

## LEGISLATIVE BILL 312

Approved by the Governor August 17, 2020

Introduced by Hansen, B., 16; Howard, 9.

A BILL FOR AN ACT relating to the Dentistry Practice Act; to amend section 38-1130, Revised Statutes Cumulative Supplement, 2018; to define a term; to change and eliminate provisions related to functions authorized for dental hygienists as prescribed; to provide a duty for the Department of Health and Human Services and the Health and Human Services Committee of the Legislature; to eliminate obsolete provisions; and to repeal the original section.

Be it enacted by the people of the State of Nebraska,

Section 1. Section 38-1130, Revised Statutes Cumulative Supplement, 2018, is amended to read:

38-1130 (1) Except as otherwise provided in this section, a licensed dental hygienist shall perform the dental hygiene functions listed in section 38-1131 only when authorized to do so by a licensed dentist who shall be responsible for the total oral health care of the patient.

(2) The department may authorize a licensed dental hygienist to perform the following functions in the conduct of public health-related services in a public health setting or in a health care or related facility: Preliminary charting and screening examinations; oral health education, including workshops and inservice training sessions on dental health; and all of the duties that a dental assistant who is not licensed is authorized to perform.

(3)(a) Except for periodontal scaling, root planing, and the administration of local anesthesia and nitrous oxide, the The department may authorize a licensed dental hygienist to perform all of the authorized the following functions within the scope of practice of a licensed dental hygienist in the conduct of public health-related services to children in a public health setting or in a health care or related facility. In addition, the department may authorize a licensed dental hygienist to perform the following functions in such a setting or facility or for such a patient:

(i) Upon completion of education and testing approved by the board, writing prescriptions for mouth rinses and fluoride products that help decrease risk for tooth decay Oral prophylaxis to healthy children who do not require antibiotic premedication; and

(ii) Upon completion of education and testing approved by the board, minor denture adjustments. Pulp vitality testing;

(iii) Preventive measures, including the application of fluorides, sealants, and other recognized topical agents for the prevention of oral disease;

(iv) Upon completion of education and testing approved by the board, interim therapeutic restoration technique; and

(v) Upon completion of education and testing approved by the board, writing prescriptions for mouth rinses and fluoride products that help decrease risk for tooth decay.

(b) Authorization shall be granted by the department under this subsection upon (i) filing an application with the department and (ii) providing evidence of current licensure and professional liability insurance coverage. Authorization may be limited by the department as necessary to protect the public health and safety upon good cause shown and may be renewed in connection with renewal of the licensed dental hygienist's license.

(c) A licensed dental hygienist performing dental hygiene functions as authorized under this subsection shall (i) report authorized functions performed by him or her to the department on a form developed and provided by the department and (ii) advise the patient or recipient of services or his or her authorized representative that such services are preventive in nature and do not constitute a comprehensive dental diagnosis and care.

~~(4)(a) The department may authorize a licensed dental hygienist who has completed three thousand hours of clinical experience to perform the following functions in the conduct of public health-related services to adults in a public health setting or in a health care or related facility:~~

~~(i) Oral prophylaxis;~~

~~(ii) Pulp vitality testing;~~

~~(iii) Preventive measures, including the application of fluorides, sealants, and other recognized topical agents for the prevention of oral disease;~~

~~(iv) Upon completion of education and testing approved by the board, interim therapeutic restoration technique;~~
