---

**Chairperson: Senator Sara Howard**

**Committee: Health and Human Services**

**Date of Hearing: February 27, 2020**

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB1059 would amend the Health Care Facility Licensure Act to require one member's signature of a limited liability company, instead of two, to apply for a license to operate a health care facility.

AM 2511 to LB 1059 replaces the green copy and becomes the bill. AM 2511 amends the Child Protection and Family Safety Act to add intent language relating to the use of drug testing in child abuse and neglect cases. It also requires drug testing to be a service in all child abuse and neglect cases and requires drug testing to be a component of initial assessment and ongoing case management.
