LB 653 would allow natural resources districts (NRDs) and irrigation districts to enter into written agreement to allow interbasin transfers of water. The Department of Natural Resources estimates that the provisions of LB 653 would not have a fiscal impact. There may be a fiscal impact to NRDs or irrigation districts if such an agreement would be carried out, but actual costs would depend upon the nature of the projects.

DEPARTMENT OF NATURAL RESOURCES: I have no basis to disagree with DNR's statement.
