Summary of purpose and/or changes:

LR155 is basically LB613 in resolution format. LR155 incorporates the committee amendment to LB613 and the several amendments adopted on General File, as reflected in the white copy E&R Amendment (ER31 to LB613). LR155 also adds "incentives" to the list of tax laws to be studied by the Tax Modernization Committee.

LB613 includes language authorizing the committee to continue to meet as necessary until December 31, 2015. LR155 does not include this language since resolutions need to be reauthorized annually in order to continue.

Explanation of amendments:

The committee amendment adds two more legislators to the Tax Modernization Committee, to be selected by the Executive Board.

John Wightman, Chairperson
