In addition, the board may charge a late fee of thirty-eight thousandths of one percent of the amount required to be submitted pursuant to this section for each day such amount has not been received. Such director shall promptly thereafter remit the same to the State Treasurer for credit to the fund. No Nebraska Retirement Fund for Judges fee which is uncollectible for any reason shall be waived by a county judge as provided in section 29-2709.

(4) All expenditures from the fund shall be authorized by voucher in the manner prescribed in section 24-713. The fund shall be used for the payment of all annuities and other benefits and for the expenses of administration.

(5) The fund shall consist of the total fund as of December 25, 1969, the contributions of members as provided in this section, all supplementary court fees as provided in subsection (3) of this section, and any required contributions of the state.

(6) Not later than January 1 of each year, the State Treasurer shall transfer to the fund the amount certified by the board as being necessary to pay the cost of any benefits accrued during the fiscal year ending the previous June 30 in excess of member contributions for that fiscal year and court fees as provided in subsection (3) of this section and fees pursuant to sections 25-2804, 33-103, 33-103.01, 33-106, 33-106.02, 33-123, 33-125, 33-126.02, 33-126.03, and 33-126.06 and directed to be remitted to the fund, if any, for that fiscal year plus any required contributions of the state as provided in subsection (9) of this section.

(7) Benefits under the retirement system to members or to their beneficiaries shall be paid from the fund.

(8) Any member who is making contributions to the fund on December 25, 1969, may, on or before June 30, 1970, elect to become a future member by delivering written notice of such election to the board.

(9) Not later than January 1 of each year, the State Treasurer shall transfer to the fund an amount, determined on the basis of an actuarial valuation as of the previous June 30 and certified by the board, to fully

fund the unfunded accrued liabilities of the retirement system as of June 30, 1988, by level payments up to January 1, 2000. Such valuation shall be on the basis of actuarial assumptions recommended by the actuary, approved by the board, and kept on file with the board. For the fiscal year beginning July 1, 2002, and each fiscal year thereafter, the actuary for the board shall perform an actuarial valuation of the system using the entry age actuarial cost method. Under this method, the actuarially required funding rate is equal to the normal cost rate, plus the contribution rate necessary to amortize the unfunded actuarial accrued liability on a level payment basis. The normal cost under this method shall be determined for each individual member on a level percentage of salary basis. The normal cost amount is then summed for all members. The initial unfunded actual accrued liability as of July 1, 2002, if any, shall be amortized over a twenty-five-year period. Prior to July 1, 2006, changes in the funded actuarial accrued liability due to changes in benefits, actuarial assumptions, the asset valuation method, or actuarial gains or losses shall be measured and amortized over a twenty-five-year period beginning on the valuation date of such change. Beginning July 1, 2006, any existing unfunded liabilities shall be reinitialized and amortized over a thirty-year period, and during each subsequent actuarial valuation, changes in the funded actuarial accrued liability due to changes in benefits, actuarial assumptions, the asset valuation method, or actuarial gains or losses shall be measured and amortized over a thirty-year period beginning on the valuation date of such change. If the unfunded actuarial accrued liability under the entry age actuarial cost method is zero or less than zero on an actuarial valuation date, then all prior unfunded actuarial accrued liabilities shall be considered fully funded and the unfunded actuarial accrued liability shall be reinitialized and amortized over a thirty-year period as of the actuarial valuation date. If the actuarially required contribution rate exceeds the rate of all contributions required pursuant to the Judges Retirement Act, there shall be a supplemental appropriation sufficient to pay for the differences between the actuarially required contribution rate and the rate of all contributions required pursuant to the Judges Retirement Act.

(10) The state or county shall pick up the member contributions required by this section for all compensation paid on or after January 1, 1985, and the contributions so picked up shall be treated as employer contributions in determining federal tax treatment under the Internal Revenue Code as defined in section 49-801.01, except that the state or county shall continue to withhold federal income taxes based upon these contributions until the Internal Revenue Service or the federal courts rule that, pursuant to section 414(h) of the code, these contributions shall not be included as gross income of the member until such time as they are distributed or made available. The state or county shall pay these member contributions from the same source of funds which is used in paying earnings to the member. The state or county shall pick up these contributions by a compensation deduction through a reduction in the compensation of the member. Member contributions picked up shall be treated for all purposes of the Judges Retirement Act in the same manner and to the extent as member contributions made prior to the date picked up.

Sec. 3. Sections 2 and 6 of this act become operative on July 1, 2009. The other sections of this act become operative on their effective date.

Sec. 4. This act shall be considered a complete act and its provisions inseverable. If any provision of this act is declared unconstitutional, the entire act shall be invalid.

Sec. 5. Original section 24-201.01, Reissue Revised Statutes of Nebraska, is repealed.

Sec. 6. Original section 24-703, Reissue Revised Statutes of Nebraska, is repealed.

Sec. 7. Since an emergency exists, this act takes effect when passed and approved according to law.
