LB 967 would repeal Section 18-2123, which permits governing boards of cities to acquire and develop undeveloped vacant land and land outside of the city, but within a three mile radius, as a part of a general community redevelopment program. The exact fiscal impact to future community redevelopment projects cannot be estimated at this time and would vary from city to city. The scope of some projects could be limited if property acquisitions permitted under Section 81-2123 were not allowed under community redevelopment programs.

There would be no fiscal impact to state agencies.
