(2) Housing agency has the same meaning as in section 71-1575.

Sec. 2. Any city which enacts and administers a local building or construction code under section 71-6406 shall adopt a rental housing inspection program to enforce the relevant provisions of such local building or construction code for all residential rental property within the corporate limits of the city. The enforcement procedures for a rental housing inspection program adopted pursuant to this section shall be designed to improve housing conditions. The city shall make reasonable efforts to prevent unreasonable displacement of tenants from residential rental property when enforcing such program.

Sec. 3. A rental housing inspection program adopted under section 2 of this act shall include:

(2) A requirement that all residential rental property within the corporate limits of the city be inspected at least once within a three-year cycle, except as provided in section 4 of this act or for any such property that is owned by a housing agency or inspected or caused to be inspected by a housing agency to enforce housing quality standards required by the United States Department of Housing and Urban Development;

(3) A supplemental system of inspections of residential rental property upon receipt of any complaints; and

(2) A schedule of fines for failure to comply with registration requirements, including fines and interest for late payments;

(3) A schedule of inspection fees for any reinspection required in addition to a regular inspection of any residential rental property; and

(4) A provision allowing for less frequent inspections of residential rental properties with a history of code compliance and responsiveness to prior code complaints.

Sec. 5. For multi-unit residential rental properties, a rental housing inspection program adopted under section 2 of this act may provide for inspections to be conducted on a random sampling of all units of such property instead of inspecting all units of such property.

Sec. 6. (1) The city may enforce the collection of unpaid fees and unpaid fines assessed or levied under any schedule adopted pursuant to section 4 of this act by filing a civil action in any court of competent jurisdiction.

(2) Unpaid fees and unpaid fines assessed or levied under any schedule adopted pursuant to section 4 of this act shall become a lien on the applicable property upon the recording of a notice of such lien in the office of the register of deeds of the county in which the applicable property is located.
