(q) Mental health and substance abuse services;
(r) Hearing screening services for newborn and infant children; and
(s) Administrative expenses related to administrative activities,
including outreach services, provided by school districts and educational
service units to students who are eligible or potentially eligible for
medical assistance.
(3) No later than July 1, 2009, the department shall submit a state
plan amendment or waiver to the federal Centers for Medicare and Medicaid
Services to provide coverage under the medical assistance program for
community-based secure residential and subacute behavioral health
services for all eligible recipients, without regard to whether the
recipient has been ordered by a mental health board under the Nebraska
Mental Health Commitment Act to receive such services.
(4) On or before October 1, 2014, the department, after consultation
with the State Department of Education, shall submit a state plan
amendment to the federal Centers for Medicare and Medicaid Services, as
necessary, to provide that the following are direct reimbursable services
when provided by school districts as part of an individualized education
program or an individualized family service plan: Early and periodic
screening, diagnosis, and treatment services for children; medical
transportation services; mental health services; nursing services;
occupational therapy services; personal care services; physical therapy
services; rehabilitation services; speech therapy and other services for
individuals with speech, hearing, or language disorders; and vision-
related services.

(5) On or before July 1, 2015, the department shall submit a state
plan amendment or waiver to the federal Centers for Medicare and Medicaid
Services to provide coverage under the medical assistance program to
individuals eligible as provided in section 4 of this act.

Sec. 3. Section 68-915, Revised Statutes Cumulative Supplement,
2014, is amended to read:

68-915 The following persons shall be eligible for medical
assistance:

(1) Dependent children as defined in section 43-504;

(2) Aged, blind, and disabled persons as defined in sections 68-1002
to 68-1005;

(3) Children under nineteen years of age who are eligible under
section 1905(a)(i) of the federal Social Security Act;

(4) Persons who are presumptively eligible as allowed under sections
1920 and 1920B of the federal Social Security Act;

(5) Children under nineteen years of age with a family income equal
to or less than two hundred percent of the Office of Management and
Budget income poverty guideline, as allowed under Title XIX and Title XXI
of the federal Social Security Act, without regard to resources, and
pregnant women with a family income equal to or less than one hundred
eighty-five percent of the Office of Management and Budget income poverty
guideline, as allowed under Title XIX and Title XXI of the federal Social Security Act, without regard to resources. Children described in this subdivision and subdivision (6) of this section shall remain eligible for six consecutive months from the date of initial eligibility prior to redetermination of eligibility. The department may review eligibility monthly thereafter pursuant to rules and regulations adopted and promulgated by the department. The department may determine upon such review that a child is ineligible for medical assistance if such child no longer meets eligibility standards established by the department;

(6) For purposes of Title XIX of the federal Social Security Act as provided in subdivision (5) of this section, children with a family income as follows:

(a) Equal to or less than one hundred fifty percent of the Office of Management and Budget income poverty guideline with eligible children one year of age or younger;

(b) Equal to or less than one hundred thirty-three percent of the Office of Management and Budget income poverty guideline with eligible children over one year of age and under six years of age; or

(c) Equal to or less than one hundred percent of the Office of Management and Budget income poverty guideline with eligible children six years of age or older and less than nineteen years of age;

(7) Persons who are medically needy caretaker relatives as allowed under 42 U.S.C. 1396d(a)(ii);

(8) As allowed under 42 U.S.C. 1396a(a)(10)(A)(ii), disabled persons as defined in section 68-1005 with a family income of less than two hundred fifty percent of the Office of Management and Budget income poverty guideline and who, but for earnings in excess of the limit established under 42 U.S.C. 1396d(q)(2)(B), would be considered to be receiving federal Supplemental Security Income. The department shall apply for a waiver to disregard any unearned income that is contingent upon a trial work period in applying the Supplemental Security Income
standard. Such disabled persons shall be subject to payment of premiums as a percentage of family income beginning at not less than two hundred percent of the Office of Management and Budget income poverty guideline. Such premiums shall be graduated based on family income and shall not be less than two percent or more than ten percent of family income;

(9) As allowed under 42 U.S.C. 1396a(a)(10)(A)(ii), persons who:

(a) Have been screened for breast and cervical cancer under the Centers for Disease Control and Prevention breast and cervical cancer early detection program established under Title XV of the federal Public Health Service Act, 42 U.S.C. 300k et seq., in accordance with the requirements of section 1504 of such act, 42 U.S.C. 300n, and who need treatment for breast or cervical cancer, including precancerous and cancerous conditions of the breast or cervix;

(b) Are not otherwise covered under creditable coverage as defined in section 2701(c) of the federal Public Health Service Act, 42 U.S.C. 300gg(c);

(c) Have not attained sixty-five years of age; and

(d) Are not eligible for medical assistance under any mandatory categorically needy eligibility group; and

(10) Persons eligible for services described in subsection (3) of section 68-972; and

(11) Persons described in section 4 of this act.

Except as provided in section 68-972, eligibility shall be determined under this section using an income budgetary methodology that determines children's eligibility at no greater than two hundred percent of the Office of Management and Budget income poverty guideline and adult eligibility using adult income standards no greater than the applicable categorical eligibility standards established pursuant to state or federal law. The department shall determine eligibility under this section pursuant to such income budgetary methodology and subdivision (1) (q) of section 68-1713.
Sec. 4. (1) The department shall provide medical assistance to
individuals under twenty-six years of age who are current Nebraska
residents and were in foster care and enrolled in medicaid in any state
or territory of the United States or the District of Columbia on the date
of attaining eighteen years of age or such higher age as the state,
territory, or district has elected under 42 U.S.C. 675(8)(B)(iii), as
such section existed on January 1, 2015. The department shall implement
the federal option to accept self-attestation of foster care status and
medicaid enrollment pursuant to 42 C.F.R part 435, subpart J, for
individuals who were in foster care and enrolled in medicaid in other
states or territories of the United States or the District of Columbia.

(2) An individual who is in foster care and enrolled in the medical
assistance program in this state on the date of attaining the age of
eighteen, nineteen, or twenty-one years shall be enrolled to receive
benefits pursuant to 42 U.S.C. 1396a(a)(10)(A)(i)(IX) without any
interruption in coverage and without requiring a new application, unless
the individual declines such enrollment. The department shall provide any
individual who declines enrollment with a written notice explaining the
benefits of enrollment, the consequences of declining enrollment, and
explaining the individual’s rights and the process by which he or she may
reapply at any time prior to attaining twenty-six years of age.

(3) The department shall develop procedures to identify and enroll
individuals who meet the criteria for eligibility under this section,
including, but not limited to, young adults who have already exited
foster care but may be eligible under this section. The department shall
conduct outreach to such individuals to ensure they are aware of the
ability to reenroll pursuant to this section.

(4) The department shall terminate an individual’s eligibility for
coverage under the medical assistance program only if (a) it determines
that the individual is no longer eligible for coverage under this section
or the individual is not otherwise eligible pursuant to section 68-915 or
any other category of medical assistance provided by the department but
not enumerated in the Medical Assistance Act and (b) all due process
requirements in accordance with state and federal law with respect to
such termination are met.

(5) The department shall electronically provide an annual report to
the Health and Human Services Committee of the Legislature. The report
shall include the number of individuals currently eligible and enrolled
in the medical assistance program under this section, the number of
enrolled individuals who exited foster care in other states or
territories of the United States or in the District of Columbia and the
department’s outreach efforts to individuals who are potentially eligible
under this section.

Sec. 5. Original sections 68-901, 68-911, and 68-915, Revised
Statutes Cumulative Supplement, 2014, are repealed.

Sec. 6. Since an emergency exists, this act takes effect when
passed and approved according to law.
