Summary of purpose and/or changes:

LB780 would change the level of administrative funding available from the Nebraska Arts and Humanities Cash Fund. Current statute caps that amount at \$30,000. LB780 would change that amount by calculating .5% of the balance of the Nebraska Cultural Preservation Endowment Fund as it existed on June 30 of the previous fiscal year.

LB780 would require the Nebraska Arts Council to carry out the annual calculation in conjunction with the Department of Administrative Services, budget division, no later than September 10 of each fiscal year.
