LEGISLATIVE BILL 379

Approved by the Governor March 18, 2009

Introduced by Haar, 21.

FOR AN ACT relating to environmental protection; to amend section 81-15,160, Reissue Revised Statutes of Nebraska; to extend a scrap tire grant program; to repeal the original section; and to declare an emergency.

Be it enacted by the people of the State of Nebraska,

Section 1. Section 81-15,160, Reissue Revised Statutes of Nebraska, is amended to read:

81-15,160 (1) The Waste Reduction and Recycling Incentive Fund is created. The department shall deduct from the fund amounts sufficient to reimburse itself for its costs of administration of the fund. The fund shall be administered by the Department of Environmental Quality. The fund shall consist of proceeds from the fees imposed pursuant to the Waste Reduction and Recycling Incentive Act.

(2) The fund may be used for purposes which include, but are not limited to:

(a) Technical and financial assistance to political subdivisions for creation of recycling systems and for modification of present recycling systems;
(b) Recycling and waste reduction projects, including public education, planning, and technical assistance;
(c) Market development for recyclable materials separated by generators, including public education, planning, and technical assistance;
(d) Capital assistance for establishing private and public intermediate processing facilities for recyclable materials and facilities using recyclable materials in new products;
(e) Programs which develop and implement composting of yard waste and composting with sewage sludge;
(f) Technical assistance for waste reduction and waste exchange for waste generators;
(g) Programs to assist communities and counties to develop and implement household hazardous waste management programs; and
(h) Capital assistance for establishing private and public facilities to manufacture combustible waste products and to incinerate combustible waste to generate and recover energy resources, except that no disbursements shall be made under this section for scrap tire processing related to tire-derived fuel.

The State Treasurer shall transfer two million one hundred thousand dollars from the Waste Reduction and Recycling Incentive Fund to the General Fund within five days after August 16, 2002.

(3) Grants up to one million dollars annually shall be available until June 30, 2009, for new scrap tire projects only, if acceptable scrap tire project applications are received. Eligible categories of disbursement under section 81-15,161 may include, but are not limited to:

(a) Reimbursement for the purchase of crumb rubber generated and used in Nebraska, with disbursements not to exceed fifty percent of the cost of the crumb rubber;
(b) Reimbursement for the purchase of tire-derived product which utilizes a minimum of twenty-five percent recycled tire content, with disbursements not to exceed twenty-five percent of the product’s retail cost, except that persons who applied for a grant between June 1, 1999, and May 31, 2001, for the purchase of tire-derived product which utilizes a minimum of twenty-five percent recycled tire content may apply for reimbursement on or before July 1, 2002. Reimbursement shall not exceed twenty-five percent of the product’s retail cost and may be funded in fiscal years 2001-02 and 2002-03;
(c) Participation in the capital costs of building, equipment, and other capital improvement needs or startup costs for scrap tire processing or manufacturing of tire-derived product, with disbursements not to exceed fifty percent of such costs or five hundred thousand dollars, whichever is less;
(d) Participation in the capital costs of building, equipment, or other startup costs needed to establish collection sites or to collect and transport scrap tires, with disbursements not to exceed fifty percent of such costs;
(e) Cost-sharing for the manufacturing of tire-derived product, with disbursements not to exceed twenty dollars per ton or two hundred fifty thousand dollars, whichever is less, to any person annually;
(f) Cost-sharing for the processing of scrap tires, with disbursements not to exceed twenty dollars per ton or two hundred fifty thousand dollars, whichever is less, to any person annually;

(g) Cost-sharing for the use of scrap tires for civil engineering applications for specified projects, with disbursements not to exceed twenty dollars per ton or two hundred fifty thousand dollars, whichever is less, to any person annually; and

(h) Disbursement to a political subdivision up to one hundred percent of costs incurred in cleaning up scrap tire collection and disposal sites.

The director shall give preference to projects which utilize scrap tires generated and used in Nebraska.

(4) Priority for grants made under section 81-15,161 shall be given to grant proposals demonstrating a formal public/private partnership except for grants awarded from fees collected under subsection (6) of section 13-2042.

(5) Grants awarded from fees collected under subsection (6) of section 13-2042 may be renewed for up to a five-year grant period. Such applications shall include an updated integrated solid waste management plan pursuant to section 13-2032. Annual disbursements are subject to available funds and the grantee meeting established grant conditions. Priority for such grants shall be given to grant proposals showing regional participation and programs which address the first integrated solid waste management hierarchy as stated in section 13-2018 which shall include toxicity reduction. Disbursements for any one year shall not exceed fifty percent of the total fees collected after rebates under subsection (6) of section 13-2042 during that year.

(6) Any person who stores waste tires in violation of section 13-2033, which storage is the subject of abatement or cleanup, shall be liable to the State of Nebraska for the reimbursement of expenses of such abatement or cleanup paid by the Department of Environmental Quality.

(7) The Department of Environmental Quality may receive gifts, bequests, and any other contributions for deposit in the Waste Reduction and Recycling Incentive Fund. Any money in the fund available for investment shall be invested by the state investment officer pursuant to the Nebraska Capital Expansion Act and the Nebraska State Funds Investment Act.

Sec. 2. Original section 81-15,160, Reissue Revised Statutes of Nebraska, is repealed.

Sec. 3. Since an emergency exists, this act takes effect when passed and approved according to law.
