19 approval by the department and is required to report testing results to
20 the manufacturer in a manner determined by the department.

21 Sec. 20. (1) Except as otherwise provided in section 32 of this
22 act, the department shall register up to four compassion centers in each
23 congressional district in Nebraska for the distribution and sale of all

26 The department shall register compassion centers which comply with
27 subsection (2) of this section based on the factors in subsection (3) of
28 this section. The registration shall be valid until June 1 of the
29 calendar year following the date of registration and shall be renewed by
30 June 1 of each year thereafter upon application and payment of the annual

29 recommended dosages for each qualifying medical condition and the range
30 of chemical compositions of any plant of the genus cannabis that will
31 likely be medically beneficial for each of the qualifying medical

1 conditions. The department shall make this information available to
2 patients with qualifying medical conditions beginning December 1, 2015,
3 and update the information annually. The department may consult with an
4 independent laboratory under contract with a manufacturer or other
5 experts in reporting the range of recommended dosages for each qualifying
6 medical condition, the range of chemical compositions that will likely be
7 medically beneficial, and any risks of noncannabis drug interactions. The
8 department shall consult with each manufacturer on an annual basis on
9 medical cannabis offered by the manufacturer. The department shall
10 publish a list of medical cannabis offered by each manufacturer on the
11 department's web site.

12 Sec. 22. (1) The department shall adopt and promulgate rules and
13 regulations necessary for a compassion center to begin distribution of
14 medical cannabis to patients enrolled in the registry program by January
15 1, 2017, and publish notice of the proposed rules and regulations prior
16 to July 1, 2016.

17 (2) The department shall, by May 1, 2016, advise the public and the
18 Medical Cannabis Board if the department is unable to register three
19 manufacturers by June 1, 2016. The department shall provide a written
20 statement as to the reason or reasons the deadline will not be met. Upon
21 request of the department, the board shall extend the deadline by six
22 months but may not extend the deadline more than once.

23 (3) If notified by a manufacturer that distribution to compassion
24 centers may not begin by January 1, 2017, the department shall advise the
25 public and the board. Upon notification by the department, the board
26 shall extend the deadline by six months but may not extend the deadline
27 more than once.

28 Sec. 23. The department shall establish and maintain a registry
29 program for patients. The patient registry shall include the name,
30 address, and telephone number of patients enrolling in the registry
31 program and shall identify the participating physician for the patient

1 and the registered designated caregiver, if any.

2 Sec. 24. (1) The department shall:

3 (a) Give notice of the registry program to physicians in Nebraska
4 who are eligible to serve as participating physicians and explain the
5 purposes and requirements of the registry program;

6 (b) Allow each physician who meets or agrees to meet the
7 requirements of the registry program and who requests to participate to
8 be included in the registry program;

9 (c) Provide explanatory information and assistance to each
10 participating physician in understanding the nature of therapeutic use of
11 medical cannabis within the requirements of the registry program;

12 (d) Create and provide a certification to be used by a participating
13 physician for the participating physician to certify whether a patient
14 has been diagnosed with a qualifying medical condition and include in the
15 certification an option for the participating physician to certify
16 whether the patient, in the medical opinion of the participating
17 physician, has a developmental disability or a physical disability and,
18 as a result of that disability, the patient is unable to self-administer
19 medication or acquire medical cannabis from a compassion center;

20 (e) Supervise the participation of the participating physician in
21 conducting patient treatment and medical records reporting in a manner
22 that ensures stringent security and record-keeping requirements and that
23 prevents the unauthorized release of private data; and

24 (f) Develop safety criteria for patients with a qualifying medical
25 condition as a requirement of the patient's participation in the registry
26 program in order to prevent the patient from undertaking any task under
27 the influence of medical cannabis that would constitute negligence or
28 professional malpractice on the part of the patient.

29 (2) In order to participate in the registry program:

30 (a) A physician shall not have a financial interest in a
31 manufacturer or compassion center;

1 (b) A physician shall have a bona fide physician-patient
2 relationship with each patient certified by the physician as having a
3 qualifying medical condition; and

4 (c) A physician shall document at least three appointments with each
5 patient prior to certifying the patient as having a qualifying medical
6 condition.

7 Sec. 25. (1) The department shall develop a patient application for
8 enrollment in the registry program. The application shall be available to
9 the patient and given to participating physicians in Nebraska. The
10 application shall include:

11 (a) The name, mailing address, and date of birth of the patient;

12 (b) The name, mailing address, and telephone number of the patient's
13 participating physician;

14 (c) The name, mailing address, and date of birth of the patient's
15 designated caregiver, if any, or the patient's parent or legal guardian
16 if the parent or legal guardian will be acting as a caregiver;

17 (d) A copy of the certification from the patient's participating
18 physician which certifies that the patient has visited the participating
19 physician at least three times prior to submitting the application, that
20 the patient has been diagnosed with a qualifying medical condition, and,
21 if applicable, that, in the medical opinion of the participating
22 physician, the patient has a developmental disability or physical
23 disability and, as a result of that disability, the patient is unable to
24 self-administer medication or acquire medical cannabis from a compassion
25 center; and

26 (e) All other signed affidavits and enrollment forms required by the
27 department under the Medical Cannabis Act, including, but not limited to,
28 the disclosure form required under subsection (3) of this section.

29 (2) The department shall require a patient to resubmit a copy of the
30 certification from the patient's participating physician on an annual
31 basis and shall require that the recertification be dated within ninety

1 days prior to submission.

2 (3) The department shall develop a disclosure form and require, as a
3 condition of enrollment, that the patient sign a copy of the disclosure.

4 The disclosure shall include:

5 (a) A statement that the department, or any employee of any state
6 agency, may not be held criminally liable for any injury, loss of
7 property, personal injury, or death caused by any act or omission while
8 acting within the respective scope of office or employment under the
9 Medical Cannabis Act; and

10 (b) The patient's acknowledgment that enrollment in the registry
11 program is conditional on the patient's agreement to comply with the
12 Medical Cannabis Act.

13 Sec. 26. (1) The department shall register a designated caregiver
14 for a patient if the patient's participating physician has certified that
15 the patient, in the medical opinion of the participating physician, has a
16 developmental disability or a physical disability and, as a result of
17 that disability, the patient is unable to self-administer medication or
18 acquire medical cannabis from a compassion center and the caregiver has
19 agreed, in writing, to be the patient's registered designated caregiver.
20 As a condition of registration as a registered designated caregiver, the
21 department shall require the person to:

22 (a) Be at least twenty-one years of age;

23 (b) Agree to only possess medical cannabis for purposes of assisting
24 the patient; and

25 (c) Agree that if the application is approved, the person will not
26 be a registered designated caregiver for more than one patient unless
27 each of such patients reside in the same residence.

28 (2)(a) The department shall conduct a criminal background check on
29 the designated caregiver prior to registration to ensure that the person
30 does not have a conviction for a disqualifying felony offense. Any cost
31 of the background check shall be paid by the person seeking registration

1 as a registered designated caregiver.

2 (b) The person shall file a complete set of his or her legible
3 fingerprints with the department. The department shall transmit such
4 fingerprints to the Nebraska State Patrol which shall transmit a copy of
5 the applicant's fingerprints to the Identification Division of the
6 Federal Bureau of Investigation for a national criminal history record
7 information check.

8 (c) The national criminal history record information check shall
9 include information concerning the person from federal repositories of
10 such information and repositories of such information in other states if
11 authorized by federal law for use by the department.

12 (d) The Nebraska State Patrol shall undertake a search for Nebraska
13 criminal history record information concerning the person. The Nebraska
14 State Patrol shall issue a report to the department which contains the
15 results of the criminal history record information check conducted by the
16 Nebraska State Patrol.

17 (e) Criminal history record information subject to federal
18 confidentiality requirements shall remain confidential and may be
19 released only upon the written authorization of the subject of the
20 information.

21 Sec. 27. A parent or legal guardian of a patient may act as the
22 caregiver to the patient without having to register as a registered
23 designated caregiver. The parent or legal guardian shall follow all of
24 the requirements of parents and legal guardians in the Medical Cannabis
25 Act. Nothing in the act limits any legal authority a parent or legal
26 guardian may have for the patient under any other law.

27 Sec. 28. (1) After receipt of a patient's application and signed
28 disclosure, the department shall enroll the patient in the registry
29 program and issue the patient and patient's registered designated
30 caregiver or parent or legal guardian, if applicable, a registry
31 verification. A patient's enrollment in the registry program shall only

1 be denied if the patient:

2 (a) Does not have certification from a participating physician that
3 the patient has been diagnosed with a qualifying medical condition;

4 (b) Has not signed and returned to the department the disclosure
5 form required under subsection (3) of section 25 of this act;

9 (e) Provides false information.

10 (2) The department shall give written notice to a patient of the
11 reason for denying enrollment in the registry program.

12 (3) Denial of enrollment in the registry program may be appealed.
13 The appeal shall be in accordance with the Administrative Procedure Act.

14 (4) A patient's enrollment in the registry program may only be
15 revoked if a patient violates a requirement under section 36, 41, 42, or
16 43 of this act.

17 (5) The department shall develop a registry verification to provide
18 to the patient, to the participating physician identified in the
19 patient's application, and to the compassion center. The registry
20 verification shall include:

21 (a) The patient's name and date of birth;

22 (b) The patient registry number assigned to the patient;

23 (c) The patient's qualifying medical condition as provided by the
24 patient's participating physician in the certification; and

25 (d) The name and date of birth of the patient's registered
26 designated caregiver, if any, or the name of the patient's parent or
27 legal guardian if the parent or legal guardian will be acting as a
28 caregiver.

29 Sec. 29. A patient or registered designated caregiver shall notify
30 the department of any address or name change within thirty days after the
31 change occurred. A registered designated caregiver shall notify the

1 department of the death of a patient for whom the caregiver provides
2 medical cannabis within thirty days after the death of the patient. A
3 patient or registered designated caregiver is subject to a one-hundred-
4 dollar fine for failure to notify the department as required under this
5 section.

6 Sec. 30. (1) Prior to a patient's enrollment in the registry
7 program, a participating physician shall:

8 (a) Determine, in the medical judgment of the participating
9 physician, whether a patient suffers from a qualifying medical condition
10 and, if so determined, provide the patient with a certification of that
11 diagnosis;

12 (b) Determine whether a patient has a developmental disability or
13 physical disability and, as a result of that disability, the patient is
14 unable to self-administer medication or acquire medical cannabis from a
15 compassion center and, if so determined, include that determination on
16 the patient's certification of diagnosis;

17 (c) Provide explanatory information from the department to patients
18 with qualifying medical conditions, including disclosure to all patients
19 about the experimental nature of therapeutic use of medical cannabis; the
20 possible risks, benefits, and side effects of the proposed treatment; and
21 the application and other materials from the department; and

22 (d) Agree to continue treatment of the patient's qualifying medical
23 condition.

24 (2) Upon notification from the department of the patient's
25 enrollment in the registry program, the participating physician shall:

26 (a) Participate in the patient registry reporting system under the
27 guidance and supervision of the department;

28 (b) Determine, on a yearly basis, if the patient continues to suffer
29 from a qualifying medical condition and, if so, issue the patient a new
30 certification of that diagnosis; and

31 (c) Otherwise comply with all requirements developed by the

1 department.

2 (3) Nothing in this section requires a physician to participate in
3 the registry program.

4 Sec. 31. Data collected on patients by a participating physician
5 and reported to the registry program are medical records and subject to
6 sections 81-663 to 81-675.

7 Sec. 32. (1) Each manufacturer and each compassion center shall
8 disclose its proposed location to the department during the registration
9 process. A county, city, or village governing body may adopt a resolution
10 or ordinance prohibiting the operation of a manufacturer or compassion
11 center or both within its jurisdiction and may adopt zoning regulations
12 that reasonably limit a manufacturer or compassion center to certain
13 areas within its jurisdiction. If all jurisdictions within a
14 congressional district adopt a prohibition on the operation of
15 manufacturers, the department may register an additional manufacturer in
16 another congressional district. If all jurisdictions within a
17 congressional district adopt a prohibition on the operation of compassion
18 centers, the department may register up to four additional compassion
19 centers in another congressional district or up to two additional
20 compassion centers in each of the other congressional districts.

21 (2) A manufacturer shall operate only one location where all
22 cultivation, harvesting, manufacturing, packaging, and processing shall
23 be conducted.

24 (3)(a) Any compassion center may distribute medical cannabis and
25 medical cannabis products but shall not contain any medical cannabis in a
26 form other than those forms allowed under the Medical Cannabis Act. A
27 compassion center shall not conduct any cultivation, harvesting,
28 manufacturing, packaging, or processing of medical cannabis.

29 (b) The operating documents of a compassion center shall include:

30 (i) Procedures for the oversight of the compassion center and
31 procedures to ensure accurate record keeping; and

1 (ii) Procedures for the implementation of appropriate security
2 measures to deter and prevent the theft of medical cannabis and
3 unauthorized entrance into areas containing medical cannabis.

4 (4) A manufacturer shall contract with a laboratory, subject to the
5 department's approval of the laboratory and any additional requirements
6 set by the department, for purposes of testing medical cannabis
7 manufactured by the manufacturer as to content, contamination, and
8 consistency to verify that the medical cannabis meets the requirements of
9 the Medical Cannabis Act. The manufacturer shall pay the cost of
10 laboratory testing.

11 (5) The operating documents of a manufacturer shall include:

12 (a) Procedures for the oversight of the manufacturer and procedures
13 to ensure accurate record keeping; and

14 (b) Procedures for the implementation of appropriate security
15 measures to deter and prevent the theft of medical cannabis and
16 unauthorized entrance into areas containing medical cannabis.

17 (6) Each manufacturer and each compassion center shall implement
18 security requirements, including requirements for protection of its
19 location by a fully operational security alarm system, facility access
20 controls, perimeter intrusion detection systems, and a personnel
21 identification system.

22 (7) A manufacturer shall not share office space with or refer
23 patients to a participating physician.

24 (8) Each manufacturer and each compassion center shall not permit
25 any person to consume medical cannabis on the property of the
26 manufacturer or compassion center.

27 (9) Each manufacturer and each compassion center are subject to
28 reasonable inspection by the department or its designee.

29 (10)(a) A manufacturer and a compassion center may not employ any
30 person who is under twenty-one years of age or who has been convicted of
31 a disqualifying felony offense. An employee of a manufacturer and a

1 compassion center shall submit to a completed criminal history record
2 information check before an employee may begin working with the
3 manufacturer or compassion center.

4 (b) Each employee shall pay the costs of the criminal history record
5 information check and shall file a complete set of his or her legible
6 fingerprints with the department. The department shall transmit such
7 fingerprints to the Nebraska State Patrol which shall transmit a copy of
8 the applicant's fingerprints to the Identification Division of the
9 Federal Bureau of Investigation for a national criminal history record
10 information check.

11 (c) The national criminal history record information check shall
12 include information concerning the employee from federal repositories of
13 such information and repositories of such information in other states if
14 authorized by federal law for use by the department.

15 (d) The Nebraska State Patrol shall undertake a search for Nebraska

28 reasonable restrictions set by the department relating to signage,
29 marketing, display, and advertising of medical cannabis and shall comply
30 with local zoning regulations.

31 Sec. 33. (1) A manufacturer of medical cannabis shall provide a

1 Sec. 37. (1) There is a presumption that a patient enrolled in the
2 registry program under the Medical Cannabis Act is engaged in the

4 (2) The presumption may be rebutted by evidence that conduct related
5 to use of medical cannabis was not for the purpose of treating or
6 alleviating the patient's qualifying medical condition or symptoms
7 associated with the patient's qualifying medical condition.

8 Sec. 38. (1) Subject to section 18 of this act, the following are
9 not violations under the Medical Cannabis Act:

27 or contractors, and any participating physician are not subject to any
28 civil or disciplinary penalties by any business, occupational, or
29 professional licensing board or entity, solely for participation in the
30 registry program under the Medical Cannabis Act. A pharmacist licensed
31 under the Pharmacy Practice Act is not subject to any civil or

1 disciplinary penalties when acting in accordance with the Medical

3 board from taking action in response to violations of any other provision
4 of law.

5 (4) No state officer or employee of any state agency shall be held
6 criminally liable for any injury, loss of property, personal injury, or

23 (9) Possession of a registry verification or application for
24 enrollment in the registry program by a person entitled to possess or
25 apply for enrollment in the registry program does not constitute probable
26 cause or reasonable suspicion, nor shall it be used to support a search
27 of the person or property of the person possessing or applying for the
28 registry verification or otherwise subject the person or property of the
29 person to inspection by any governmental agency.

30 Sec. 39. (1) No school or landlord may refuse to enroll or lease to
31 and may not otherwise penalize a person solely for the person's status as

1 a patient enrolled in the registry program under the Medical Cannabis Act
2 unless failing to do so would violate federal law or regulations or cause
3 the school or landlord to lose a monetary or licensing-related benefit
4 under federal law or regulations.

5 (2) For purposes of medical care, including organ transplants, the
6 use of medical cannabis under the Medical Cannabis Act by a patient
7 enrolled in the registry program is considered the equivalent of the
8 authorized use of any other medication used at the discretion of a
9 physician and does not constitute the use of an illicit substance or
10 otherwise disqualify a patient from needed medical care.

11 (3) A person shall not be denied custody of a minor child or
12 visitation rights or parenting time with a minor child solely based on
13 the person's status as a patient enrolled in the registry program under
14 the Medical Cannabis Act.

16 compassion center or an agent of a compassion center who intentionally

19 the registry verification, a parent or legal guardian of a patient, is
20 guilty of a Class IV felony. A person convicted under this section shall
21 not continue to be affiliated with the compassion center and is
22 disqualified from further participation under the Medical Cannabis Act.

23 (2) In addition to any other applicable penalty, a manufacturer or
24 an agent of a manufacturer who intentionally transfers medical cannabis
25 to a person other than a registered manufacturer or a registered
26 compassion center is guilty of a Class IV felony. A person convicted
27 under this section shall not continue to be affiliated with the
28 manufacturer and is disqualified from further participation under the
29 Medical Cannabis Act.

30 Sec. 41. In addition to any other applicable penalty in law, a
31 patient, a registered designated caregiver, or, if listed on the registry

1 verification, a parent or legal guardian of a patient who intentionally

3 patient, a registered designated caregiver, or, if listed on the registry
4 verification, a parent or legal guardian of a patient, is guilty of a
5 Class IV felony.

6 Sec. 42. A person who intentionally makes a false statement to a
7 law enforcement official about any fact or circumstance relating to the
8 medical use of cannabis to avoid arrest or prosecution is guilty of a

12 Act. If a person convicted of violating this section is a patient or a
13 registered designated caregiver, the person is disqualified from further
14 participation under the act.

15 Sec. 43. A person who knowingly submits false records or
16 documentation required by the department to register as a manufacturer or
17 compassion center under the Medical Cannabis Act is guilty of a Class IV
18 felony.

19 Sec. 44. A manufacturer or a compassion center may be fined up to
20 one thousand dollars for any violation of the Medical Cannabis Act or the
21 rules and regulations adopted and promulgated pursuant to the act if no
22 penalty has been specified. This penalty is in addition to any other
23 applicable penalties in law.

24 Sec. 45. (1) The department shall collect an application fee of
25 twenty thousand dollars from each entity submitting an application for
26 registration as a manufacturer or a compassion center. The department
27 shall remit the fees to the State Treasurer for credit to the Medical
28 Cannabis Regulation Fund.

29 (2) The department shall establish and collect an annual fee from a
30 manufacturer or a compassion center equal to the cost of regulating and
31 inspecting the manufacturer or compassion center in that year. The

1 department shall remit the fees to the State Treasurer for credit to the
2 Medical Cannabis Regulation Fund.

3 Sec. 46. The Medical Cannabis Regulation Fund is created and shall
4 consist of funds from contracts, grants, gifts, or fees under the Medical
5 Cannabis Act. The fund shall be used for purposes of regulation of
6 medical cannabis. Transfers may be made from the fund to the General Fund
7 at the direction of the Legislature. Any money in the Medical Cannabis
8 Regulation Fund available for investment shall be invested by the state
9 investment officer pursuant to the Nebraska Capital Expansion Act and the
10 Nebraska State Funds Investment Act.

11 Sec. 47. Each manufacturer and each compassion center shall

13 the department and shall keep all records updated and accessible to the
14 department when requested.

15 Sec. 48. The department may require an audit of a manufacturer or a
16 compassion center by a certified public accountant chosen by the
17 department with the costs of the audit paid by the manufacturer or
18 compassion center.

19 Sec. 49. (1) The department or its designee may examine the
20 business affairs and conditions of any manufacturer or compassion center,
21 including, but not limited to, a review of the financing, budget,
22 revenue, sales, and pricing.

23 (2) An examination may cover the manufacturer's or compassion
24 center's business affairs, practices, and conditions, including, but not
25 limited to, a review of the financing, budget, revenue, sales, and
26 pricing. The department shall determine the nature and scope of each
27 examination and in so doing shall take into account all available
28 relevant factors concerning the financial and business affairs,
29 practices, and conditions of the manufacturer or compassion center. The
30 costs incurred by the department in conducting an examination shall be
31 paid for by the manufacturer or compassion center.

1 (3) When making an examination under this section, the department
2 may retain professionals and specialists as designees.

3 (4) The department shall make a report of an examination conducted
4 under this section and provide a copy to the manufacturer or compassion
5 center. The department shall then post a copy of the report on its web
6 site.

7 Sec. 50. (1) The department shall adopt and promulgate rules and

6 more products, except real property and services to real property, when
7 (a) the products are otherwise distinct and identifiable and (b) the
8 products are sold for one non-itemized price. Bundled transaction does
9 not include the sale of any products in which the sales price varies, or
10 is negotiable, based on the selection by the purchaser of the products
11 included in the transaction.

12 (2) Distinct and identifiable products do not include:

13 (a) Packaging, such as containers, boxes, sacks, bags, and bottles
14 or other materials such as wrapping, labels, tags, and instruction guides
15 that accompany the retail sale of the products and are incidental or

17 incidental or immaterial include grocery sacks, shoeboxes, dry cleaning
18 garment bags, and express delivery envelopes and boxes;

19 (b) A product provided free of charge with the required purchase of
