7 be made for interest or dividends received:

8 (a)(i) There shall be subtracted interest or dividends received by
9 the owner of obligations of the United States and its territories and

21 subsection as reported to the recipient by the regulated investment
22 company;

23 (c) There shall be added interest or dividends received by the owner
24 of obligations of the District of Columbia, other states of the United
25 States, or their political subdivisions, authorities, commissions, or
26 instrumentalities to the extent excluded in the computation of gross
27 income for federal income tax purposes except that such interest or

1 dividends shall not be added if received by a corporation which is a
2 regulated investment company;

3 (d) There shall be added that portion of the total dividends and
4 other income received from a regulated investment company which is
5 attributable to obligations described in subdivision (c) of this
6 subsection and excluded for federal income tax purposes as reported to
7 the recipient by the regulated investment company; and

8 (e)(i) Any amount subtracted under this subsection shall be reduced
9 by any interest on indebtedness incurred to carry the obligations or
10 securities described in this subsection or the investment in the
11 regulated investment company and by any expenses incurred in the
12 production of interest or dividend income described in this subsection to
13 the extent that such expenses, including amortizable bond premiums, are
14 deductible in determining federal taxable income.

15 (ii) Any amount added under this subsection shall be reduced by any
16 expenses incurred in the production of such income to the extent
17 disallowed in the computation of federal taxable income.

18 (2) There shall be allowed a net operating loss derived from or
19 connected with Nebraska sources computed under rules and regulations
20 adopted and promulgated by the Tax Commissioner consistent, to the extent

28 carryovers or carrybacks shall be limited to the portion of the loss
29 derived from or connected with Nebraska sources.

30 (3) There shall be subtracted from federal adjusted gross income for
31 all taxable years beginning on or after January 1, 1987, the amount of

1 any state income tax refund to the extent such refund was deducted under
2 the Internal Revenue Code, was not allowed in the computation of the tax
3 due under the Nebraska Revenue Act of 1967, and is included in federal
4 adjusted gross income.

5 (4) Federal adjusted gross income, or, for a fiduciary, federal
6 taxable income shall be modified to exclude the portion of the income or
7 loss received from a small business corporation with an election in
8 effect under subchapter S of the Internal Revenue Code or from a limited

19 political subdivisions at a rate in excess of the maximum federal tax
20 rate for corporations. The taxpayer may make the computation for each
21 foreign country or for groups of foreign countries. The portion of the
22 taxes that may be deducted shall be computed in the following manner:

23 (a) The amount of federal taxable income from operations within a
24 foreign taxing jurisdiction shall be reduced by the amount of taxes
25 actually paid to the foreign jurisdiction that are not deductible solely
26 because the foreign tax credit was elected on the federal income tax
27 return;

28 (b) The amount of after-tax income shall be divided by one minus the
29 maximum tax rate for corporations in the Internal Revenue Code; and

30 (c) The result of the calculation in subdivision (b) of this
31 subsection shall be subtracted from the amount of federal taxable income

1 used in subdivision (a) of this subsection. The result of such
2 calculation, if greater than zero, shall be subtracted from federal

21 filing separate return or ten thousand dollars for any other return. With
22 respect to a qualified rollover within the meaning of section 529 of the
23 Internal Revenue Code from another state's plan, any interest, earnings,
24 and state contributions received from the other state's educational
25 savings plan which is qualified under section 529 of the code shall
26 qualify for the reduction provided in this subdivision. For contributions
