Committee: Government, Military and Veterans Affairs

- 1 A BILL FOR AN ACT relating to military installations; to require notice
- 2 of construction or expansion of certain structures.
- 3 Be it enacted by the people of the State of Nebraska,

1 Section 1. Beginning January 1, 2021, the project owner of a
2 project involving new construction or expansion of any structure in this
3 state that requires the filing of a notice of proposed construction or
4 alteration with the Federal Aviation Administration of the United States
5 Department of Transportation, including, but not limited to, a cellular
6 transmission tower or a wind energy conversion system as defined in
7 section 66-909.02, shall inform, in writing, the county board of the
8 county in which the project is located and the installation commander of
9 any active federal military installation within two nautical miles of the
10 location of the project as determined by the United States Department of
11 Defense. The written information shall be sent by certified mail at least
12 forty-five days prior to filing the notice of proposed construction or
13 alteration and at least six months prior to the beginning date of any
14 construction work on the project.
