**Explanation of Estimate:**

This bill seeks to eliminate the integrated practice agreement currently required for licensure to practice as an Advanced Practice Registered Nurse-Nurse Practitioner (APRN-NP) under the Nurse Practitioner Practice Act. The bill would require a transition-to-practice agreement for APRN-NPs who have less than 2,000 hours of practice experience which may be obtained under the supervision of a licensed practitioner or another APRN-NP who has 10,000 hours of practice experience. This bill would eliminate the requirement for the APRN-NP with greater than 2,000 hours of practice experience to have an agreement with a licensed physician or with an APRN-NP in order to practice. This bill also seeks to amend the Advanced Practice Registered Nurse Act to remove language related to the integrated practice agreement as part of the APRN Board duties.

There is no Fiscal Impact to the Department of Health and Human Services.
