

AMENDMENTS TO LB59

Introduced by Health and Human Services.

1           1. On page 2, strike lines 29 through 31 and insert the following  
2 new subsection:

3           "(3) If an investigation is conducted under this section, an  
4 investigation report shall be issued within sixty days after the  
5 determination is made to conduct the investigation, except that the final  
6 investigation report may be issued within ninety days after such  
7 determination if an interim report is issued within sixty days after such  
8 determination.".
