Be it enacted by the people of the State of Nebraska,

Section 1. Section 13-324, Reissue Revised Statutes of Nebraska, is amended to read:

13-324 (1) The Tax Commissioner shall administer all sales and use taxes adopted under section 13-319. The Tax Commissioner may prescribe forms and adopt and promulgate reasonable rules and regulations in conformity with the Nebraska Revenue Act of 1967, as amended, for the making of returns and for the ascertainment, assessment, and collection of taxes. The county shall furnish a certified copy of the adopting or repealing resolution to the Tax Commissioner in accordance with such rules and regulations. The tax shall begin the first day of the next calendar quarter which is at least one hundred twenty days following receipt by the Tax Commissioner of the certified copy of the adopted resolution. The Tax Commissioner shall provide at least sixty days' notice of the adoption of the tax or a change in the rate to retailers. Notice shall be provided to retailers within the county. Notice to retailers may be provided through the web site of the Department of Revenue or by other electronic means.

(2) For resolutions containing a termination date, the termination date is the first day of a calendar quarter. The county shall furnish a certified statement to the Tax Commissioner no more than one hundred eighty days and at least one hundred twenty days before the termination date that the termination date stated in the resolution is still valid. If the certified statement is not furnished within the prescribed time, the tax shall remain in effect, and the Tax Commissioner shall continue to collect the tax until the first day of the calendar quarter which is at least one hundred twenty days after receipt of the certified statement notwithstanding the termination date stated in the resolution. The Tax Commissioner shall provide at least sixty days' notice of the termination of the tax to retailers. Notice shall be provided to retailers within the county. Notice to retailers may be provided through the web site of the department or other electronic means.

~~(3) In the rental or lease of automobiles, trucks, trailers, semitrailers, and truck-tractors as defined in the Motor Vehicle Registration Act, the tax shall be collected by the lessor on the rental or lease price at the tax rate in effect on the date the automobile, truck, trailer, semitrailer, or truck-tractor is delivered to the lessee.~~

~~(4)~~ (3) The Tax Commissioner shall collect the sales and use tax concurrently with collection of a state tax in the same manner as the state tax is collected. The Tax Commissioner shall remit monthly the proceeds of the tax to the counties imposing the tax, after deducting the amount of refunds made and three percent of the remainder as an administrative fee necessary to defray the cost of collecting the tax and the expenses incident thereto. The Tax Commissioner shall keep full and accurate records of all money received and distributed. All receipts from the three-percent administrative fee shall be deposited in the state General Fund.

~~(5)~~ (4) Upon any claim of illegal assessment and collection, the taxpayer has the same remedies provided for claims of illegal assessment and collection of the state tax. It is the intention of the Legislature that the provisions of law which apply to the recovery of state taxes illegally assessed and collected apply to the recovery of sales and use taxes illegally assessed and collected under section 13-319.

~~(6)~~ (5) Boundary changes or the adoption of a sales and use tax by an incorporated municipality that affects any tax imposed by this section shall be governed as provided in subsections (3) through (10) of section 77-27,143.

Sec. 2. Section 13-2814, Reissue Revised Statutes of Nebraska, is amended to read:

13-2814 (1) The Tax Commissioner shall administer all sales and

use taxes adopted under section 13-2813. The Tax Commissioner may prescribe forms and adopt and promulgate rules and regulations in conformity with the Nebraska Revenue Act of 1967, as amended, for the making of returns and for the ascertainment, assessment, and collection of taxes. The council shall furnish a certified copy of the adopting or repealing resolution to the Tax Commissioner in accordance with such rules and regulations. The tax shall begin the first day of the next calendar quarter following receipt by the Tax Commissioner of the certified copy of the adopted resolution if the certified copy of the adopted resolution is received sixty days prior to the start of the next calendar quarter.

(2) For resolutions containing a termination date, the termination date is the first day of a calendar quarter. The council shall furnish a certified statement to the Tax Commissioner no more than one hundred twenty days and at least sixty days before the termination date stating that the termination date in the resolution is still valid. If the certified statement is not furnished within the prescribed time, the tax shall remain in effect and the Tax Commissioner shall continue to collect the tax until the first day of the calendar quarter which is at least sixty days after receipt of the certified statement notwithstanding the termination date stated in the resolution.

~~(3) In the rental or lease of automobiles, trucks, trailers, semitrailers, and truck-tractors as defined in the Motor Vehicle Registration Act, the tax shall be collected by the lessor on the rental or lease price at the tax rate in effect on the date the automobile, truck, trailer, semitrailer, or truck-tractor is delivered to the lessee.~~

~~(4)~~ (3) The Tax Commissioner shall collect the sales and use tax concurrently with collection of a state tax in the same manner as the state tax is collected. The Tax Commissioner shall remit monthly the proceeds of the tax to the municipal county imposing the tax, after deducting the amount of refunds made and three percent of the remainder as an administrative fee necessary to defray the cost of collecting the tax and the expenses incident thereto. The Tax Commissioner shall keep full and accurate records of all money received and distributed. All receipts from the three percent administrative fee shall be deposited in the Municipal Equalization Fund.

~~(5)~~ (4) Upon any claim of illegal assessment and collection, the taxpayer has the same remedies as provided for claims of illegal assessment and collection of the state tax. It is the intention of the Legislature that the provisions of law which apply to the recovery of state taxes illegally assessed and collected apply to the recovery of sales and use taxes illegally assessed and collected under section 13-2813.

Sec. 3. Section 77-2703, Reissue Revised Statutes of Nebraska, is amended to read:

77-2703 (1) There is hereby imposed a tax at the rate provided in section 77-2701.02 upon the gross receipts from all sales of tangible personal property sold at retail in this state; the gross receipts of every person engaged as a public utility, as a community antenna television service operator, or as a satellite service operator, any person involved in the connecting and installing of the services defined in subdivision (2)(a), (b), (d), or (e) of section 77-2701.16, or every person engaged as a retailer of intellectual or entertainment properties referred to in subsection (3) of section 77-2701.16; the gross receipts from the sale of admissions in this state; the gross receipts from the sale of warranties, guarantees, service agreements, or maintenance agreements when the items covered are subject to tax under this section; beginning January 1, 2008, the gross receipts from the sale of bundled transactions when one or more of the products included in the bundle are taxable; the gross receipts from the provision of services defined in subsection (4) of section 77-2701.16; and the gross receipts from the sale of products delivered electronically as described in subsection (9) of section 77-2701.16. Except as provided in section 77-2701.03, when there is a sale, the tax shall be imposed at the rate in effect at the time the gross receipts are realized under the accounting basis used by the retailer to maintain his or her books and records.

(a) The tax imposed by this section shall be collected by the retailer from the consumer. It shall constitute a part of the purchase price and until collected shall be a debt from the consumer to the retailer and shall be recoverable at law in the same manner as other debts. The tax required to be collected by the retailer from the consumer constitutes a debt owed by the retailer to this state.

(b) It is unlawful for any retailer to advertise, hold out, or state to the public or to any customer, directly or indirectly, that the tax or part thereof will be assumed or absorbed by the retailer, that it will not be added to the selling, renting, or leasing price of the property sold, rented,

or leased, or that, if added, it or any part thereof will be refunded. The provisions of this subdivision shall not apply to a public utility.

(c) The tax required to be collected by the retailer from the purchaser, unless otherwise provided by statute or by rule and regulation of the Tax Commissioner, shall be displayed separately from the list price, the price advertised in the premises, the marked price, or other price on the sales check or other proof of sales, rentals, or leases.

(d) For the purpose of more efficiently securing the payment, collection, and accounting for the sales tax and for the convenience of the retailer in collecting the sales tax, it shall be the duty of the Tax Commissioner to provide a schedule or schedules of the amounts to be collected from the consumer or user to effectuate the computation and collection of the tax imposed by the Nebraska Revenue Act of 1967. Such schedule or schedules shall provide that the tax shall be collected from the consumer or user uniformly on sales according to brackets based on sales prices of the item or items. Retailers may compute the tax due on any transaction on an item or an invoice basis. The rounding rule provided in section 77-3,117 applies.

(e) The use of tokens or stamps for the purpose of collecting or enforcing the collection of the taxes imposed in the Nebraska Revenue Act of 1967 or for any other purpose in connection with such taxes is prohibited.

(f) For the purpose of the proper administration of the provisions of the Nebraska Revenue Act of 1967 and to prevent evasion of the retail sales tax, it shall be presumed that all gross receipts are subject to the tax until the contrary is established. The burden of proving that a sale of property is not a sale at retail is upon the person who makes the sale unless he or she takes from the purchaser (i) a resale certificate to the effect that the property is purchased for the purpose of reselling, leasing, or renting it, (ii) an exemption certificate pursuant to subsection (7) of section 77-2705, or (iii) a direct payment permit pursuant to sections 77-2705.01 to 77-2705.03. Receipt of a resale certificate, exemption certificate, or direct payment permit shall be conclusive proof for the seller that the sale was made for resale or was exempt or that the tax will be paid directly to the state.

(g) In the rental or lease of automobiles, trucks, trailers, semitrailers, and truck-tractors as defined in the Motor Vehicle Registration Act, the tax shall be collected by the lessor on the rental or lease price, at the tax rate in effect on the date the automobile, truck, trailer, semitrailer, or truck-tractor is delivered to the lessee, except as otherwise provided within this section.

(h) In the rental or lease of automobiles, trucks, trailers, semitrailers, and truck-tractors as defined in the act, for periods of one year or more, the lessor may elect not to collect and remit the sales tax on the gross receipts and instead pay a sales tax on the cost of such vehicle. If such election is made, it shall be made pursuant to the following conditions:

(i) Notice of the desire to make such election shall be filed with the Tax Commissioner and shall not become effective until the Tax Commissioner is satisfied that the taxpayer has complied with all conditions of this subsection and all rules and regulations of the Tax Commissioner;

(ii) Such election when made shall continue in force and effect for a period of not less than two years and thereafter until such time as the lessor elects to terminate the election;

(iii) When such election is made, it shall apply to all vehicles of the lessor rented or leased for periods of one year or more except vehicles to be leased to common or contract carriers who provide to the lessor a valid common or contract carrier exemption certificate. If the lessor rents or leases other vehicles for periods of less than one year, such lessor shall maintain his or her books and records and his or her accounting procedure as the Tax Commissioner prescribes; and

(iv) The Tax Commissioner by rule and regulation shall prescribe the contents and form of the notice of election, a procedure for the determination of the tax base of vehicles which are under an existing lease at the time such election becomes effective, the method and manner for terminating such election, and such other rules and regulations as may be necessary for the proper administration of this subdivision.

(i) The tax imposed by this section on the sales of motor vehicles, semitrailers, and trailers as defined in sections 60-339, 60-348, and 60-354 shall be the liability of the purchaser and, with the exception of motor vehicles, semitrailers, and trailers registered pursuant to section 60-3,198, the tax shall be collected by the county treasurer or designated county official as provided in the Motor Vehicle Registration Act at the time the purchaser makes application for the registration of the motor vehicle, semitrailer, or trailer for operation upon the highways of this state. The tax imposed by this section on motor vehicles, semitrailers, and trailers

registered pursuant to section 60-3,198 shall be collected by the Department of Motor Vehicles at the time the purchaser makes application for the registration of the motor vehicle, semitrailer, or trailer for operation upon the highways of this state. At the time of the sale of any motor vehicle, semitrailer, or trailer, the seller shall (i) state on the sales invoice the dollar amount of the tax imposed under this section and (ii) furnish to the purchaser a certified statement of the transaction, in such form as the Tax Commissioner prescribes, setting forth as a minimum the total sales price, the allowance for any trade-in, and the difference between the two. The sales tax due shall be computed on the difference between the total sales price and the allowance for any trade-in as disclosed by such certified statement. Any seller who willfully understates the amount upon which the sales tax is due shall be subject to a penalty of one thousand dollars. A copy of such certified statement shall also be furnished to the Tax Commissioner. Any seller who fails or refuses to furnish such certified statement shall be guilty of a misdemeanor and shall, upon conviction thereof, be punished by a fine of not less than twenty-five dollars nor more than one hundred dollars. If the seller fails to state on the sales invoice the dollar amount of the tax due, the purchaser shall have the right and authority to rescind any agreement for purchase and to declare the purchase null and void. If the purchaser retains such motor vehicle, semitrailer, or trailer in this state and does not register it for operation on the highways of this state within thirty days of the purchase thereof, the tax imposed by this section shall immediately thereafter be paid by the purchaser to the county treasurer, the designated county official, or the Department of Motor Vehicles. If the tax is not paid on or before the thirtieth day after its purchase, the county treasurer, designated county official, or Department of Motor Vehicles shall also collect from the purchaser interest from the thirtieth day through the date of payment and sales tax penalties as provided in the Nebraska Revenue Act of 1967. The county treasurer, designated county official, or Department of Motor Vehicles shall report and remit the tax so collected to the Tax Commissioner by the fifteenth day of the following month. The county treasurer or designated county official shall deduct and withhold for the use of the county general fund, from all amounts required to be collected under this subsection, the collection fee permitted to be deducted by any retailer collecting the sales tax. The Department of Motor Vehicles shall deduct, withhold, and deposit in the Motor Carrier Division Cash Fund the collection fee permitted to be deducted by any retailer collecting the sales tax. The collection fee shall be forfeited if the county treasurer, designated county official, or Department of Motor Vehicles violates any rule or regulation pertaining to the collection of the use tax.

(j)(i) The tax imposed by this section on the sale of a motorboat as defined in section 37-1204 shall be the liability of the purchaser. The tax shall be collected by the county treasurer or designated county official at the time the purchaser makes application for the registration of the motorboat. At the time of the sale of a motorboat, the seller shall (A) state on the sales invoice the dollar amount of the tax imposed under this section and (B) furnish to the purchaser a certified statement of the transaction, in such form as the Tax Commissioner prescribes, setting forth as a minimum the total sales price, the allowance for any trade-in, and the difference between the two. The sales tax due shall be computed on the difference between the total sales price and the allowance for any trade-in as disclosed by such certified statement. Any seller who willfully understates the amount upon which the sales tax is due shall be subject to a penalty of one thousand dollars. A copy of such certified statement shall also be furnished to the Tax Commissioner. Any seller who fails or refuses to furnish such certified statement shall be guilty of a misdemeanor and shall, upon conviction thereof, be punished by a fine of not less than twenty-five dollars nor more than one hundred dollars. If the seller fails to state on the sales invoice the dollar amount of the tax due, the purchaser shall have the right and authority to rescind any agreement for purchase and to declare the purchase null and void. If the purchaser retains such motorboat in this state and does not register it within thirty days of the purchase thereof, the tax imposed by this section shall immediately thereafter be paid by the purchaser to the county treasurer or designated county official. If the tax is not paid on or before the thirtieth day after its purchase, the county treasurer or designated county official shall also collect from the purchaser interest from the thirtieth day through the date of payment and sales tax penalties as provided in the Nebraska Revenue Act of 1967. The county treasurer or designated county official shall report and remit the tax so collected to the Tax Commissioner by the fifteenth day of the following month. The county treasurer or designated county official shall deduct and withhold for the use

of the county general fund, from all amounts required to be collected under this subsection, the collection fee permitted to be deducted by any retailer collecting the sales tax. The collection fee shall be forfeited if the county treasurer or designated county official violates any rule or regulation pertaining to the collection of the use tax.

(ii) In the rental or lease of motorboats, the tax shall be collected by the lessor on the rental or lease price.

(k) The Tax Commissioner shall adopt and promulgate necessary rules and regulations for determining the amount subject to the taxes imposed by this section so as to insure that the full amount of any applicable tax is paid in cases in which a sale is made of which a part is subject to the taxes imposed by this section and a part of which is not so subject and a separate accounting is not practical or economical.

(2) A use tax is hereby imposed on the storage, use, or other consumption in this state of property purchased, leased, or rented from any retailer and on any transaction the gross receipts of which are subject to tax under subsection (1) of this section on or after June 1, 1967, for storage, use, or other consumption in this state at the rate set as provided in subsection (1) of this section on the sales price of the property or, in the case of leases or rentals, of the lease or rental prices.

(a) Every person storing, using, or otherwise consuming in this state property purchased from a retailer or leased or rented from another person for such purpose shall be liable for the use tax at the rate in effect when his or her liability for the use tax becomes certain under the accounting basis used to maintain his or her books and records. His or her liability shall not be extinguished until the use tax has been paid to this state, except that a receipt from a retailer engaged in business in this state or from a retailer who is authorized by the Tax Commissioner, under such rules and regulations as he or she may prescribe, to collect the sales tax and who is, for the purposes of the Nebraska Revenue Act of 1967 relating to the sales tax, regarded as a retailer engaged in business in this state, which receipt is given to the purchaser pursuant to subdivision (b) of this subsection, shall be sufficient to relieve the purchaser from further liability for the tax to which the receipt refers.

(b) Every retailer engaged in business in this state and selling, leasing, or renting property for storage, use, or other consumption in this state shall, at the time of making any sale, collect any tax which may be due from the purchaser and shall give to the purchaser, upon request, a receipt therefor in the manner and form prescribed by the Tax Commissioner.

(c) The Tax Commissioner, in order to facilitate the proper administration of the use tax, may designate such person or persons as he or she may deem necessary to be use tax collectors and delegate to such persons such authority as is necessary to collect any use tax which is due and payable to the State of Nebraska. The Tax Commissioner may require of all persons so designated a surety bond in favor of the State of Nebraska to insure against any misappropriation of state funds so collected. The Tax Commissioner may require any tax official, city, county, or state, to collect the use tax on behalf of the state. All persons designated to or required to collect the use tax shall account for such collections in the manner prescribed by the Tax Commissioner. Nothing in this subdivision shall be so construed as to prevent the Tax Commissioner or his or her employees from collecting any use taxes due and payable to the State of Nebraska.

(d) All persons designated to collect the use tax and all persons required to collect the use tax shall forward the total of such collections to the Tax Commissioner at such time and in such manner as the Tax Commissioner may prescribe. For all use taxes collected prior to October 1, 2002, such collectors of the use tax shall deduct and withhold from the amount of taxes collected two and one-half percent of the first three thousand dollars remitted each month and one-half of one percent of all amounts in excess of three thousand dollars remitted each month as reimbursement for the cost of collecting the tax. For use taxes collected on and after October 1, 2002, such collectors of the use tax shall deduct and withhold from the amount of taxes collected two and one-half percent of the first three thousand dollars remitted each month as reimbursement for the cost of collecting the tax. Any such deduction shall be forfeited to the State of Nebraska if such collector violates any rule, regulation, or directive of the Tax Commissioner.

(e) For the purpose of the proper administration of the Nebraska Revenue Act of 1967 and to prevent evasion of the use tax, it shall be presumed that property sold, leased, or rented by any person for delivery in this state is sold, leased, or rented for storage, use, or other consumption in this state until the contrary is established. The burden of proving the contrary is upon the person who purchases, leases, or rents the property.

(f) For the purpose of the proper administration of the Nebraska Revenue Act of 1967 and to prevent evasion of the use tax, for the sale of property to an advertising agency which purchases the property as an agent for a disclosed or undisclosed principal, the advertising agency is and remains liable for the sales and use tax on the purchase the same as if the principal had made the purchase directly.

Sec. 4. Section 77-2703.03, Reissue Revised Statutes of Nebraska, is amended to read:

77-2703.03 ~~(1) Notwithstanding section 77-2703.01, a purchaser of direct mail that is not a holder of a direct payment permit shall provide to the seller in conjunction with the purchase either a direct mail form or information to show the jurisdictions to which the direct mail is delivered to recipients.~~

(2) For ordinances containing a termination date and passed after October 1, 1986, the termination date shall be the first day of a calendar quarter. The incorporated municipality shall furnish a certified statement to the Tax Commissioner no more than one hundred eighty days and at least one hundred twenty days prior to the termination date that the termination date stated in the ordinance is still valid. If the certified statement is not furnished within the prescribed time, the tax shall remain in effect, and the Tax Commissioner shall continue to collect the tax until the first day of the calendar quarter which is at least one hundred twenty days after receipt of the certified statement notwithstanding the termination date stated in the ordinance. The Tax Commissioner shall provide at least sixty days' notice of the termination of the tax to retailers. Notice shall be provided to retailers within the municipality. Notice to retailers may be provided through the web site of the department or by other electronic means.

(3) For sales and use tax purposes only, local jurisdiction boundary changes apply only on the first day of a calendar quarter after a minimum of one hundred twenty days' notice to the Tax Commissioner and sixty days' notice to sellers.

(4) The state shall provide and maintain a data base that describes boundary changes for all local taxing jurisdictions. This data base shall include a description of any change and the effective date of the change for sales and use tax purposes.

(5) The state shall provide and maintain a data base of all sales and use tax rates for all of the local jurisdictions levying taxes within

the state. For the identification of counties, cities, and villages, codes corresponding to the rates shall be provided according to Federal Information Processing Standards as developed by the National Institute of Standards and Technology.

(6) The state shall provide and maintain a data base that assigns each five-digit and nine-digit zip code within the state to the proper tax rates and jurisdictions. For purposes of the streamlined sales and use tax agreement, the data base shall apply the lowest combined tax rate imposed in the zip code area if the area includes more than one tax rate in any level of taxing jurisdictions. If a nine-digit zip code designation is not available for a street address or if a seller is unable to determine the nine-digit zip code designation applicable to a purchase after exercising due diligence to determine the designation, the seller or certified service provider may apply the rate for the five-digit zip code area. For purposes of this section, there is a rebuttable presumption that a seller or certified service provider has exercised due diligence if the seller has attempted to determine the nine-digit zip code designation by utilizing software approved by the governing board that makes this designation from the street address and the five-digit zip code applicable to a purchase.

(7) For purposes of the streamlined sales and use tax agreement, the state may provide address-based boundary data base records for assigning taxing jurisdictions and their associated rates which shall be in addition to the requirements of subsection (6) of this section. The data base records shall be in the same approved format as the data base records pursuant to subsection (6) of this section and shall meet the requirements developed pursuant to the federal Mobile Telecommunications Sourcing Act, 4 U.S.C. 119(a), as such act existed on January 1, 2003. The governing board may allow a member state to require sellers that register under the agreement to use an address-based boundary data base provided by that member state. If any member state develops an address-based boundary data base pursuant to the agreement, a seller or certified service provider may use those data base records in place of the five-digit and nine-digit zip code data base records provided for in subsection (6) of this section. If a seller or certified service provider is unable to determine the applicable rate and jurisdiction using an address-based boundary data base after exercising due diligence, the seller or certified service provider may apply the nine-digit zip code designation applicable to a purchase. If a nine-digit zip code designation is not available for a street address or if a seller or certified service provider is unable to determine the nine-digit zip code designation applicable to a purchase after exercising due diligence to determine the designation, the seller or certified service provider may apply the rate for the five-digit zip code area. For the purposes of this section, there is a rebuttable presumption that a seller or certified service provider has exercised due diligence if the seller or certified service provider has attempted to determine the tax rate and jurisdiction by utilizing software approved by the governing board that makes this assignment from the address and zip code information applicable to the purchase.

(8) The state may certify vendor-provided address-based boundary data bases for assigning tax rates and jurisdictions. The data bases shall be in the same approved format as the data base records pursuant to subsection (7) of this section and shall meet the requirements developed pursuant to the federal Mobile Telecommunications Sourcing Act, 4 U.S.C. 119(a) as such act existed on January 1, 2003. If a state certifies a vendor-provided address-based boundary data base, a seller or certified service provider may use that data base in place of the data base provided for in subsection (6) or (7) of this section. Vendors providing address-based boundary data bases may request certification of their data bases from the governing board. Certification by the governing board does not replace the requirement that the data bases be certified by the states individually.

(9) Pursuant to the streamlined sales and use tax agreement, the state shall relieve retailers and certified service providers using data bases pursuant to subsection (6) or (7) of this section from liability to the state and local jurisdictions for having charged and collected the incorrect amount of sales or use tax resulting from the retailer or certified service provider relying on erroneous data provided by a member state on tax rates, boundaries, or taxing jurisdiction assignments. After providing adequate notice determined by the governing board, a member state that provides an address-based boundary data base for assigning taxing jurisdictions pursuant to subsection (7) or (8) of this section may cease providing liability relief for errors resulting from the reliance on the data base provided by the member state under the provisions of subsection (6) of this section. If a seller demonstrates that requiring the use of the address-based boundary data base would create an

undue hardship, the state and the governing board may extend the relief of liability to such seller for a designated period of time.

(10) The data bases provided for in this section shall be in a downloadable format approved by the governing board pursuant to the streamlined sales and use tax agreement. The data bases may be directly provided by the state or provided by a vendor as designated by the state. A data base provided by a vendor as designated by a state shall be applicable to and subject to all provisions of this section. The data bases shall be provided at no cost to the user of the data base. The provisions of subsections (6) and (7) of this section do not apply when the purchased product is received by the purchaser at the business location of the seller.

~~(11) In the rental or lease of automobiles, trucks, trailers, semitrailers, and truck-tractors as defined in the Motor Vehicle Registration Act, the tax shall be collected by the lessor on the rental or lease price at the tax rate in effect on the date the automobile, truck, trailer, semitrailer, or truck-tractor is delivered to the lessee.~~

~~(12)~~ (11) A seller that did not have a requirement to register in this state prior to registering pursuant to the agreement or a certified service provider shall not be required to collect sales or use taxes for a state until the first day of the calendar quarter commencing more than sixty days after the state has provided the data bases required by this section.

Sec. 8. This act becomes operative on October 1, 2011.

Sec. 9. Original sections 13-324, 13-2814, 77-2703, 77-2703.03, 77-2704.10, and 77-27,143, Reissue Revised Statutes of Nebraska, and section 77-2712.03, Revised Statutes Cumulative Supplement, 2010, are repealed.
