(i) A taxpayer's identification number and (A) the nature, source, or amount of his or her income, payments, receipts, deductions, exemptions, credits, assets, liabilities, net worth, tax liability, tax withheld, deficiencies, overassessments, or tax payments, whether the taxpayer's return was, is being, or will be examined or subject to other investigation or processing or (B) any other data received by, recorded by, prepared by, furnished to, or collected by the Tax Commissioner with respect to a return or the determination of the existence or possible existence of liability or the amount of liability of any person for any tax, penalty, interest, fine, forfeiture, or other imposition or offense; and

(ii) Any part of any written determination or any background file document relating to such written determination; and

(c) Tax return or return means any tax or information return or claim for refund required by, provided for, or permitted under sections 77-2701 to 77-2713 which is filed with the Tax Commissioner by, on behalf of, or with respect to any person and any amendment or supplement thereto, including supporting schedules, attachments, or lists which are supplemental to or part of the filed return.

(13) Notwithstanding the provisions of subsection (7) of this section, the Tax Commissioner shall, upon request, provide any municipality which has adopted the local option sales tax under the Local Option Revenue
Act with a list of the names and addresses of the retailers which have collected the local option sales tax for the municipality. The request may be made annually and shall be submitted to the Tax Commissioner on or before June 30 of each year. The information provided by the Tax Commissioner shall indicate only the names and addresses of the retailers. The Tax Commissioner may provide additional information to a municipality so long as the information does not include any data detailing the specific revenue, expenses, or operations of any particular business.

(14) In all proceedings under the Nebraska Revenue Act of 1967, the Tax Commissioner may act for and on behalf of the people of the State of Nebraska. The Tax Commissioner in his or her discretion may waive all or part of any penalties provided by the provisions of such act or interest on delinquent taxes specified in section 45-104.02, as such rate may from time to time be adjusted.

(15) (a) The purpose of this subsection is to set forth the state’s policy for the protection of the confidentiality rights of all participants in the system operated pursuant to the streamlined sales and use tax agreement and of the privacy interests of consumers who deal with model 1 sellers.

(b) For purposes of this subsection:

(i) Anonymous data means information that does not identify a person;

(ii) Confidential taxpayer information means all information that is protected under a member state’s laws, regulations, and privileges; and

(iii) Personally identifiable information means information that identifies a person.

(c) The state agrees that a fundamental precept for model 1 sellers is to preserve the privacy of consumers by protecting their anonymity. With very limited exceptions, a certified service provider shall perform its tax calculation, remittance, and reporting functions without retaining the personally identifiable information of consumers.

(d) The governing board of the member states in the streamlined sales and use tax agreement may certify a certified service provider only if that certified service provider certifies that:

(i) Its system has been designed and tested to ensure that the fundamental precept of anonymity is respected;

(ii) Personally identifiable information is only used and retained to the extent necessary for the administration of model 1 with respect to exempt purchasers and for proper identification of taxing jurisdictions;

(iii) It provides consumers clear and conspicuous notice of its information practices, including what information it collects, how it collects the information, how it uses the information, how long, if at all, it retains the information, and whether it discloses the information to member states. Such notice shall be satisfied by a written privacy policy statement accessible by the public on the web site of the certified service provider;

(iv) Its collection, use, and retention of personally identifiable information is limited to that required by the member states to ensure the validity of exemptions from taxation that are claimed by reason of a consumer’s status or the intended use of the goods or services purchased and for documentation of the correct assignment of taxing jurisdictions; and

(v) It provides adequate technical, physical, and administrative safeguards so as to protect personally identifiable information from unauthorized access and disclosure.

(e) The state shall provide public notification to consumers, including exempt purchasers, of the state’s practices relating to the collection, use, and retention of personally identifiable information.

(f) When personally identifiable information that has been collected and retained is no longer required for the purposes set forth in subdivision (15)(d)(iv) of this section, such information shall no longer be retained by the member states.

(g) When personally identifiable information regarding an individual is retained by or on behalf of the state, it shall provide reasonable access by such individual to his or her own information in the state’s possession and a right to correct any inaccurately recorded information.

(h) If anyone other than a member state, or a person authorized by that state’s law or the agreement, seeks to discover personally identifiable information, the state from whom the information is sought should make a reasonable and timely effort to notify the individual of such request.

(i) This privacy policy is subject to enforcement by the Attorney General.

(j) All other laws and regulations regarding the collection, use, and maintenance of confidential taxpayer information remain fully applicable and binding. Without limitation, this subsection does not enlarge or limit the
state’s authority to:

(i) Conduct audits or other reviews as provided under the agreement and state law;
(ii) Provide records pursuant to the federal Freedom of Information Act, disclosure laws with governmental agencies, or other regulations;
(iii) Prevent, consistent with state law, disclosure of confidential taxpayer information;
(iv) Prevent, consistent with federal law, disclosure or misuse of federal return information obtained under a disclosure agreement with the Internal Revenue Service; and
(v) Collect, disclose, disseminate, or otherwise use anonymous data for governmental purposes.

Sec. 10. Section 77-2712.03, Reissue Revised Statutes of Nebraska, is amended to read:

77-2712.03 (1) The streamlined sales and use tax agreement, as adopted by the streamlined sales tax implementing states on November 12, 2002, including amendments through December 14, 2006, 31, 2009, is hereby ratified by the Legislature. The Governor shall enter into the agreement with one or more states to simplify and modernize sales and use tax administration in order to substantially reduce the burden of tax compliance for all sellers and for all types of commerce. In furtherance of the agreement, the Department of Revenue is authorized to act jointly with other states that are members under Articles VII or VIII of the agreement to establish standards for certification of a certified service provider and certified automated system and establish performance standards for multistate sellers. The department is further authorized to take other actions permissible under law reasonably required to implement the provisions set forth in the agreement. Other actions authorized by this section include, but are not limited to, the adoption and promulgation of rules and regulations and the joint procurement, with other member states, of goods and services in furtherance of the agreement.

(2) The Tax Commissioner or his or her designee and two representatives of the Legislature appointed by the Executive Board of the Legislative Council are authorized to represent Nebraska before the other member states under the agreement. The state also agrees to participate in and comply with the procedures of and decisions made by the governing board of the member states. These provisions of the agreement include the creation of the organization as provided in Article VII of the agreement, the requirements for state entry and withdrawal as provided in Article VIII of the agreement, amendments to the agreement as provided in Article IX of the agreement, and a dispute resolution process as provided in Article X of the agreement.

Sec. 11. Section 77-2756, Reissue Revised Statutes of Nebraska, is amended to read:

77-2756 (1) Except as provided in subsection (2) of this section, every employer or payor required to deduct and withhold income tax under the Nebraska Revenue Act of 1967 shall, for each calendar quarter, on or before the last day of the month following the close of such calendar quarter, file a withholding return as prescribed by the Tax Commissioner and pay over to the Tax Commissioner or to a depository designated by the Tax Commissioner the taxes so required to be deducted and withheld in such form and content as the Tax Commissioner may prescribe and containing such information as the Tax Commissioner deems necessary for the proper administration of the Nebraska Revenue Act of 1967. When the aggregate amount required to be deducted and withheld by any employer or payor for either the first or second month of a calendar quarter exceeds five hundred dollars, the employer or payor shall, by the fifteenth day of the succeeding month, pay over such aggregate amount to the Tax Commissioner or to a depository designated by the Tax Commissioner. The amount so paid shall be allowed as a credit against the liability shown on the employer’s or payor’s quarterly withholding return required by this section. The Tax Commissioner may, by rule and regulation, provide for the filing of returns and the payment of the tax deducted and withheld on other than a quarterly basis.

(2) When the aggregate amount required to be deducted and withheld by any employer or payor for the entire calendar year is less than five hundred dollars or the employer or payor is allowed to form federal withholding returns annually, the employer or payor shall, for each calendar year, on or before the last day of the month following the close of such calendar year, file a withholding return as prescribed by the Tax Commissioner and pay over to the Tax Commissioner or to a depository designated by the Tax Commissioner the taxes so required to be deducted and withheld in such form and content as the Tax Commissioner may prescribe and containing such information as the Tax Commissioner deems necessary for the proper administration of the Nebraska Revenue Act of 1967. The employer or payor
may elect or the Tax Commissioner may require the filing of returns and the payment of taxes on a quarterly basis.

(3) Whenever any employer or payor fails to collect, truthfully account for, pay over, or make returns of the income tax as required by this section, the Tax Commissioner may serve a notice requiring such employer or payor to collect the taxes which become collectible after service of such notice, to deposit such taxes in a bank approved by the Tax Commissioner in a separate account in trust for and payable to the Tax Commissioner, and to keep the amount of such tax in such account until paid over to the Tax Commissioner. Such notice shall remain in effect until a notice of cancellation is served by the Tax Commissioner.

(4) Any employer or payor may appoint an agent in accordance with section 3504 of the Internal Revenue Code of 1986, as amended, for the purpose of withholding, reporting, or making payment of amounts withheld on behalf of the employer or payor. The agent shall be considered an employer or payor for purposes of the Nebraska Revenue Act of 1967 and, with the actual employer or payor, shall be jointly and severally liable for any amount required to be withheld and paid over to the Tax Commissioner and any additions to tax, penalties, and interest with respect thereto.

(5) The employer or payor shall also file on or before March 15 of the succeeding year a copy of each statement furnished by such employer or payor to each employee or payee with respect to taxes withheld on wages or payments subject to withholding. Any employer, payor, or agent who furnished more than two hundred fifty statements for a year shall file the required copies electronically in a manner approved by the Tax Commissioner that is compatible with federal electronic filing requirements or methods. Sec. 12. Section 77-2789, Reissue Revised Statutes of Nebraska, is amended to read:

77-2789 (1) In case of failure to file any income tax return required under the provisions of the Nebraska Revenue Act of 1967 on the date prescribed therefor, determined with regard to any extension of time for filing, unless it is shown that such failure is the result of reasonable cause and not the result of willful neglect, the Tax Commissioner may add to the amount required to be shown as tax on such return, five percent of the amount of such tax if the failure is for not more than one month, with an additional five percent for each additional month or fraction thereof during which such failure continues, not exceeding twenty-five percent in the aggregate. For purposes of this section, the amount of tax required to be shown on the return shall be reduced by the amount of any part of the tax which is paid on or before the date prescribed for payment of the tax and by the amount of any credit against the tax which may be claimed upon the return.

(2) In case of each failure to file a statement of payment to another person, including the duplicate statement of tax withheld on wages, on the date prescribed therefor, determined with regard to any extension of time for filing, unless it is shown that such failure is the result of reasonable cause and not willful neglect, the Tax Commissioner may assess a penalty against the person so failing to file the statement, in the amount of two dollars for each statement not so filed but the total amount imposed on the delinquent person for all such failure during any calendar year shall not exceed two thousand dollars.

(3) In case of failure to file any return for income tax withheld on the date prescribed therefor, determined with regard to any extension of time to file, the Tax Commissioner may add to the amount required to be shown as tax on such return twenty-five dollars or the amount determined under subsection (1) of this section, whichever is greater.

(4) All determinations made by the Tax Commissioner under subsection (3) of this section are due and payable at the time they become final. If they are not paid when final, a penalty of ten percent of the total amount due, exclusive of interest and other penalties, shall be added to the total amount due.

Sec. 13. Section 77-2790, Reissue Revised Statutes of Nebraska, is amended to read:

77-2790 (1)(a) If any part of a deficiency is the result of negligence or intentional disregard of rules and regulations but without intent to defraud, the Tax Commissioner may add to the tax an amount equal to five percent of the deficiency.

(b) If any part of a requested refund is overstated as a result of negligence, material misstatement, or intentional disregard of rules and regulations but without intent to defraud, the Tax Commissioner may add to the tax an amount equal to five percent of the overstatement of the refund.

(2)(a) If any part of a deficiency is the result of fraud, the Tax Commissioner may add to the tax an amount equal to fifty percent of
the deficiency. This amount shall be in lieu of any amount determined under subsection (1) of this section.

(b) If any part of a requested refund is overstated as a result of fraud, the Tax Commissioner may add to the tax an amount equal to fifty percent of the overstatement of the refund. This amount shall be in lieu of any amount determined under subsection (1) of this section.

(3) If any taxpayer fails to pay all or any part of an installment of any tax due or shall be deemed to have made an underpayment of estimated tax. The Tax Commissioner shall determine the amount of underpayment of estimated tax in accordance with the laws of the United States.

(4) If any taxpayer, with intent to evade or defeat any income tax imposed by the Nebraska Revenue Act of 1967 or the payment thereof, claims an excessive number of exemptions or in any other manner overstates the amount of withholding, he or she shall be guilty of a Class II misdemeanor. If any employer or payor, without intent to evade or defeat any income tax imposed by the Nebraska Revenue Act of 1967 or the payment thereof, fails to make a return and pay a tax withheld by him or her at the time required by or under the act, such employer or payor shall be liable for such taxes and shall pay the same together with interest thereon and any addition to tax assessed pursuant to subsection (1) of this section. Such interest and addition to tax shall not be charged to or collected from the employee or payee by the employer or payor. The Tax Commissioner shall have the same rights and powers for the collection of such tax, interest, and addition to tax against such employer or payor as are now prescribed by the act for the collection of income tax against a taxpayer.

(5) If any person required to collect, withhold, truthfully account for, and pay over the income tax imposed by the Nebraska Revenue Act of 1967 willfully fails to collect or withhold such tax or truthfully account for and pay over such tax or willfully attempts in any manner to evade or defeat the tax or the payment thereof, the Tax Commissioner may, in addition to other penalties provided by law, impose, assess, and collect a penalty equal to the total amount of the tax evaded, not collected, not withheld, or not accounted for and paid over. No addition to tax under subsection (1) or (2) of this section shall be imposed for any offense to which this subsection applies.

(6) If any person with fraudulent intent fails to pay, or to deduct or withhold and pay, any income tax, to make, render, sign, or certify any return of estimated tax, or to supply any information within the time required, the Tax Commissioner may impose, assess, and collect a penalty of not more than one thousand dollars, in addition to any other amounts required under the income tax provisions of the Nebraska Revenue Act of 1967.

(7) If any person for frivolous or groundless reasons or with the intent to delay or impede the administration of the Nebraska Revenue Act of 1967 (a) fails to pay over any tax due and owing under such act, (b) fails to file any return required under such act, or (c) files what purports to be a return but which does not contain sufficient information from which to determine the correctness of the self-assessment of tax or which contains information that indicates that the self-assessment of tax is substantially incorrect, such person shall pay a penalty of five hundred dollars for each occurrence. The penalty provided by this subsection shall be in addition to any other penalties provided by law.

(8) Any person who aids, procures, advises, or assists in the preparation of any return, affidavit, refund claim, or other document with the knowledge that its use will result in the material understatement of the tax liability of another person or the material overstatement of the amount of a refund of another person shall, in addition to other penalties provided by law, pay a penalty of one thousand dollars with respect to each separate return or other document.

(a) For the purposes of this subsection, a person furnishing typing, reproducing, or other mechanical assistance shall not be treated as having aided or assisted in the preparation of such document.

(b) A determination of a material deficiency shall not be sufficient to show that a person has aided or assisted in a material understatement of the tax liability of another person.

(c) The penalty in this subsection shall not be imposed more than once on any person for having aided or assisted in the preparation of documents for the same taxpayer, the same tax, and the same tax period regardless of the number of documents involved.

(d) Such penalty shall apply whether or not the understatement is with the consent of the person authorized to present the return, affidavit, refund claim, or other document.

(9) The additions to the income tax and penalties relating thereto provided by the Nebraska Revenue Act of 1967 shall be paid upon notice and
day and shall be assessed, collected, and paid in the same manner as taxes, and any reference in such act to income tax or the tax imposed by the act shall be deemed also to refer to additions to the tax and penalties provided by this section. For purposes of the deficiency procedures provided in section 77-2776, this subsection shall not apply to:

(a) Any addition to tax under subsection (1) or (4) of section 77-2789 except as to that portion attributable to a deficiency;

(b) Any addition to tax for underpayment of estimated tax as provided in subsection (3) of this section; or

(c) Any additional penalty under subsection (6), (7), or (8) of this section.

(10) For purposes of subsections (1) and (2) of this section relating to deficiencies resulting from negligence or fraud, the amount shown as the tax by the taxpayer upon his or her return shall be taken into account in determining the amount of the deficiency only if such return was filed on or before the last day prescribed for the filing of such return determined with regard to any extension of time for such filing.

(11) For purposes of subsections (5) and (6) of this section, the term person shall include an individual, corporation, partnership, or limited liability company, or an officer or employee of any corporation, including a dissolved corporation, or a member or employee of any partnership or limited liability company, who as such officer, employee, or member is under a duty to perform the act in respect of which the violation occurs.

(12) Any person who fails to comply with the reporting or filing requirements of sections 77-2772, 77-2775, and 77-2786 or the rules and regulations adopted and promulgated thereunder, the Tax Commissioner may impose, assess, and collect a penalty against such person for each instance of noncompliance of twenty-five percent of the tax due. Such amount shall be in addition to any other penalty, tax, or interest otherwise imposed by law for such noncompliance.

(13) If any nonresident individual provides false information or statements to an employer or payor regarding the portion of his or her wages or payments that are subject to withholding for this state which if used would result in the amount withheld being less than seventy-five percent of his or her income tax liability on such wages or payments or if any employer or payor uses such information when the employer or payor knows such information is false or maintains records which show such information is false, the Tax Commissioner may, in addition to other penalties provided by law, impose, assess, and collect from such individual, payor, or employer the penalties provided in subsections (5) and (6) of this section.

(14) If any employer or payor employing twenty-five or more employees who is required to withhold and pay over income tax imposed by the Nebraska Revenue Act of 1967 fails to either (a) withhold at least one and one-half percent of the wages of any employee or (b) obtain satisfactory evidence from the employee justifying a lower withholding amount as required by subdivision (1) (b) of section 77-2753, the Tax Commissioner may impose, assess, and collect a penalty of not more than one thousand dollars per violation.

Sec. 14. Section 77-2794, Reissue Revised Statutes of Nebraska, is amended to read:

77-2794 (1) Under regulations prescribed by the Tax Commissioner interest shall be allowed and paid at the rate specified in section 45-104.02, as such rate may from time to time be adjusted, upon any overpayment in respect to the income tax imposed by the Nebraska Revenue Act of 1967.

(2) For purposes of this section:

(a) The date of overpayment shall be the last day prescribed for filing the original return of such tax;

(b) Any return filed before the last day prescribed for the filing thereof, determined without regard to any extension of time to file the return, shall be considered as filed on such last day;

(c) Any tax paid by the taxpayer before the last day prescribed for its payment, any income tax withheld from the taxpayer during any calendar year, and any amount paid by the taxpayer as estimated income tax for a taxable year shall be deemed to have been paid on the last day prescribed for filing the return for the taxable year to which such amount constitutes a credit or payment, determined without regard to any extension of time granted the taxpayer;

(d) If at the time an overpayment is to be refunded, the taxpayer also has a reported underpayment of the same tax in another year: (i) If the overpayment is for a taxable year ending before the year of underpayment, the overpayment shall be applied to reduce such underpayment as of the last day prescribed for filing the original return of such tax for the year of
underpayment; (ii) if the overpayment is for a taxable year ending after the year of underpayment, the overpayment shall be applied to reduce such underpayment as of the last day prescribed for filing the original return of such tax for the year of overpayment; or (iii) if the overpayment is one for which interest is not allowed under this section, the overpayment shall be applied as of the date of the filing of the claim for refund; and interest shall be allowed for any remaining overpayment as provided in subdivision (a) of this subsection;

(e) The period of overpayment during which interest shall be allowed shall not include any period during which the overpayment continued due to the unreasonable delay by the taxpayer in filing the claim for refund. For this purpose, the burden of proof shall be on the taxpayer to show that a delay of more than ninety days after all of the facts required to prepare a correct claim for refund are available is not unreasonable; and

(f) The period of overpayment during which interest shall be allowed shall not include any period during which an agreement between the taxpayer and the Internal Revenue Service was not filed as required by subsection (6) of section 77-2786 and the first ninety days after such agreement is filed.

(3) If the Tax Commissioner approves and implements an electronic form or method for filing the return and the return is not filed electronically, no interest shall be allowed under this section on overpayment.

(c) In the case of amended returns filed for any reason other than to carry back a loss, interest shall be allowed as provided in subsection (1) of this section.

Sec. 15. Section 77-2796, Reissue Revised Statutes of Nebraska, is amended to read:

77-2796 If the Tax Commissioner disallows a claim for refund, he or she shall notify the taxpayer accordingly. The action of the Tax Commissioner denying a claim for refund is final upon the expiration of sixty thirty days after the date when he or she mails notice of his or her action to the taxpayer unless within this period the taxpayer seeks review of the Tax Commissioner's determination as hereinafter provided.

Sec. 16. Section 77-27,100, Reissue Revised Statutes of Nebraska, is amended to read:

77-27,100 The action authorized in section 77-2798 shall be filed within three years from the last date prescribed for filing the return or within one year from the date the tax was paid, or within sixty thirty days after the denial of a claim for refund by the Tax Commissioner.

Sec. 17. Section 77-27,119, Reissue Revised Statutes of Nebraska, is amended to read:

77-27,119 (1) The Tax Commissioner shall administer and enforce the income tax imposed by sections 77-2714 to 77-27,135, and he or she is authorized to conduct hearings, to adopt and promulgate such rules and regulations, and to require such facts and information to be reported as he or she may deem necessary to enforce the income tax provisions of such sections, except that such rules, regulations, and reports shall not be inconsistent with the laws of this state or the laws of the United States. The Tax Commissioner may for enforcement and administrative purposes divide the state into a reasonable number of districts in which branch offices may be maintained.

(a) The Tax Commissioner may prescribe the form and contents of any return or other document required to be filed under the income tax provisions. Such return or other document shall be compatible as to form and content with the return or document required by the laws of the United States. The form shall have a place where the taxpayer shall designate the high school district in which he or she lives and the county in which the high school district is headquartered. The Tax Commissioner shall adopt and promulgate such rules and regulations as may be necessary to insure compliance with this requirement.

(b) The State Department of Education, with the assistance and cooperation of the Department of Revenue, shall develop a uniform system for numbering all school districts in the state. Such system shall be consistent with the data processing needs of the Department of Revenue and shall be used for the school district identification required by subdivision (a) of this
subsection.  
(c) The proper filing of an income tax return shall consist of the submission of such form as prescribed by the Tax Commissioner or an exact facsimile thereof with sufficient information provided by the taxpayer on the face of the form from which to compute the actual tax liability. Each taxpayer shall include such taxpayer’s correct social security number or state identification number and the school district identification number of the school district in which the taxpayer resides on the face of the form. A filing is deemed to occur when the required information is provided.  
(3) The Tax Commissioner, for the purpose of ascertaining the correctness of any return or other document required to be filed under the income tax provisions, for the purpose of determining corporate income, individual income, and withholding tax due, or for the purpose of making an estimate of taxable income of any person, shall have the power to examine or to cause to have examined, by any agent or representative designated by him or her for that purpose, any books, papers, records, or memoranda bearing upon such matters and may by summons require the attendance of the person responsible for rendering such return or other document or remitting any tax, or any officer or employee of such person, or the attendance of any other person having knowledge in the premises, and may take testimony and require proof material for his or her information, with power to administer oaths or affirmations to such person or persons.  
(4) The time and place of examination pursuant to this section shall be such time and place as may be fixed by the Tax Commissioner and as are reasonable under the circumstances. In the case of a summons, the date fixed for appearance before the Tax Commissioner shall not be less than twenty days from the time of service of the summons.  
(5) No taxpayer shall be subjected to unreasonable or unnecessary examinations or investigations.  
(6) Except in accordance with proper judicial order or as otherwise provided by law, it shall be unlawful for the Tax Commissioner, any officer or employee of the Tax Commissioner, any person engaged or retained by the Tax Commissioner on an independent contract basis, any person who pursuant to this section is permitted to inspect any report or return or to whom a copy, an abstract, or a portion of any report or return is furnished, any employee of the State Treasurer or the Department of Administrative Services, or any other person to divulge, make known, or use in any manner the amount of income or any particulars set forth or disclosed in any report or return required except for the purpose of enforcing sections 77-2714 to 77-27,135. The officers charged with the custody of such reports and returns shall not be required to produce any of them or evidence of anything contained in them in any action or proceeding in any court, except on behalf of the Tax Commissioner in an action or proceeding under the provisions of the tax law to which he or she is a party or on behalf of any party to any action or proceeding under such sections when the reports or facts shown thereby are directly involved in such action or proceeding, in either of which events the court may require the production of, and may admit in evidence, so much of such reports or of the facts as are pertinent to the action or proceeding and no more. Nothing in this section shall be construed (a) to prohibit the delivery to a taxpayer, his or her duly authorized representative, or his or her successors, receivers, trustees, personal representatives, administrators, assignees, or guarantors, if directly interested, of a certified copy of any return or report in connection with his or her tax, (b) to prohibit the publication of statistics so classified as to prevent the identification of particular reports or returns and the items thereof, (c) to prohibit the inspection by the Attorney General, other legal representatives of the state, or a county attorney of the report or return of any taxpayer who brings an action to review the tax based thereon, against whom an action or proceeding for collection of tax has been instituted, or against whom an action, proceeding, or prosecution for failure to comply with the Nebraska Revenue Act of 1967 is being considered or has been commenced, (d) to prohibit furnishing to the Nebraska Workers’ Compensation Court the names, addresses, and identification numbers of employers, and such information shall be furnished on request of the court, (e) to prohibit the disclosure of information and records or a collection agency contracting with the Tax Commissioner pursuant to sections 77-377.01 to 77-377.04, (f) to prohibit the disclosure of information pursuant to section 77-27,195, 77-4110, or 77-5731, (g) to prohibit the disclosure to the Public Employees Retirement Board of the addresses of individuals who are members of the retirement systems administered by the board, and such information shall be furnished to the board solely for purposes of its administration of the retirement systems upon written request, which request shall include the name and social security number of each individual for whom
an address is requested, (h) to prohibit the disclosure of information to the Department of Labor necessary for the administration of the Employment Security Law or the Contractor Registration Act, to prohibit the disclosure to the Department of Labor of tax return information pertaining to individuals, corporations, and businesses determined by the Department of Labor to be delinquent in the payment of combined tax or in the repayment of benefit overpayments, and such disclosure shall be strictly limited to information necessary for the administration of the Employment Security Law. (i) to prohibit the disclosure to the Department of Motor Vehicles of tax return information pertaining to individuals, corporations, and businesses determined by the Department of Motor Vehicles to be delinquent in the payment of amounts due under agreements pursuant to the International Fuel Tax Agreement Act, and such disclosure shall be strictly limited to information necessary for the administration of the act, or (j) to prohibit the disclosure under section 42-358.08, 43-512.06, or 43-3327 to any court-appointed individuals, the county attorney, any authorized attorney, or the Department of Health and Human Services of an absent parent’s address, social security number, amount of income, health insurance information, and employer’s name and address for the exclusive purpose of establishing and collecting child, spousal, or medical support. Information so obtained shall be used for no other purpose. Any person who violates this subsection shall be guilty of a felony and shall upon conviction thereof be fined not less than one hundred dollars nor more than five hundred dollars, or be imprisoned not more than five years, or be both so fined and imprisoned in the discretion of the court and shall by assessed the costs of prosecution. If the offender is an officer or employee of the state, he or she shall be dismissed from office and be ineligible to hold any public office in this state for a period of two years thereafter.

(7) Reports and returns required to be filed under income tax provisions of sections 77-2714 to 77-27,135 shall be preserved until the Tax Commissioner orders them to be destroyed.

(8) Notwithstanding the provisions of subsection (6) of this section, the Tax Commissioner may permit the Secretary of the Treasury of the United States or his or her delegates or the proper officer of any state imposing an income tax, or the authorized representative of either such officer, to inspect the income tax returns of any taxpayer or may furnish to such officer or his or her authorized representative an abstract of the return of income of any taxpayer or supply him or her with information concerning an item of income contained in any return or disclosed by the report of any investigation of the income or return of income of any taxpayer, but such permission shall be granted only if the statutes of the United States or of such other state, as the case may be, grant substantially similar privileges to the Tax Commissioner of this state as the officer charged with the administration of the income tax imposed by sections 77-2714 to 77-27,135.

(9) Notwithstanding the provisions of subsection (6) of this section, the Tax Commissioner may permit the Postal Inspector of the United States Postal Service or his or her delegates to inspect the reports or returns of any person filed pursuant to the Nebraska Revenue Act of 1967 when inspection on the reports or returns is relevant to any action or proceeding instituted or being considered by the United States Postal Service against such person for the fraudulent use of the mails to carry and deliver false and fraudulent tax returns to the Tax Commissioner with the intent to defraud the State of Nebraska or to evade the payment of Nebraska state taxes.
