

One Hundred Third Legislature - First Session - 2013

Introducer's Statement of Intent

LB140

Chairman: Senator Bill Avery

Committee: Government, Military and Veterans Affairs

Date of Hearing: January 25, 2013

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

The intent of Legislative Bill 140 is to update the Airport Zoning Act, and to redefine the term “airport hazard area” found in Neb. Rev. Stat. §3-301(3) to include approach, operation, transition, and turning zones. These changes will more precisely define in statute the area surrounding an airport subject to airport zoning regulations. The changes in LB 140 provide zoning authority based on current airport and aircraft technology not available when the act was originally passed in 1945.
