

Legislature - First Session - 2019

Introducer's Statement of Intent

LB509

Chairperson: Senator Dan Hughes

Committee: Natural Resources

Date of Hearing:

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

As introduced, LB 509 would allow for the increase in the size of net-metered projects from 25 to 100 kilowatts in size.

As introduced, the bill would also create a new rate class for net-metered projects for the utility cost for service and would increase utility sizing authority for each new project in the 25 to 100 kilowatt size range.

Principal Introducer: _____

Senator John McCollister
