

Legislature - First Session - 2019

Introducer's Statement of Intent

LB281

Chairperson: Senator Mike Groene

Committee: Education

Date of Hearing: January 28, 2019

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB 281 would allow every public school in Nebraska to post in a clearly visible and accessible part of the school a poster in English and Spanish with the Nebraska Department of Health and Human Services toll-free telephone number that receives reports of child abuse or neglect. The school could, instead, choose to post a link to the poster on its website.

This bill would allow the Nebraska Department of Education to contract with an appropriate entity to create the poster and allow for easy access to a digital image, as well.
