LEGISLATION OF NEBRASKA
ONE HUNDRED SIXTH LEGISLATURE
SECOND SESSION

LEGISLATIVE BILL 1155

Introduced by Vargas, 7.
Read first time January 22, 2020
Committee: Urban Affairs

1 A BILL FOR AN ACT relating to economic development; to adopt the Middle
2 Income Workforce Housing Investment Act; to create a fund; to
3 provide for a transfer of funds from the General Fund; to provide a
4 civil penalty; and to declare an emergency.
5 Be it enacted by the people of the State of Nebraska,
Section 1. Sections 1 to 9 of this act shall be known and may be cited as the Middle Income Workforce Housing Investment Act.

Sec. 2. (1) Current economic conditions and limited availability of modern housing units impact the ability of Nebraska's older urban neighborhoods and majority minority communities to maintain residential stability. Low rates of homeownership and a lack of high-quality, non-income restricted rental housing negatively affects the ability of residents of such neighborhoods and communities to achieve housing stability and invest in their neighborhoods and communities. A lack of workforce housing affects the ability of neighborhoods and communities to maintain and develop viable, stable, and thriving economies. A shortage of quality housing in such areas also impacts the ability of local private, nonprofit, and public employers to grow and prosper;

(2) Impediments exist to the construction, rehabilitation, and financing of urban workforce housing. Comparable home sale and appraisal prices do not justify the cost of new construction homes. There is a lack of space that would be large enough for development to achieve cost efficiencies. Due to generations of disinvestment, these neighborhoods and communities frequently receive a stigma that negatively impacts the residential real estate market.

(3) In order to develop attractive housing options that lead to the recruitment and retention of a world-class workforce in Nebraska's older urban communities, it is the intent of the Legislature to use new and existing resources to support creation of workforce housing investment funds. Such funds will be used to encourage development of workforce housing in Nebraska's urban and underserved neighborhoods and communities.

Sec. 3. For purposes of the Middle Income Workforce Housing Investment Act:

(1) Department means the Department of Economic Development;

(2) Director means the Director of Economic Development;

(2) The department shall administer the Middle Income Workforce Housing Investment Fund and may seek additional private or nonstate funds to use in the grant program, including, but not limited to, contributions from the Nebraska Investment Finance Authority and other interested parties.

(3) Interest earned by the department on grant funds shall be applied to the grant program.

(3) The director may contract with a statewide public or private
