24 patient has a developmental disability or physical disability and, as a

6 condition of enrollment, that the patient sign a copy of the disclosure  
7 form. The disclosure form shall include:

8           (a) A statement that the department, or any employee of any state  
9 agency, may not be held criminally liable for any injury, loss of  
10 property, personal injury, or death caused by any act or omission while  
11 acting within the respective scope of office or employment under the  
12 Medical Cannabis Act; and

14 program is conditional on the patient's agreement to comply with the  
15 Medical Cannabis Act.

16           (4) The department shall require a patient to give written, informed  
17 consent for the use of the medical cannabis. Written, informed consent  
18 shall consist of a signed disclosure and consent form executed by an  
19 eligible patient, or his or her parent or legal guardian if the eligible  
20 patient is a minor, and attested to by the eligible patient's treating

22           (a) Explains the approved products and treatments available at that  
23 time for the disease or condition from which the patient suffers;

24           (b) Attests to the fact that the patient concurs with his or her  
25 treating health care practitioner that no treatment then approved by the  
26 United States Food and Drug Administration for the qualifying medical  
27 condition of the patient would likely treat or improve the patient's  
28 qualifying medical condition without significant risk to the patient;

29           (c) Describes the potential outcomes of using the medical cannabis.  
30 The description shall include any possibility of worsening symptoms and  
31 death hastened by the treatment;

1           (d) Contains a statement that the patient's health insurance carrier  
2 is not obligated to pay for any care or treatments consequent to the use  
3 of the medical cannabis; and

4           (e) Makes clear that the patient understands that he or she is  
5 liable for all expenses consequent to the use of the medical cannabis.

6           Sec. 25. (1) After receipt of a patient's application and signed  
7 disclosure and consent forms, the department shall enroll the patient in  
8 the registry program and issue the patient and patient's registered  
9 designated caregiver or parent or legal guardian, if applicable, a  
10 registry verification. A patient's enrollment in the registry program  
11 shall only be denied if the patient:

12           (a) Does not have certification from a participating health care  
13 practitioner that the patient has been diagnosed with a qualifying  
14 medical condition;

15           (b) Has not signed and returned to the department the disclosure and  
16 consent forms required under subsections (3) and (4) of section 24 of  
17 this act;

18           (c) Does not provide the information required under the Medical  
19 Cannabis Act;

20           (d) Has previously been removed from the registry program for a  
21 violation of section 23, 43, 44, or 45 of this act; or

22           (e) Provides false information under the act.

23           (2) The department shall give written notice to a patient of the  
24 reason for denying enrollment in the registry program.

25           (3) Denial of enrollment in the registry program may be appealed.  
26 The appeal shall be in accordance with the Administrative Procedure Act.

27           (4) A patient's enrollment in the registry program shall only be  
28 revoked if a patient violates a requirement under section 23, 43, 44, or  
29 45 of this act or upon the death of the patient.

30           (5) The department shall develop a registry verification to provide  
31 to the patient, to the participating health care practitioner identified

1 in the patient's application, and to the compassion center and  
2 dispensary. The registry verification shall include:

3 (a) The patient's name and date of birth;

4 (b) The patient registry number assigned to the patient;

5 (c) Confirmation that the patient has a qualifying medical condition  
6 as provided by the patient's participating health care practitioner in  
7 the certification; and

8 (d) The name, mailing address, and date of birth of the patient's  
9 registered designated caregiver, if any, or the name and mailing address  
10 of the patient's parent or legal guardian if the parent or legal guardian  
11 will be acting as a caregiver.

12 Sec. 26. (1) There is a presumption that a patient enrolled in the  
13 registry program under the Medical Cannabis Act is engaged in the  
14 authorized use of medical cannabis.

15 (2) The presumption may be rebutted by evidence that conduct related  
16 to use of medical cannabis was not for the purpose of treating or  
17 alleviating the patient's qualifying medical condition or symptoms  
18 associated with the patient's qualifying medical condition.

19 Sec. 27. (1) The department shall register a designated caregiver  
20 for a patient if the patient's participating health care practitioner has  
21 certified that the patient, in the medical opinion of the participating  
22 health care practitioner, has a developmental disability or a physical  
23 disability and, as a result of that disability, the patient is unable to  
24 self-administer medication or acquire medical cannabis from a compassion  
25 center and dispensary and the caregiver has agreed, in writing, to be the  
26 patient's registered designated caregiver. As a condition of registration  
27 as a registered designated caregiver, the department shall require the  
28 person to:

29 (a) Be at least twenty-one years of age;

30 (b) Agree to only possess medical cannabis for purposes of assisting  
31 the patient; and

1       (c) Agree that if the application is approved, the person will not  
2 be a registered designated caregiver for more than one patient unless  
3 each of such patients reside in the same residence.

4       (2)(a) The department shall conduct a criminal background check on  
5 the designated caregiver prior to registration to ensure that the person  
6 does not have a conviction for a disqualifying felony offense. Any cost  
7 of the background check shall be paid by the person seeking registration  
8 as a registered designated caregiver or his or her employer.

9       (b) The person shall file a complete set of his or her legible  
10 fingerprints with the department. The department shall transmit such  
11 fingerprints to the Nebraska State Patrol which shall transmit a copy of  
12 the applicant's fingerprints to the Identification Division of the  
13 Federal Bureau of Investigation for a national criminal history record  
14 information check.

15       (c) The national criminal history record information check shall  
16 include information concerning the person from federal repositories of  
17 such information and repositories of such information in other states if  
18 authorized by federal law for use by the department.

19       (d) The Nebraska State Patrol shall undertake a search for Nebraska  
20 criminal history record information concerning the person. The Nebraska  
21 State Patrol shall issue a report to the department which contains the  
22 results of the criminal history record information check conducted by the  
23 Nebraska State Patrol.

24       (e) Criminal history record information subject to federal  
25 confidentiality requirements shall remain confidential and may be  
26 released only upon the written authorization of the subject of the  
27 information.

28       Sec. 28. (1) A parent or legal guardian of a patient may act as the  
29 caregiver to the patient without having to register as a registered  
30 designated caregiver. The parent or legal guardian shall follow all of  
31 the requirements of parents and legal guardians in the Medical Cannabis

1 Act. Nothing in the act limits any legal authority a parent or legal  
2 guardian may have for the patient under any other law.

3 (2)(a) The department shall conduct a criminal background check on  
4 the parent or legal guardian acting as designated caregiver to ensure  
5 that the person does not have a conviction for a disqualifying felony  
6 offense. Any cost of the background check shall be paid by the parent or  
7 legal guardian seeking to act as a designated caregiver.

8 (b) The person shall file a complete set of his or her legible  
9 fingerprints with the department. The department shall transmit such  
10 fingerprints to the Nebraska State Patrol which shall transmit a copy of  
11 the applicant's fingerprints to the Identification Division of the  
12 Federal Bureau of Investigation for a national criminal history record  
13 information check.

14 (c) The national criminal history record information check shall  
15 include information concerning the person from federal repositories of  
16 such information and repositories of such information in other states if  
17 authorized by federal law for use by the department.

18 (d) The Nebraska State Patrol shall undertake a search for Nebraska  
19 criminal history record information concerning the person. The Nebraska  
20 State Patrol shall issue a report to the department which contains the  
21 results of the criminal history record information check conducted by the  
22 Nebraska State Patrol.

23 (e) Criminal history record information subject to federal  
24 confidentiality requirements shall remain confidential and may be  
25 released only upon the written authorization of the subject of the  
26 information.

27 Sec. 29. A patient or registered designated caregiver shall notify  
28 the department of any address or name change within thirty days after the  
29 change occurred. A registered designated caregiver shall notify the  
30 department of the death of a patient for whom the caregiver provides  
31 medical cannabis within thirty days after the death of the patient. A

1 patient or registered designated caregiver is subject to a one-hundred-  
2 dollar fine for failure to notify the department as required under this  
3 section.

4 Sec. 30. (1) Prior to a patient's enrollment in the registry  
5 program, a participating health care practitioner shall:

6 (a) Determine, in the medical judgment of the participating health  
7 care practitioner, whether a patient suffers from a qualifying medical  
8 condition and, if so determined, provide the patient with a certification  
9 of that diagnosis;

10 (b) Determine whether a patient has a developmental disability or  
11 physical disability and, as a result of that disability, the patient is  
12 unable to self-administer medication or acquire medical cannabis from a  
13 compassion center and dispensary and, if so determined, include that  
14 determination on the patient's certification of diagnosis;

15 (c) Provide explanatory information from the department to patients  
16 with qualifying medical conditions, including disclosure to all patients  
17 about the experimental nature of therapeutic use of medical cannabis; the  
18 possible risks, benefits, and side effects of the proposed treatment; and  
19 the application and other materials from the department; and

20 (d) Agree to continue treatment of the patient's qualifying medical  
21 condition.

22 (2) Upon notification from the department of the patient's  
23 enrollment in the registry program, the participating health care  
24 practitioner shall otherwise comply with all requirements developed by  
25 the department.

26 (3) Nothing in this section requires a health care practitioner (a)  
27 to participate under the Medical Cannabis Act or (b) to provide  
28 recommendations, limitations, or restrictions regarding dosage or the  
29 form of medical cannabis on a patient's certification.

30 Sec. 31. The department shall:

31 (1) Create and provide a certification to be used by a participating

1 health care practitioner to certify whether a patient has been diagnosed  
2 with a qualifying medical condition and include in the certification an  
3 option for the participating health care practitioner to certify whether  
4 the patient, in the medical opinion of the participating health care  
5 practitioner, has a developmental disability or a physical disability  
6 and, as a result of that disability, the patient is unable to self-  
7 administer medication or acquire medical cannabis from a compassion  
8 center and dispensary;

9 (2) Give notice of the certification program created in subdivision  
10 (1) of this section to health care practitioners in Nebraska who are  
11 eligible to serve as participating health care practitioners and explain  
12 the purposes and requirements of the Medical Cannabis Act;

13 (3) Provide explanatory information and assistance to each  
14 participating health care practitioner in understanding the nature of  
15 therapeutic use of medical cannabis within the requirements of the  
16 Medical Cannabis Act;

17 (4) Provide oversight of the participating health care practitioner  
18 in conducting patient treatment and medical records reporting in a manner  
19 that ensures stringent security and record-keeping requirements and that  
20 prevents the unauthorized release of private data; and

21 (5) Develop safety criteria for patients with a qualifying medical  
22 condition as a requirement of the patient's participation in the registry  
23 program in order to prevent the patient from undertaking any task under  
24 the influence of medical cannabis that would constitute negligence or  
25 professional malpractice on the part of the patient.

26 Sec. 32. Data collected on patients by a participating health care  
27 practitioner are medical records and subject to sections 81-663 to  
28 81-675.

29 Sec. 33. (1) Except as otherwise provided in section 39 of this  
30 act, the department shall register up to ten producers and up to ten  
31 processors in each congressional district in Nebraska for the production

2 2018, unless the Medical Cannabis Board extends the deadline under  
3 section 37 of this act. The department shall register producers and

7 producer and a processor. The registration shall be valid until November  
8 1 of the calendar year following the date of registration and shall be  
9 renewed by November 1 of each year thereafter upon application and  
10 payment of the annual fee established pursuant to section 47 of this act  
11 to the department and compliance with the Medical Cannabis Act and the  
12 rules and regulations adopted and promulgated under the act. The  
13 department shall renew registrations of processors based on the factors  
14 in subsection (3) of this section. The department shall continue to  
15 accept applications for registration after November 1, 2018, for any  
16 congressional district which does not have a registered producer or  
17 processor by such date.

18 (2)(a) As a condition for registration prior to November 1, 2018, a  
19 producer shall agree to:

20 (i) Begin supplying medical cannabis to processors on or before May  
21 1, 2019, unless extended by the Medical Cannabis Board; and

22 (ii) Comply with the Medical Cannabis Act and the rules and  
23 regulations adopted and promulgated under the act.

24 (b) As a condition for registration on and after November 1, 2018, a  
25 producer shall agree to supply medical cannabis to processors in  
26 compliance with the Medical Cannabis Act and otherwise be in compliance  
27 with the act and the rules and regulations adopted and promulgated under  
28 the act.

29 (c) The department shall consider the following factors when  
30 determining whether to register a producer:

31 (i) The technical expertise of the producer in cultivating medical

1 cannabis;

2 (ii) The qualifications of the producer's employees;

3 (iii) The long-term financial stability of the producer;

4 (iv) The ability to provide appropriate security measures on the  
5 premises of the producer; and

6 (v) Whether the producer has demonstrated the ability to meet the

14 regulations adopted and promulgated under the act.

15 (b) As a condition for registration on and after November 1, 2018, a  
16 processor shall agree to supply medical cannabis to compassion centers  
17 and dispensaries in compliance with the Medical Cannabis Act and  
18 otherwise be in compliance with the act and the rules and regulations  
19 adopted and promulgated under the act.

20 (c) The department shall consider the following factors when  
21 determining whether to register a processor:

22 (i) The technical expertise of the processor in converting the  
23 medical cannabis into an acceptable delivery method under the Medical  
24 Cannabis Act;

25 (ii) The qualifications of the processor's employees;

26 (iii) The long-term financial stability of the processor;

27 (iv) The ability to provide appropriate security measures on the  
28 premises of the processor; and

29 (v) Whether the processor has demonstrated the ability to meet the  
30 medical cannabis processing needs required by the Medical Cannabis Act.

31 (4) The department shall require each processor to contract with an

1 independent laboratory to test medical cannabis processed by the  
2 processor. A laboratory chosen by a processor is subject to approval by  
3 the department and is required to report testing results to the processor  
4 in a manner determined by the department.

5       Sec. 34. (1) A producer or processor of medical cannabis shall  
6 provide a reliable and ongoing supply of medical cannabis needed for the  
7 registry program.

8       (2) The cultivation, harvesting, manufacturing, packaging, or  
9 processing of medical cannabis must occur at the physical address of the  
10 producer or processor provided to the department on the registration  
11 application.

12       (3) A processor shall process and prepare any medical cannabis plant  
13 material into a form allowable under the Medical Cannabis Act prior to  
14 distribution of any medical cannabis.

15       (4) A processor shall contract with an independent laboratory,  
16 subject to the department's approval of the laboratory and any additional  
17 requirements set by the department, for purposes of testing medical  
18 cannabis processed by the processor as to chemical composition,  
19 contamination, and consistency.

20       (5) The processor shall consult with an independent laboratory under  
21 contract with the processor or other experts in reporting the range of  
22 recommended treatments for each qualifying medical condition, the range  
23 of chemical compositions that will likely be medically beneficial, and  
24 any risks of noncannabis drug interactions. The processor shall provide  
25 this information to the department on an annual basis. The department  
26 shall compile and publish the contents of these reports and of the  
27 medical cannabis offered by each processor on the department's web site.  
28 Compassion centers and dispensaries shall make these reports available to  
29 patients upon request.

30       Sec. 35. Each processor shall assign a tracking number to any  
31 medical cannabis distributed by the processor. A processor shall require

1 any employee of the processor who is transporting medical cannabis or  
2 medical cannabis products to carry identification showing that the person  
3 is an employee of the processor. An employee of a processor shall not  
4 transport medical cannabis or medical cannabis products outside the State  
5 of Nebraska.

6       Sec. 36. (1) Except as otherwise provided in section 39 of this  
7 act, the department shall register up to eight compassion center and  
8 dispensaries in each congressional district in Nebraska for the  
9 dispensing and sale of all medical cannabis to patients within Nebraska  
10 by November 1, 2018, unless the Medical Cannabis Board extends the  
11 deadline. The department shall register a compassion center and  
12 dispensary which complies with subsection (2) of this section based on  
13 the factors in subsection (3) of this section. The registration shall be  
14 valid until November 1 of the calendar year following the date of  
15 registration and shall be renewed by November 1 of each year thereafter  
16 upon application and payment of the annual fee established pursuant to  
17 section 47 of this act to the department and compliance with the Medical  
18 Cannabis Act and the rules and regulations adopted and promulgated under  
19 the act. The department shall renew registrations based on the factors in  
20 subsection (3) of this section. The department shall continue to accept  
21 applications for registration after November 1, 2018, for any  
22 congressional district which does not have four compassion center and  
23 dispensaries by such date.

24       (2)(a) As a condition for registration prior to November 1, 2018, a  
25 compassion center and dispensary shall agree to:

26       (i) Begin supplying medical cannabis to patients on or before May 1,  
27 2020; and

28       (ii) Comply with the Medical Cannabis Act and rules and regulations  
29 adopted and promulgated by the department under the act.

30       (b) As a condition for registration on and after November 1, 2018, a  
31 compassion center and dispensary shall agree to supply medical cannabis

1 to patients in compliance with the Medical Cannabis Act and otherwise be  
2 in compliance with the act and the rules and regulations adopted and  
3 promulgated under the act.

4 (3) The department shall consider the following factors when  
5 determining whether to register a compassion center and dispensary:

7 in distributing medical cannabis to patients;

8 (b) The qualifications of the pharmacists and other employees of the  
9 compassion center and dispensary;

10 (c) The long-term financial stability of the compassion center and  
11 dispensary; and

12 (d) The ability to provide appropriate security measures on the  
13 premises of the compassion center and dispensary.

14 Sec. 37. (1) The department shall adopt and promulgate rules and  
15 regulations by November 1, 2018, necessary for a compassion center and  
16 dispensary to begin dispensing medical cannabis to patients enrolled in  
17 the registry program and publish notice of the proposed rules and  
18 regulations prior to May 1, 2018.

19 (2) The department shall, by September 1, 2018, advise the public  
20 and the Medical Cannabis Board if the department is unable to register  
21 producers and processors by November 1, 2018. The department shall  
22 provide a written statement as to the reason or reasons the deadline will  
23 not be met. Upon request of the department, the board shall extend the  
24 deadline by six months but may not extend the deadline more than once.

25 (3) If notified by a processor that distribution to compassion  
26 center and dispensaries may not begin by May 1, 2020, the department  
27 shall advise the public and the board. Upon notification by the  
28 department, the board shall extend the deadline by six months but may not  
29 extend the deadline more than once.

30 Sec. 38. (1) A compassion center and dispensary shall require that  
31 medical cannabis be dispensed to a patient by a pharmacist licensed under

1 the Pharmacy Practice Act.

2 (2) Prior to the dispensing of any medical cannabis, a compassion  
3 center and dispensary shall:

4 (a) Verify that the compassion center and dispensary has received  
5 the registry verification from the department for that individual  
6 patient;

7 (b) Verify that the person requesting the distribution of medical  
8 cannabis is the patient, the patient's registered designated caregiver,  
9 or the patient's parent or legal guardian listed in the registry  
10 verification;

11 (c) Assign a tracking number to any medical cannabis dispensed from  
12 the compassion center and dispensary;

13 (d) Properly package medical cannabis in compliance with the federal  
14 Poison Prevention Packaging Act of 1970, regarding child resistant  
15 packaging and exemptions for packaging for elderly patients, and label  
16 dispensed medical cannabis with a list of all active ingredients and  
17 individually identifying information, including:

18 (i) The patient's name, mailing address, and date of birth;

19 (ii) The name, mailing address, and date of birth of the patient's  
20 registered designated caregiver or, if listed on the registry  
21 verification, the name and mailing address of the patient's parent or  
22 legal guardian, if applicable;

23 (iii) The patient registry number;

24 (iv) The chemical composition of the medical cannabis;

25 (v) The recommended dosage or quantity of the medical cannabis, if  
26 any;

27 (vi) The date the certification is issued;

28 (vii) The date the medical cannabis is dispensed; and

29 (viii) The name and address of the compassion center and dispensary  
30 dispensing the medical cannabis; and

31 (e) Ensure that the dispensed medical cannabis contains a maximum of

1 a thirty-day supply of the recommended quantity, if any, determined for  
2 that patient.

3 (3) A compassion center and dispensary shall take back any unused  
4 medical cannabis and dispose of it in accordance with rules and  
5 regulations adopted and promulgated by the department.

6 Sec. 39. (1) Each producer, processor, and compassion center and  
7 dispensary shall disclose its proposed location to the department during  
8 the registration process. A county, city, or village governing body may  
9 adopt a resolution or ordinance prohibiting the operation of a producer,  
10 processor, or compassion center and dispensary or all three within its  
11 jurisdiction and may adopt zoning regulations that reasonably limit a  
12 producer, processor, or compassion center and dispensary to certain areas  
13 within its jurisdiction. If all jurisdictions within a congressional  
14 district adopt a prohibition on the operation of producers or processors,  
15 the department may register an additional producer or processor in  
16 another congressional district. If all jurisdictions within a  
17 congressional district adopt a prohibition on the operation of a  
18 compassion center and dispensary, the department may register up to four  
19 additional compassion center and dispensaries in another congressional  
20 district or up to two additional compassion center and dispensaries in  
21 each of the other congressional districts.

22 (2)(a) Any compassion center and dispensary may distribute medical  
23 cannabis and medical cannabis products but shall not distribute any  
24 medical cannabis in a form other than those forms allowed under the  
25 Medical Cannabis Act. A compassion center and dispensary shall not  
26 conduct any cultivation, harvesting, manufacturing, packaging, or  
27 processing of medical cannabis.

28 (b) The operating documents of a compassion center and dispensary  
29 shall include:

30 (i) Procedures for the oversight of the compassion center and  
31 dispensary and procedures to ensure accurate record keeping; and

1        (ii) Procedures for the implementation of appropriate security  
2 measures to deter and prevent the theft of medical cannabis and  
3 unauthorized entrance into areas containing medical cannabis.

4        (3) The operating documents of a producer or processor shall  
5 include:

6        (a) Procedures for the oversight of the producer or processor and  
7 procedures to ensure accurate record keeping; and

8        (b) Procedures for the implementation of appropriate security  
9 measures to deter and prevent the theft of medical cannabis and  
10 unauthorized entrance into areas containing medical cannabis.

11       (4) Each producer, processor, and compassion center and dispensary  
12 shall implement security requirements, including requirements for  
13 protection of its location by a fully operational security alarm system,  
14 facility access controls, perimeter intrusion detection systems, and a  
15 personnel identification system.

16       (5) Each producer, processor, and compassion center and dispensary  
17 shall not share office space with or refer patients to a participating  
18 health care practitioner.

19       (6) Each producer, processor, and compassion center and dispensary  
20 shall not permit any person to consume medical cannabis on the property  
21 of the producer, processor, or compassion center and dispensary.

22       (7) Each producer, processor, and compassion center and dispensary  
23 is subject to reasonable inspection by the department or its designee.

24       (8)(a) No producer, processor, or compassion center and dispensary  
25 shall employ any person who is under twenty-one years of age or who has  
26 been convicted of a disqualifying felony offense. Each employee of a  
27 producer, a processor, or a compassion center and dispensary shall submit  
28 to a completed criminal history record information check before an  
29 employee may begin working with the producer, processor, or compassion  
30 center and dispensary.

31       (b) Each employee shall pay the costs of the criminal history record

1 information check and shall file a complete set of his or her legible  
2 fingerprints with the department. The department shall transmit such  
3 fingerprints to the Nebraska State Patrol which shall transmit a copy of  
4 the applicant's fingerprints to the Identification Division of the  
5 Federal Bureau of Investigation for a national criminal history record  
6 information check.

7 (c) The national criminal history record information check shall  
8 include information concerning the employee from federal repositories of  
9 such information and repositories of such information in other states if  
10 authorized by federal law for use by the department.

11 (d) The Nebraska State Patrol shall undertake a search for Nebraska  
12 criminal history record information concerning the employee. The Nebraska  
13 State Patrol shall issue a report to the department which contains the  
14 results of the criminal history record information check conducted by the  
15 Nebraska State Patrol.

16 (e) Criminal history record information subject to federal  
17 confidentiality requirements shall remain confidential and may be  
18 released only upon the written authorization of the employee.

19 (9) No producer, processor, or compassion center and dispensary may  
20 operate in any location within one thousand feet of a public or private  
21 school existing before the date of the producer's, processor's, or  
22 compassion center and dispensary's registration with the department.

23 (10) Each producer, processor, and compassion center and dispensary  
24 shall comply with reasonable restrictions set by the department relating  
25 to signage, marketing, display, and advertising of medical cannabis and  
26 shall comply with local zoning regulations.

27 Sec. 40. (1) Subject to section 21 of this act, the following are  
28 not violations under the Medical Cannabis Act:

29 (a) Use or possession of medical cannabis or medical cannabis  
30 products by a patient enrolled in the registry program or possession of  
31 medical cannabis or medical cannabis products by a registered designated

1 caregiver or the parent or legal guardian of a patient if the parent or  
2 legal guardian is listed on the registry verification;

3 (b) Possession or sale of medical cannabis or medical cannabis  
4 products by a producer, a processor, or a compassion center and  
5 dispensary, employees of a producer, a processor, or a compassion center  
6 and dispensary, a laboratory conducting testing on medical cannabis, or  
7 employees of the laboratory; and

8 (c) Possession of medical cannabis or medical cannabis products by  
9 any person while carrying out the duties required under the Medical  
10 Cannabis Act.

11 (2) Medical cannabis obtained and distributed pursuant to the  
12 Medical Cannabis Act and associated property is not subject to forfeiture  
13 under section 28-431.

14 (3) The department, the department's staff, the department's agents  
15 or contractors, and participating health care practitioners are not  
16 subject to any civil or disciplinary penalties by any business,  
17 occupational, or professional licensing board or entity, solely for  
18 participation in the registry program under the Medical Cannabis Act. A  
19 pharmacist licensed under the Pharmacy Practice Act is not subject to any  
20 civil or disciplinary penalties when acting in accordance with the  
21 Medical Cannabis Act. Nothing in this section affects a professional  
22 licensing board from taking action in response to violations of any other  
23 provision of law.

24 (4) Federal, state, and local law enforcement authorities are  
25 prohibited from accessing the registry program under the Medical Cannabis  
26 Act except (a) when acting pursuant to a search warrant or (b) to  
27 determine the eligibility of the patient to possess medical cannabis.

28 (5) No information contained in a report, document, or registry or  
29 obtained from a patient under the Medical Cannabis Act may be admitted as  
30 evidence in a criminal proceeding unless independently obtained or in  
31 connection with a proceeding involving a violation of the act.

1       (6) Any person who violates subsection (4) of this section is guilty  
2 of a Class I misdemeanor.

3       (7) An attorney shall not be subject to disciplinary action for  
4 providing legal assistance to a prospective or registered producer,  
5 processor, or compassion center and dispensary or to others related to  
6 activity that is no longer subject to criminal penalties under state law  
7 pursuant to the Medical Cannabis Act.

8       (8) Possession of a registry verification or application for  
9 enrollment in the registry program by a person entitled to possess or  
10 apply for enrollment in the registry program does not constitute probable  
11 cause or reasonable suspicion, nor shall it be used to support a search  
12 of the person or property of the person possessing or applying for the  
13 registry verification or otherwise subject the person or property of the  
14 person to inspection by any governmental agency.

15       Sec. 41. (1) No school or landlord may refuse to enroll or lease to  
16 and may not otherwise penalize a person solely for the person's status as  
17 a patient enrolled in the registry program under the Medical Cannabis Act  
18 unless failing to do so would violate federal law or regulations or cause  
19 the school or landlord to lose a monetary or licensing-related benefit  
20 under federal law or regulations.

21       (2) For purposes of medical care, including organ transplants, the  
22 use of medical cannabis under the Medical Cannabis Act by a patient  
23 enrolled in the registry program does not constitute the use of an  
24 illicit substance or otherwise disqualify a patient from needed medical  
25 care.

26       (3) A person shall not be denied custody of a minor child or  
27 visitation rights or parenting time with a minor child solely based on  
28 the person's status as a patient enrolled in the registry program under  
29 the Medical Cannabis Act.

30       Sec. 42. (1) In addition to any other applicable penalty, a  
31 compassion center and dispensary or an agent of a compassion center and

1 dispensary who intentionally transfers or dispenses medical cannabis to a  
2 person other than a registered compassion center and dispensary, a  
3 patient, a registered designated caregiver, or, if listed on the registry  
4 verification, a parent or legal guardian of a patient, is guilty of a  
5 Class IV felony. A person convicted under this section shall not continue  
6 to be affiliated with the compassion center and dispensary and is  
7 disqualified from further participation under the Medical Cannabis Act.

8 (2) In addition to any other applicable penalty, a producer, a  
9 processor, or an agent of a producer or processor who intentionally  
10 dispenses medical cannabis to a person other than a registered producer,  
11 a registered processor, or a registered compassion center and dispensary  
12 is guilty of a Class IV felony. A person convicted under this section  
13 shall not continue to be affiliated with the producer or processor and is  
14 disqualified from further participation under the Medical Cannabis Act.

15 Sec. 43. In addition to any other applicable penalty provided by  
16 law, a patient, a registered designated caregiver, or, if listed on the  
17 registry verification, a parent or legal guardian of a patient who  
18 intentionally sells or otherwise transfers medical cannabis to a person  
19 other than a patient, a registered designated caregiver, or, if listed on  
20 the registry verification, a parent or legal guardian of a patient, is  
21 guilty of a Class IV felony.

22 Sec. 44. A person who intentionally makes a false statement to a  
23 law enforcement official about any fact or circumstance relating to the  
24 use of medical cannabis to avoid arrest or prosecution is guilty of a  
25 Class III misdemeanor. The penalty is in addition to any other penalties  
26 that may apply for making a false statement or for the possession,  
27 cultivation, or sale of cannabis not protected by the Medical Cannabis  
28 Act. If a person convicted of violating this section is a patient or a  
29 registered designated caregiver, the person is disqualified from further  
30 participation under the act.

31 Sec. 45. A person who knowingly submits false records or

1 documentation required by the department to register as a producer, a  
2 processor, or a compassion center and dispensary under the Medical  
3 Cannabis Act is guilty of a Class IV felony.

4       Sec. 46. A producer, a processor, or a compassion center and  
5 dispensary may be fined up to one thousand dollars for any violation of  
6 the Medical Cannabis Act or the rules and regulations adopted and  
7 promulgated pursuant to the act if no penalty has been specified. This  
8 penalty is in addition to any other applicable penalties in law.

9       Sec. 47. (1) The department shall collect an application fee of  
10 twenty-five thousand dollars from each entity submitting an application  
11 for registration as a producer, a processor, or a compassion center and  
12 dispensary. The department shall remit the fees to the State Treasurer  
13 for credit to the Medical Cannabis Regulation Fund.

14       (2) The department shall establish and collect an annual fee not to  
15 exceed (a) forty thousand dollars from a producer for the cost of  
16 regulating and inspecting the producer in that year, (b) forty thousand  
17 dollars from a processor for the cost of regulating and inspecting the  
18 processor in that year, and (c) twenty-five thousand dollars from a  
19 compassion center and dispensary for the cost of regulating and  
20 inspecting the compassion center and dispensary in that year. The  
21 department shall remit the fees to the State Treasurer for credit to the  
22 Medical Cannabis Regulation Fund.

23       Sec. 48. The Medical Cannabis Regulation Fund is created and shall  
24 consist of funds from contracts, grants, gifts, or fees under the Medical  
25 Cannabis Act. The fund shall be used for purposes of regulation of  
26 medical cannabis and administration of the Medical Cannabis Act.  
27 Transfers may be made from the fund to the General Fund at the direction  
28 of the Legislature. Any money in the Medical Cannabis Regulation Fund  
29 available for investment shall be invested by the state investment  
30 officer pursuant to the Nebraska Capital Expansion Act and the Nebraska  
31 State Funds Investment Act.

1           Sec. 49. (1) The department may examine and inspect or provide for  
2 the examination and inspection of any producer, processor, or compassion  
3 center and dispensary in such manner and at such times as provided in  
4 rules and regulations adopted and promulgated by the department. The  
5 department shall issue an examination and inspection report and provide a  
6 copy of the report to the producer, processor, or compassion center and  
7 dispensary within ten working days after the completion of an examination  
8 and inspection. The department shall then post a copy of the report on  
9 its web site. The costs incurred by the department in conducting such an  
10 examination and inspection shall be paid for by the producer, processor,  
11 or compassion center and dispensary.

12           (2) When making an examination under this section, the department  
13 may retain professionals and specialists as designees.

14           Sec. 50. (1) The department shall adopt and promulgate rules and  
15 regulations to establish requirements for reporting incidents when  
16 individuals who are not authorized to possess cannabis under the Medical  
17 Cannabis Act are found in possession of medical cannabis. The rules and  
18 regulations shall identify professionals required to report, the  
19 information they are required to report, and actions the reporter must  
20 take to secure the medical cannabis.

21           (2) The department shall adopt and promulgate rules and regulations  
22 to establish requirements for law enforcement officials and health care  
23 professionals to report incidents involving an overdose of medical  
24 cannabis to the department.

25           (3) Rules and regulations shall include the method by which the  
26 department will collect and tabulate reports of unauthorized possession  
27 and overdose.

28           Sec. 51. The Medical Cannabis Board is established. The board shall  
29 consist of nine members. Seven members shall be appointed by the Governor  
30 and approved by a majority of the members of the Legislature. Of the  
31 appointed members, the board shall have at least one person from each

1 congressional district, at least one person licensed to practice pharmacy  
2 under the Pharmacy Practice Act, at least one person licensed to practice  
3 medicine and surgery under the Medicine and Surgery Practice Act, and at  
4 least three persons who are advocates for the use of medical cannabis.  
5 The chief medical officer as designated in section 81-3115 or his or her  
6 designee and the chairperson of the Health and Human Services Committee  
7 of the Legislature or his or her designee shall be nonvoting, ex officio  
8 members.

9       Sec. 52. The Governor shall appoint three of the initial appointed  
10 members of the Medical Cannabis Board for terms of five years and the  
11 remainder of the initial appointed members of the board for terms of one  
12 year, two years, three years, and four years. Appointments made for the  
13 succeeding members shall be for terms of five years. The term of office  
14 of each member of the board shall expire on September 1 of the  
15 appropriate year. If a vacancy occurs prior to the expiration of a term,  
16 the Governor shall appoint a successor with similar qualifications for  
17 the remainder of the unexpired term. No appointed member of the board  
18 shall serve more than two consecutive, full terms. If the Legislature is  
19 not in session when an appointment is made by the Governor, the member  
20 shall take office and act as a recess appointee until the Legislature

24 performance of their duties as provided in sections 81-1174 to 81-1177.

25       Sec. 54. Within thirty days after the initial appointment and in  
26 the last calendar quarter of each subsequent year, the members of the  
27 Medical Cannabis Board shall meet and elect a chairperson of the board  
28 from the appointed members and such other officers, including a vice-  
29 chairperson and a secretary, as the board deems necessary. In case of the  
30 death, resignation, or other permanent absence of the chairperson of the  
31 board, the vice-chairperson shall assume the office of chairperson and

15 deemed to be the act of the board. All meetings shall be open to the  
16 public. The minutes of the meetings shall show the action of the board on  
17 matters presented and shall be open to public inspection.

18       Sec. 56. The Medical Cannabis Board shall advise the department

24 medical cannabis.

25       Sec. 57. No member of the Medical Cannabis Board shall be  
26 personally liable in damages to any person for slander, libel, defamation  
27 of character, breach of any privileged communication, or otherwise for  
28 any action taken or recommendation made within the scope of the functions  
29 of such board while acting as an agent of the state if such board member  
30 acts without malice and in the reasonable belief that such action or  
31 recommendation is warranted by the facts known to him or her after a

1 reasonable effort is made to obtain the facts on which such action is

17 more products, except real property and services to real property, when  
18 (a) the products are otherwise distinct and identifiable and (b) the  
19 products are sold for one non-itemized price. Bundled transaction does  
20 not include the sale of any products in which the sales price varies, or  
21 is negotiable, based on the selection by the purchaser of the products  
22 included in the transaction.

23 (2) Distinct and identifiable products do not include:

24 (a) Packaging, such as containers, boxes, sacks, bags, and bottles  
25 or other materials such as wrapping, labels, tags, and instruction guides

4 section 77-2704.09, and (b) the seller's purchase price or sales price of  
5 the taxable tangible personal property is fifty percent or less of the  
6 total purchase price or sales price of the bundled tangible personal  
7 property. Sellers may not use a combination of the purchase price and  
8 sales price of the tangible personal property when making the fifty-
