

AMENDMENTS TO LB191

(Amendments to AM2569)

Introduced by Harr

1 1. Insert the following new sections:

2 Sec. 14. Section 77-132, Reissue Revised Statutes of
3 Nebraska, is amended to read:

4 77-132 (1) Parcel means a contiguous tract of land
5 determined by its boundaries, under the same ownership, and in the
6 same tax district and section. Parcel also means an improvement on
7 leased land.

8 (2) If all or several lots in the same block are owned by
9 the same person and are contained in the same subdivision and the
10 same tax district, they may be included in one parcel.

11 (3) If two or more vacant or unimproved lots in the same
12 subdivision and the same tax district are owned by the same person
13 and are held for sale or resale, such lots shall be included in one
14 parcel if elected to be treated as one parcel by the owner. Such
15 election shall be made annually by filing an application with the
16 county assessor by December 31.

17 (4) For purposes of this section, subdivision means the
18 common overall plan or approved preliminary plat.

19 Sec. 16. (1) When determining the actual value of two
20 or more vacant or unimproved lots in the same subdivision and the
21 same tax district that are owned by the same person and are held
22 for sale or resale and that were elected to be treated as one

1 parcel pursuant to subsection (3) of section 77-132, the county
2 assessor shall utilize the income approach, including the use of a
3 discounted cash-flow analysis.

4 (2) If a county assessor, based on the facts and
5 circumstances, believes that the income approach, including the
6 use of a discounted cash-flow analysis, does not result in a
7 valuation at actual value, then the county assessor shall present
8 such facts and circumstances to the county board of equalization.
9 If the county board of equalization, based on such facts and
10 circumstances, concurs with the county assessor, then the county
11 board of equalization shall petition the Tax Equalization and
12 Review Commission to consider the county assessor's utilization of
13 another professionally accepted mass appraisal technique that,
14 based on the facts and circumstances presented by a county
15 board of equalization, would result in a substantially different
16 determination of actual value. Petitions must be filed within
17 thirty days after the property is assessed. Hearings held pursuant
18 to this section may be held by means of videoconference or
19 telephone conference. The burden of proof is on the petitioning
20 county board of equalization to show that failure to make an
21 adjustment to the professionally accepted mass appraisal technique
22 utilized would result in a value that is not equitable and in
23 accordance with the law. At the hearing, the commission may
24 receive testimony from any interested person. After a hearing, the
25 commission shall, within the powers granted in section 77-5023,
26 enter its order based on evidence presented to it at such hearing.

27 Sec. 21. Section 77-5007, Revised Statutes Cumulative
