(8) In case of addition to the registered fleet during the registration year, the owner engaged in operating the fleet shall pay the proportional registration fee from the date the vehicle was placed into service or, if the vehicle was previously registered, the date the prior registration expired or
the date Nebraska became the base jurisdiction for the fleet, whichever is first, for the remaining balance of the registration year. The fee for such registration shall be twenty dollars for each vehicle, which fee shall be remitted to the State Treasurer for credit to the Highway Trust Fund. The issuance of such permits shall be governed by section 60-3,179.

A trip permit shall be issued before any person required to obtain a trip permit enters this state with such vehicle. The trip permit shall be issued by the director through Internet sales from the department's web site. The trip permit shall be valid for a period of seventy-two hours. The fee for the trip permit shall be twenty-five dollars for each truck, truck-tractor, bus, or truck or truck-tractor combination. (5) On or before March 1 of each year, the department shall furnish to the State Treasurer a tabulation showing the total number of original motor vehicle registrations in each county for the immediately preceding calendar year, which shall be the basis for computing the distribution of motor vehicle tax funds as provided in subsection (2) of this section.
