy Office Cash Fund and provides for the authorized uses of the fund. The repeal is necessary because another section of statute, §81-1607.01, also creates the State Energy Office Cash Fund, but provides a different set of authorized uses. Although some of the authorized uses are the same in both sections of statute, they are not identical. Therefore, it is necessary to repeal one of the conflicting sections of statute.
