**LB836**

---

**Chairperson: Senator Sara Howard**

**Committee: Health and Human Services**

**Date of Hearing: January 22, 2020**

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB 836 would require that all contractual agreements relating to the medical assistance program governing at-risk managed care service delivery for health services provide for the return of (1) any remittance if the contractor does not meet the minimum medical loss ratio and (2) any unearned incentive funds. The funds shall be credited to the Health Care Cash Fund. The bill also moves the sections governing these Medicaid contracts from the Nebraska Behavioral Health Services Act to the Medical Assistance Act.
