

ONE HUNDRED SIXTH LEGISLATURE

FIRST SESSION

**LEGISLATIVE RESOLUTION 233**

Introduced by Arch, 14.

PURPOSE: The purpose of this interim study is to examine the operations and processes of the Nebraska State Patrol in fingerprint collection and submission to the Federal Bureau of Investigation for national criminal history record information checks, particularly in light of the recent statutory requirement that employees of child care facilities and child-caring agencies be subject to such fingerprinting.

The issues addressed by this interim study shall include, but not be limited to:

(1) The historic, current, and future costs of such fingerprinting services;

(2) The expenses associated with providing such services;

(3) The cost to employees and employers required to complete such fingerprinting and background checks;

(4) The impact of increased fingerprinting costs on employers providing licensed child care services and on residential child-caring agencies;

(5) The time required to complete such fingerprinting and background checks and the impact of time-delay on employers providing licensed child care services and on residential child-caring agencies; and

(6) The availability of state or federal funding to alleviate the costs of fingerprinting services and background checks for child care facilities and residential child-caring agencies.

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE ONE HUNDRED SIXTH LEGISLATURE OF NEBRASKA, FIRST SESSION:

1. That the Health and Human Services Committee of the Legislature shall be designated to conduct an interim study to carry out the purposes of this

resolution.

2. That the committee shall upon the conclusion of its study make a report of its findings, together with its recommendations, to the Legislative Council or Legislature.
