Be it enacted by the people of the State of Nebraska,

Section 1. Sections 1 to 12 of this act shall be known and may be cited as the Employee Classification Act.

Sec. 2. For purposes of the Employee Classification Act:

- (1) Commissioner means the Commissioner of Labor;
- (2) Construction has the same meaning as in section 48-2103;
- (3) Contractor means an individual, partnership, limited liability company, corporation, or other business entity engaged in a delivery service or a construction contractor business, as contractor is defined in section 48-2103, and includes any subcontractor performing services for a contractor;
- (4) Delivery service means the transport and delivery of goods, products, supplies, or raw materials upon the highways of this state;
- (5) Department means the Department of Labor; and
- (6) Performing services means the performance of construction labor or delivery services for remuneration.

Sec. 3. (1) An individual performing construction labor services for a contractor is presumed an employee and not an independent contractor for purposes of the Employee Classification Act, unless:

- (a) The individual meets the criteria found in subdivision (5) of section 48-604;
- (b) The individual has been registered as a contractor pursuant to the Contractor Registration Act prior to commencing construction work for the contractor; and
- (c) The individual has been assigned a combined tax rate pursuant to subdivision (4) of section 48-649 or is exempted from unemployment insurance coverage pursuant to subdivision (6) of section 48-604.

(3) The Employee Classification Act shall not be construed to affect or apply to a common-law or statutory action providing for recovery in tort and shall not be construed to affect or change the common-law interpretation of independent contractor status as it relates to tort liability or a workers' compensation claim. The act shall also not be construed to affect or alter the use of the term independent contractor as interpreted by the Department of Revenue and shall not be construed to affect any action brought pursuant to the Nebraska Revenue Act of 1967.

Sec. 4. It is a violation of the Employee Classification Act for a contractor to designate an individual as an independent contractor who would be properly classified as an employee under section 3 of this act.

Sec. 5. The department shall establish and operate a hotline and web site for individuals to report suspected violations of the Employee Classification Act. The hotline and web site may be operated in conjunction with the requirements of the Contractor Registration Act. At a minimum, the department shall require the reporting individual to provide contact information and a description of the suspected violation including the name of the business and job site location. Except to the extent needed in any administrative hearing, civil action, or criminal proceeding brought to enforce the Employment Security Law, Nebraska Revenue Act of 1967, or Nebraska Workers' Compensation Act, information obtained by the department under this section or obtained from any individual pursuant to the administration of the Employee Classification Act shall be held confidential.

Sec. 6. The department shall timely investigate all credible reports made pursuant to section 5 of this act.

Sec. 7. In addition to any other fines or penalties provided by law, if the commissioner finds, after notice and hearing, that a contractor has violated the Employee Classification Act, the contractor shall be assessed, by

the commissioner, a five-hundred-dollar fine per each misclassified individual for the first offense and a five-thousand-dollar fine per each misclassified individual for each second and subsequent offense.

Sec. 8. Upon finding a contractor has violated the Employee Classification Act, the commissioner shall instigate proceedings pursuant to the Employment Security Law to collect any unpaid combined taxes plus interest. The commissioner shall share any violations with the Department of Revenue for analysis of violations of the Nebraska Revenue Act of 1967 and with the Nebraska Workers' Compensation Court. Upon receipt, the Department of Revenue shall promptly investigate and, if appropriate, proceed with the collection of any income tax not withheld plus interest and penalties. The commissioner, Department of Revenue, and Nebraska Workers' Compensation Court shall refer any violation reasonably believed to be a civil or criminal violation of the Employment Security Law, the Nebraska Revenue Act of 1967, the Nebraska Workers' Compensation Act, or another law to the appropriate prosecuting authority for appropriate action.

Sec. 9. The department shall annually provide a report to the Legislature regarding compliance with and enforcement of the Employee Classification Act. The report shall include, but not be limited to, the number of reports received from both its hotline and web site, the number of investigated reports, the findings of the reports, the amount of combined tax, interest, and fines collected, the number of referrals to the Department of Revenue, Nebraska Workers' Compensation Court, and appropriate prosecuting authority, and the outcome of such referrals.

Sec. 10. Every contractor shall post in a conspicuous place at the job site or place of business in English and Spanish the following notice:

(1) Every individual working for a contractor has the right to be properly classified by the contractor as an employee rather than an independent contractor if the individual does not meet the requirements of an independent contractor under the law known as the Employee Classification Act.

(2) If you believe you or someone else has not been properly classified as an employee or an independent contractor under the Employee Classification Act, contact the Department of Labor.

Sec. 11. Any contract between the state or a political subdivision and a contractor shall require that each contractor who performs construction or delivery service pursuant to the contract submit to the state or political subdivision an affidavit attesting that (1) each individual performing services for such contractor is properly classified under the Employee Classification Act, (2) such contractor has completed a federal I-9 immigration form and has such form on file for each employee performing services, (3) such contractor has complied with section 4-114, (4) such contractor has no reasonable basis to believe that any individual performing services for such contractor is an undocumented worker, and (5) as of the time of the contract, such contractor is not barred from contracting with the state or any political subdivision pursuant to section 12 of this act. Such contract shall also require that the contractor follow the provisions of the Employee Classification Act. A violation of the act by a contractor is grounds for rescission of the contract by the state or political subdivision.

Sec. 12. Any contractor who knowingly provides a false affidavit under section 11 of this act to the state or political subdivision shall be subject to the penalties of perjury and upon a second or subsequent violation shall be barred from contracting with the state or any political subdivision for a period of three years after the date of discovery of the falsehood.

Sec. 13. Section 48-2115, Revised Statutes Supplement, 2009, is amended to read:

The Tax Commissioner in his or her discretion may waive all or part of any penalties provided by the provisions of such act or interest on delinquent taxes specified in section 45-104.02, as such rate may from time to time be adjusted.

(15) (a) The purpose of this subsection is to set forth the state's policy for the protection of the confidentiality rights of all participants in the system operated pursuant to the streamlined sales and use tax agreement and of the privacy interests of consumers who deal with model 1 sellers.

With very limited exceptions, a certified service provider shall perform its tax calculation, remittance, and reporting functions without retaining the personally identifiable information of consumers.

(d) The governing board of the member states in the streamlined sales and use tax agreement may certify a certified service provider only if that certified service provider certifies that:

(ii) Personally identifiable information is only used and retained to the extent necessary for the administration of model 1 with respect to exempt purchasers;

(iii) It provides consumers clear and conspicuous notice of its information practices, including what information it collects, how it collects the information, how it uses the information, how long, if at all, it retains the information, and whether it discloses the information to member states. Such notice shall be satisfied by a written privacy policy statement accessible by the public on the web site of the certified service provider;

(iv) Its collection, use, and retention of personally identifiable information is limited to that required by the member states to ensure the validity of exemptions from taxation that are claimed by reason of a consumer's status or the intended use of the goods or services purchased; and

(v) It provides adequate technical, physical, and administrative safeguards so as to protect personally identifiable information from unauthorized access and disclosure.

(e) The state shall provide public notification to consumers, including exempt purchasers, of the state's practices relating to the collection, use, and retention of personally identifiable information.

(f) When any personally identifiable information that has been collected and retained is no longer required for the purposes set forth in subdivision (15)(d)(iv) of this section, such information shall no longer be retained by the member states.

(g) When personally identifiable information regarding an individual is retained by or on behalf of the state, it shall provide reasonable access by such individual to his or her own information in the state's possession and a right to correct any inaccurately recorded information.

(h) If anyone other than a member state, or a person authorized by that state's law or the agreement, seeks to discover personally identifiable information, the state from whom the information is sought should make a reasonable and timely effort to notify the individual of such request.

(i) This privacy policy is subject to enforcement by the Attorney General.

(j) All other laws and regulations regarding the collection, use,

Sec. 15. Section 77-27,119, Reissue Revised Statutes of Nebraska, is amended to read:

77-27,119 (1) The Tax Commissioner shall administer and enforce the income tax imposed by sections 77-2714 to 77-27,135, and he or she is authorized to conduct hearings, to adopt and promulgate such rules and regulations, and to require such facts and information to be reported as he or she may deem necessary to enforce the income tax provisions of such sections, except that such rules, regulations, and reports shall not be inconsistent with the laws of this state or the laws of the United States. The Tax Commissioner may for enforcement and administrative purposes divide the state into a reasonable number of districts in which branch offices may be maintained.

(2)(a) The Tax Commissioner may prescribe the form and contents of any return or other document required to be filed under the income tax provisions. Such return or other document shall be compatible as to form and content with the return or document required by the laws of the United States. The form shall have a place where the taxpayer shall designate the high school district in which he or she lives and the county in which the high school district is headquartered. The Tax Commissioner shall adopt and promulgate such rules and regulations as may be necessary to insure compliance with this requirement.

(b) The State Department of Education, with the assistance and cooperation of the Department of Revenue, shall develop a uniform system for numbering all school districts in the state. Such system shall be consistent with the data processing needs of the Department of Revenue and shall be used for the school district identification required by subdivision (a) of this subsection.

(c) The proper filing of an income tax return shall consist of the submission of such form as prescribed by the Tax Commissioner or an exact facsimile thereof with sufficient information provided by the taxpayer on the face of the form from which to compute the actual tax liability. Each taxpayer shall include such taxpayer's correct social security number or state identification number and the school district identification number of the school district in which the taxpayer resides on the face of the form. A filing is deemed to occur when the required information is provided.

(3) The Tax Commissioner, for the purpose of ascertaining the correctness of any return or other document required to be filed under the income tax provisions, for the purpose of determining corporate income, individual income, and withholding tax due, or for the purpose of making an estimate of taxable income of any person, shall have the power to examine or to cause to have examined, by any agent or representative designated by him or her for that purpose, any books, papers, records, or memoranda bearing upon such matters and may by summons require the attendance of the person responsible for rendering such return or other document or remitting any tax, or any officer or employee of such person, or the attendance of any other person having knowledge in the premises, and may take testimony and require proof material for his or her information, with power to administer oaths or affirmations to such person or persons.

(4) The time and place of examination pursuant to this section shall be such time and place as may be fixed by the Tax Commissioner and as are reasonable under the circumstances. In the case of a summons, the date fixed for appearance before the Tax Commissioner shall not be less than twenty days from the time of service of the summons.

(5) No taxpayer shall be subjected to unreasonable or unnecessary examinations or investigations.

The officers charged with the custody of such reports and returns shall not be required to produce any of them or evidence of anything contained in them in any action or proceeding in any court, except on behalf of the Tax Commissioner in an action or proceeding under the provisions of the tax law to which he or she is a party or on behalf of any party to any action or proceeding under such sections when the reports or facts shown thereby are directly involved in such action or proceeding, in either of which events the court may require the production of, and may admit in evidence, so much of such reports or of the facts shown thereby as are pertinent to the action or proceeding and no more. Nothing in this section shall be construed (a) to prohibit the delivery to a taxpayer, his or her duly authorized representative, or his or her successors, receivers, trustees, personal representatives, administrators, assignees, or guarantors, if directly interested, of a certified copy of any return or report in connection with his or her tax, (b) to prohibit the publication of statistics so classified as to prevent the identification of particular reports or returns and the items thereof, (c) to prohibit the inspection by the Attorney General, other legal representatives of the state, or a county attorney of the report or return of any taxpayer who brings an action to review the tax based thereon, against whom an action or proceeding for collection of tax has been instituted, or against whom an action, proceeding, or prosecution for failure to comply with the Nebraska Revenue Act of 1967 is being considered or has been commenced, (d) to prohibit furnishing to the Nebraska Workers' Compensation Court the names, addresses, and identification numbers of employers, and such information shall be furnished on request of the court, (e) to prohibit the disclosure of information and records to a collection agency contracting with the Tax Commissioner pursuant to sections 77-377.01 to 77-377.04, (f) to prohibit the disclosure of information pursuant to section 77-27,195, 77-4110, or 77-5731, (g) to prohibit the disclosure to the Public Employees Retirement Board of the addresses of individuals who are members of the retirement systems administered by the board, and such information shall be furnished to the board solely for purposes of its administration of the retirement systems upon written request, which request shall include the name and social security number of each individual for whom an address is requested, (h) to prohibit the disclosure to the Department of Labor of tax return information pertaining to individuals, corporations, and businesses determined by the Department of Labor to be delinquent in the payment of combined tax or in the repayment of benefit overpayments, and such disclosure shall be strictly limited to information necessary for the administration of the Employment Security Law, to prohibit the disclosure of information to the Department of Labor necessary for the administration of the Employment Security Law, the Contractor Registration Act, or the Employee Classification Act, (i) to prohibit the disclosure to the Department of Motor Vehicles of tax return information pertaining to individuals, corporations, and businesses determined by the Department of Motor Vehicles to be delinquent in the payment of amounts due under agreements pursuant to the International Fuel Tax Agreement Act, and such disclosure shall be strictly limited to information necessary for the administration of the act, or (j) to prohibit the disclosure under section 42-358.08, 43-512.06, or 43-3327 to any court-appointed individuals, the county attorney, any authorized attorney, or the Department of Health and Human Services of an absent parent's address, social security number, amount of income, health insurance information, and employer's name and address for the exclusive purpose of establishing and collecting child, spousal, or medical support. Information so obtained shall be used for no other purpose. Any person who violates this subsection shall be guilty of a felony and shall upon conviction thereof be fined not less than one hundred dollars nor more than five hundred dollars, or be imprisoned not more than five years, or be both so fined and imprisoned, in the discretion of the court and shall be assessed the costs of prosecution. If the offender is an officer or employee of the state, he or she shall be dismissed from office and be ineligible to hold any public office in this state for a period of two years thereafter.

(7) Reports and returns required to be filed under income tax provisions of sections 77-2714 to 77-27,135 shall be preserved until the Tax Commissioner orders them to be destroyed.

(8) Notwithstanding the provisions of subsection (6) of this

section, the Tax Commissioner may permit the Secretary of the Treasury of the United States or his or her delegates or the proper officer of any state imposing an income tax, or the authorized representative of either such officer, to inspect the income tax returns of any taxpayer or may furnish to such officer or his or her authorized representative an abstract of the return of income of any taxpayer or supply him or her with information concerning an item of income contained in any return or disclosed by the report of any investigation of the income or return of income of any taxpayer, but such permission shall be granted only if the statutes of the United States or of such other state, as the case may be, grant substantially similar privileges to the Tax Commissioner of this state as the officer charged with the administration of the income tax imposed by sections 77-2714 to 77-27,135.

The Auditor of Public Accounts or Legislative Performance Audit Section shall statistically and randomly select the tax returns and tax return information to be audited based upon a computer tape provided by the Department of Revenue which contains only total population documents without specific identification of taxpayers. The Tax Commissioner shall have the authority to approve the statistical sampling method used by the Auditor of Public Accounts or Legislative Performance Audit Section. Confidential tax returns and tax return information shall be audited only upon the premises of the Department of Revenue. All audit workpapers pertaining to the audit of the Department of Revenue shall be stored in a secure place in the Department of Revenue.

(c) Any person who violates the provisions of this subsection shall be guilty of a Class IV felony and, in the discretion of the court, may be assessed the costs of prosecution.
