

AMENDMENTS TO LB 1067

(Amendments to Standing Committee amendments, AM1961)

Introduced by Karpisek

1           1. Strike the original sections and all amendments  
2 thereto and insert the following new sections:

3           Section 1. Section 9-607, Revised Statutes Supplement,  
4 2011, is amended to read:

5           9-607 (1) Lottery shall mean a gambling scheme in which:

6           (a) The players pay or agree to pay something of value  
7 for an opportunity to win;

8           (b) Winning opportunities are represented by tickets;

9           (c) Winners are solely determined by one of the following  
10 two methods:

11           (i) By a random drawing of tickets differentiated by  
12 sequential enumeration from a receptacle by hand whereby each  
13 ticket has an equal chance of being chosen in the drawing; or

14           (ii) By use of a game known as keno in which a player  
15 selects up to twenty numbers from a total of eighty numbers on a  
16 paper ticket and a computer, other electronic selection device, or  
17 electrically operated blower machine which is not player-activated  
18 randomly selects up to twenty numbers from the same pool of  
19 eighty numbers and the winning players are determined by the  
20 correct matching of the numbers on the paper ticket selected by  
21 the players with the numbers randomly selected by the computer,  
22 other electronic selection device, or electrically operated blower

1 machine, except that (A) no keno game shall permit or require  
2 player activation of lottery equipment and (B) the random selection  
3 of numbers by the computer, other electronic selection device, or  
4 electrically operated blower machine shall not occur within five  
5 minutes of the completion of the previous selection of random  
6 numbers unless another time limit applies pursuant to subsection  
7 (5) of this section; and

8 (d) The holders of the winning paper tickets are to  
9 receive cash or prizes redeemable for cash. Selection of a winner  
10 or winners shall be predicated solely on chance.

11 (2) Lottery shall not include:

12 (a) Any gambling scheme which uses any mechanical gaming  
13 device, computer gaming device, electronic gaming device, or video  
14 gaming device which has the capability of awarding something of  
15 value, free games redeemable for something of value, or tickets or  
16 stubs redeemable for something of value;

17 (b) Any activity authorized or regulated under the  
18 Nebraska Bingo Act, the Nebraska Lottery and Raffle Act, the  
19 Nebraska Pickle Card Lottery Act, the Nebraska Small Lottery and  
20 Raffle Act, the State Lottery Act, section 9-701, or Chapter 2,  
21 article 12; or

22 (c) Any activity prohibited under Chapter 28, article 11.

23 (3) Notwithstanding the requirement in subdivision  
24 (1)(c)(ii) of this section that a player select up to twenty  
25 numbers, a player may select more than twenty numbers on a paper  
26 ticket when a top or bottom, left or right, edge, or way ticket  
27 is played. For a top or bottom ticket, the player shall select

1 all numbers from one through forty or all numbers from forty-one  
2 through eighty. For a left or right ticket, the player shall select  
3 all numbers ending in one through five or all numbers ending in  
4 six through zero. For an edge ticket, the player shall select all  
5 of the numbers comprising the outside edge of the ticket. For a way  
6 ticket, the player shall select a combination of groups of numbers  
7 in multiple ways on a single ticket.

8 (4) A county, city, or village conducting a keno lottery  
9 shall designate the method of winning number selection to be used  
10 in the lottery and submit such designation in writing to the  
11 department prior to conducting a keno lottery. Only those methods  
12 of winning number selection described in subdivision (1)(c)(ii) of  
13 this section shall be permitted, and the method of winning number  
14 selection initially utilized may only be changed once during that  
15 business day as set forth in the designation. A county, city, or  
16 village shall not change the method or methods of winning number  
17 selection filed with the department or allow it to be changed  
18 once such initial designation has been made unless (a) otherwise  
19 authorized in writing by the department based upon a written  
20 request from the county, city, or village or (b) an emergency  
21 arises in which case a ball draw method of number selection would  
22 be switched to a number selection by a random number generator.  
23 An emergency situation shall be reported by the county, city,  
24 or village to the department within twenty-four hours of its  
25 occurrence.

26 (5) The governing body of a county, city, or village  
27 conducting a keno lottery under this section may submit the issue

1 of changing the time between random selection of numbers by the  
2 computer under subdivision (1)(c)(ii)(B) of this section from five  
3 minutes to four minutes or three minutes. The governing body may  
4 submit the question of four minutes or the question of three  
5 minutes to the registered voters of the county, city, or village at  
6 a special, primary, or general election pursuant to section 32-559  
7 once per calendar year.

8           Sec. 2. Original section 9-607, Revised Statutes  
9 Supplement, 2011, is repealed.
