income derived from or connected with sources in this state, and such
agreement shall be attached to the Nebraska fiduciary return for such
taxable year.

(5) In the absence of the nonresident beneficiary's executed
agreement being attached to the Nebraska fiduciary return, the estate or
trust shall remit a portion of such beneficiary's income which was
derived from or attributable to Nebraska sources with its Nebraska return
for the taxable year. For taxable years beginning or deemed to begin
before January 1, 2013, the amount of remittance, in such instance, shall
be the highest individual income tax rate determined under section
77-2715.02 multiplied by the nonresident beneficiary's share of the
estate or trust income which was derived from or attributable to sources
within this state. For taxable years beginning or deemed to begin on or
after January 1, 2013, the amount of remittance, in such instance, shall
be the highest individual income tax rate determined under section

state, the nonresident did not file an agreement to file a Nebraska

Nebraska income tax liability of the nonresident beneficiary.

(7) For purposes of this section, unless the context otherwise
requires, simple trust shall mean any trust instrument which (a) requires that all income shall be distributed currently to the beneficiaries, (b) does not allow amounts to be paid, permanently set aside, or used in the tax year for charitable purposes, and (c) does not distribute amounts allocated in the corpus of the trust. Any trust which does not qualify as a simple trust shall be deemed a complex trust.

(8) For purposes of this section, any beneficiary of an estate or trust that is a grantor trust of a nonresident shall be disregarded and this section shall apply as though the nonresident grantor was the beneficiary.
