Summary of purpose and/or changes:

LB 885 would amend the Civic and Community Center Financing Act to change requirements for grants under the Act for the preservation, restoration, conversion, rehabilitation, or reuse of a historic building or district.

Under the bill, an applicant must submit a notification of approval from the State Historic Preservation Officer with their grant application indicating that the work proposed in the application conforms to the United States Secretary of the Interior's Standards for the Treatment of Historic Properties in order to be eligible for grant consideration.
