This offering has not been reviewed or approved by any state or federal securities commission, department, or division or other regulatory authority and no such person or authority has confirmed the accuracy or determined the adequacy of any disclosure made to me relating to this offering. The securities I am acquiring in this offering are illiquid, there is no ready market for the sale of such securities, it may be difficult or impossible for me to sell or otherwise dispose of this investment, and, accordingly, I may be required to hold this investment indefinitely. I may be subject to tax on my share of the taxable income and losses of the company, whether or not I have sold or otherwise disposed of my investment or received any dividends or other distributions from the company.;

This discussion must be concise and organized logically and may not be limited to risks that could apply to any issuer or any offering;

(xii) The offering or sale exempted under this subdivision is made exclusively through one or more funding portals and each funding portal is subject to the following:

(A) Before any offer or sale of securities, the issuer must provide to the portal operator evidence that the issuer is organized under the laws of Nebraska and is authorized to do business in Nebraska;

However, this subdivision does not apply if both of the following are met:

(1) On a showing of good cause and without prejudice to any other action by the Director of Banking and Finance, the director determines that it is not necessary under the circumstances that an exemption is denied; and

(2) The portal operator establishes that it made a factual inquiry into whether any disqualification existed under this subdivision but did not know, and in the exercise of reasonable care, could not have known, that a disqualification existed under this subdivision. The nature and scope of the requisite inquiry will vary based on the circumstances of the issuer and the other offering participants;

(D) If any change occurs that affects the funding portal's registration exemption, the portal operator must notify the department within thirty days after the change occurs;

(E) A registered broker-dealer who also serves as a portal operator must register with the department as a portal operator pursuant to subdivision (a)(xii)(B) of this subdivision, except that the fee for registration shall be waived;

(F) The issuer and the portal operator must maintain records of all offers and sales of securities effected through the funding portal and must provide

ready access to the records to the department, upon request. The records of a portal operator under this subdivision are subject to the reasonable periodic, special, or other audits or inspections by a representative of the director, in or outside Nebraska, as the director considers necessary or appropriate in the public interest and for the protection of investors. An audit or inspection may be made at any time and without prior notice. The director may copy, and remove for audit or inspection copies of, all records the director reasonably considers necessary or appropriate to conduct the audit or inspection. The director may assess a reasonable charge for conducting an audit or inspection under this subdivision;

(G) The portal operator shall limit web site access to the offer or sale of securities to only Nebraska residents;

(I) The portal operator may not be an investor in any Nebraska offering under this subdivision.

(b) An issuer of a security, the offer and sale of which is exempt under this subdivision, shall provide, free of charge, a quarterly report to the issuer's investors until no securities issued under an exemption under this subdivision are outstanding. An issuer may satisfy the reporting requirement of this subdivision by making the information available on a funding portal if the information is made available within forty-five days after the end of each fiscal quarter and remains available until the succeeding quarterly report is issued. An issuer shall file each quarterly report under this subdivision with the department and, if the quarterly report is made available on a funding portal, the issuer shall also provide a written copy of the report to any investor upon request. The report must contain all the following:

(c) An offer or a sale under this subdivision to an officer, director, partner, trustee, or individual occupying similar status or performing similar functions with respect to the issuer or to a person owning ten percent or more of the outstanding shares of any class or classes of securities of the issuer does not count toward the monetary limitations in subdivision (a)(iii) of this subdivision.

(d) The exemption under this subdivision may not be used in conjunction with any other exemption under the Securities Act of Nebraska, except for offers and sales to individuals identified in the disclosure document, during the immediately preceding twelve-month period.

(e) The exemption under this subdivision does not apply if an issuer or any director, executive officer, general partner, managing member, or other person with management authority over the issuer, has been subject to any conviction, order, judgment, decree, or other action specified in Rule 506(d) (1) adopted under the Securities Act of 1933, that would disqualify an issuer under Rule 506(d) adopted under the Securities Act of 1933, from claiming an exemption specified in Rule 506(a) to Rule 506(c) adopted under the Securities Act of 1933. However, this subdivision does not apply if both of the following are met:

(i) On a showing of good cause and without prejudice to any other action by the Director of Banking and Finance, the director determines that it is not necessary under the circumstances that an exemption is denied; and

(ii) The issuer establishes that it made a factual inquiry into whether any disqualification existed under this subdivision but did not know, and in the exercise of reasonable care, could not have known, that a disqualification existed under this subdivision.
