

AMENDMENTS TO LB310

Introduced by Friesen, 34.

1           1. Insert the following new section:

2           Sec. 3. Section 60-6,383, Revised Statutes Cumulative Supplement,  
3           2016, is amended to read:

4           60-6,383 (1) An implement of husbandry being operated on any highway  
5           of this state, except the National System of Interstate and Defense  
6           Highways, shall be exempt from the weight and load limitations of  
7           subsections (2), (3), and (4) of section 60-6,294 but shall be subject to  
8           any ordinances or resolutions enacted by local authorities pursuant to  
9           section 60-681.

10          (2) An implement of husbandry being operated on any highway of this  
11          state shall not cross any bridge ~~or culvert~~ if the vehicle axle, axle  
12          groupings, or gross weight exceeds the limits established in subsections  
13          (2), (3), and (4) of section 60-6,294 or weight limits established by  
14          bridge postings.

15          (3) For purposes of this section, an implement of husbandry includes  
16          (a) a farm tractor with or without a towed farm implement, (b) a self-  
17          propelled farm implement, (c) self-propelled equipment designed and used  
18          exclusively to carry and apply fertilizer, chemicals, or related products  
19          to agricultural soil or crops, (d) an agricultural floater-spreader  
20          implement as defined in section 60-303, (e) a fertilizer spreader, nurse  
21          tank, or truck permanently mounted with a spreader used for spreading or  
22          injecting water, dust, or liquid fertilizers or agricultural chemicals,  
23          (f) a truck mounted with a spreader used or manufactured to spread or  
24          inject animal manure, and (g) a mixer-feed truck owned and used by a  
25          livestock-raising operation designed for and used for the feeding of  
26          livestock.

27          2. Renumber the remaining section and correct the repealer

1 accordingly.
